

# Town of Loomis Construction & Demolition/Waste Management Summary Report (Post-construction)

Project Address: \_\_\_\_\_

Project Description: \_\_\_\_\_

Town of Loomis Permit Number(s): \_\_\_\_\_

## Instructions

- In the table below, list the total tons of each material type discarded from the project, including all demolition and construction material. Refer to the *Volume to Weight Conversion Estimator* if needed.
- Specify the percentage of each material type that was salvaged or reused, hauled to a facility for recycling, and hauled to a landfill for disposal. The percentages for each material type must total 100%.
- For each material type, list the hauler that hauled the material away from the project site. If the materials were self-hauled, list the facility where you hauled the material.
- Attach copies of all invoices and receipts from all haulers. For materials that were self-hauled, attach copies of all weight tags and receipts from all facilities that received materials from the project.

Material Type	Total Tons Discarded	% Salvaged or Reused	% Recycled	% Landfill Disposal	Hauler or Facility  Enter hauler name or if self-hauling, enter name of destination facility.
Asphalt					
Brick, masonry, tile					
Building materials: doors, windows, cabinets, fixtures, etc.

\_\_\_\_\_The information in the table above is correct and complete to the best of my knowledge.

\_\_\_\_\_The invoices, receipts, and weight tags (if applicable) attached to this form are true and correct copies of all documents related to hauling and disposing of construction and demolition material from this project.

\_\_\_\_\_I understand that providing false or incomplete information on this form will result in delays for my final inspection and/or certificate of occupancy.

\_\_\_\_\_I understand that I may be contacted by Town of Loomis staff and/or consultants contracted by the Town of Loomis to clarify or verify the information provided on this form and the attached documentation.
