PUBLIC HEARING:

10. **URGENCY ORDINANCE – NEEDLE EXCHANGE AND DISTRIBUTION PROGRAM**

In July of 2023, an application for a needle exchange and distribution program, also known as a syringe services program, was submitted by Safer Alternatives through Networking & Education (SANE) to the California Department of Public Health (CDPH). SANE estimates that it will distribute 200,000 syringes annually to the southwest portion of Placer County between Lincoln and Auburn, including the cities of Lincoln, Auburn, Loomis, Rocklin and Roseville.

The proposed urgency ordinance would prohibit the establishment, operation, use and/or participation in syringe services programs within the unincorporated portion of the County for forty-five days, until October 27, 2023. The prohibition would also provide additional time for the Town to monitor jurisdictions in California that permit and regulate syringe services programs for regulatory best practices and improvements in business practices. Staff anticipates bringing back a permanent ordinance at the Council's October meeting.

RECOMMENDED ACTION

1. Adopt an urgency ordinance prohibiting the establishment, operation, use, and/or participation in needle exchange or distribution programs within the Town of Loomis.
2. Determine that the proposed action is exempt from the California Environmental Quality Act pursuant to CEQA Guidelines section 15061(b)(3) and is not a project pursuant to section 15378.

PUBLIC COMMENT

Maria Duncan: Spoke in support of the Ordinance

Deborah Grinder: Sent a letter to the council stating her support of the proposed ordinance

Councilmember Ring opened a discussion on the proposed Ordinance, asking for specifics on the proposed State ruling, and the parameters and limitations within our own Urgency Ordinance

Motion to approve the recommended action: Councilmember Cortez 2nd: Councilmember Youngblood

Ayes: Cortez, Youngblood, Knisley, Ring, Cartwright
