

Organic Waste Recycling

Returning Nutrients to our soil

AB 1826 CA Mandatory Commercial Organics Recycling Law

Effective January 1, 2019 Businesses generating 4 cubic yards or more of solid waste weekly, will be required to separate their organic waste (if they produce ½ yard or more of organics per week).

Please contact Recology Auburn Placer **530-885-3735** for a Free site visit, assistance and to sign up for our food waste service.
