Loomis, CA 95650  
(916) 652-1840

August 4, 2023

ATTN: All Prospective Bidders  
PROJECT: 2023 Asphalt Rubber Cape Seal Project  
SUBJECT: **ADDENDUM NO. 1**  
ISSUED BY: Merrill Buck, Town Engineer

---

**General:**

This addendum is being issued as a clarification to notify potential bidders that the project is being readvertised with a new bid opening date and time of Thursday August 17, 2023 at 10:00am. The readvertisement is occurring because the old bid opening date has passed, and the bid documents were not available for review in time.

The Notice Inviting Bids for the project is scheduled to be published in the local paper on 8/4 and 8/11, and the full set of Contract Documents will be uploaded to the Town's Bid Hosting Portal, CIP List.com, on Friday, August 4, 2023.

**Bid Opening Date:**

The bid opening date is on Thursday, August 17, 2023 at 10:00am.

**Acknowledgement of Addendum 1:**

Receipt of this Addendum is **NOT required**, since it is only being issued as a clarification to bidders who may have seen the project referenced earlier, and were unable to access the bid documents because they were not yet finished.
