TOWN OF LOOMIS BUILDING DEPARTMENT

EXPEDITE PLAN REVIEW REQUEST (OPTIONAL)

Project Address: _____ **Permit #:** _____

Project Description: _____

I request that this project be expedited through **building** plan review, including rechecks, provided that staff is available and the workload allows time to fulfill this request.

Expedited plan reviews apply only to building plan review and do not apply to other authorities.

Plan review timeframes for outside agencies and separate permits are not included in this request.

By submitting this application, I understand that this program is voluntary and **supplementary fees** will be charged in addition to the building plan review fee that applies.

Plan review fees and review time may vary depending on the complexity and completeness of the submittal.

A completed form may be submitted for approval either at the public counter or by emailing
building@loomis.ca.gov

The applicant listed below will be notified by a Building Department Representative, if this request can be honored.

By signing this form I, _____ request expedited building plan review and agree to pay all associated fees before permit issuance.
