

Town of Loomis  
Request for Proposals (RFP) – Construction Management Services  
for the

**Sierra College Boulevard/Taylor Road  
Intersection Improvement Project**

NOTICE IS HEREBY GIVEN that the Town of Loomis is seeking proposals from qualified professional consulting firms to provide construction management, inspection, and material testing services for the Town's Sierra College Boulevard/Taylor Road Intersection Improvement Project. The Project is funded entirely by local funds and does not involve the use of Federal funding.

The project's scope of work calls for the widening Sierra College Boulevard between Brace Road and Taylor Road, in the Town of Loomis, from four lanes to six lanes while adding sidewalks, bicycle lanes and completing other related work including paving, storm drain, signage, striping, and traffic signal modifications.

This project is anticipated to be released for bidding in February of 2023 with construction anticipated from May 2023 – September 2023. The selected firm will have the opportunity to provide a constructability review of the bid documents prior to the project's advertisement for bids.

Proposals are due by December 6, 2022, at 4:00pm. For more information, please download the RFP from the Town's website: <https://loomis.ca.gov/open-bids-and-rfps/>

Questions may be directed to Merrill Buck, Town Engineer, (916) 824-1518, [townengineer@loomis.ca.gov](mailto:townengineer@loomis.ca.gov)
