ATTN: All Prospective Bidders
PROJECT: Town of Loomis Welcome Sign
SUBJECT: **ADDENDUM NO. 2**
ISSUED BY: Merrill Buck, Town Engineer

General:

Since the Town only recently qualified C-45 Sign Contractor as eligible to submit a bid, as part of Addendum 1 issued on June 23, 2023, more time is being provided to ensure that they have the opportunity to review the project requirements and perform the necessary coordinate ahead of submitting a proposal.

The following changes to the Contract Documents are therefore being made.

Notice Inviting Bids:

Section 9, Bids Due - The bid opening time and date is hereby modified such that the new bid opening time and date for sealed bids will be:

10:00am, Tuesday, July 18, 2023

General Provisions: Note Section 2.08, copied and pasted below, for any bidder that may have already submitted a bid proposal.

2.08 Withdrawals of Proposals - Any proposal may be withdrawn at any time prior to the time fixed in the Notice Inviting Sealed Proposals for the opening of bids, provided that a request in writing, executed by the bidder or his duly authorized representative, for the withdrawal of such bid, is filed with the Town. The withdrawal will not prejudice the right of a bidder to file a new proposal.

Acknowledgement of Addendum 2:

Receipt of this Addendum is **NOT required**, since only the bid opening date and time is being changed. Any bidder that submitted a bid proposal but failed to see this addendum, would still have satisfied the requirement of providing their bid before the bid opening date. And there are no other contract conditions being changed.
