ATTN: All Prospective Bidders
PROJECT: Sierra College Blvd and Taylor Road Intersection Improvements Project
SUBJECT: Bid Solicitation
FROM: Merrill Buck, Town Engineer

The Town of Loomis is soliciting bids from qualified Contractors for the project described above.

Work generally includes the widening of Sierra College Boulevard, within the Town of Loomis, between Taylor Road and Brace Road, from four lanes to six. Work includes modifications to center medians, construction of new street, bicycle lanes, sidewalks and curb ramps, vegetation removal, dewatering and grading within a seasonal creek, storm drain culvert extension with inlet and outlet structures, traffic signal poles and equipment, slurry seal and pavement markings.

Plans and specifications, bid proposal forms, supplemental information and addendums are available free of charge and can be obtained from the Town's plan hosting site, CIP List:

<https://ciplist.com/plans/?Loomis/city/11681>

The current bid opening date and time for the project has been extended per Addendum 2 to Thursday, May 18, 2023, at 10:00am.
