#### 12. **NEEDLE EXCHANGE AND DISTRIBUTION PROGRAM – URGENCY ORDINANCE**

An Ordinance of the Town Council of the Town of Loomis adopting Chapter 5.24 of the Municipal Code prohibiting the establishment, operation, use and/or participation needle exchange or distribution programs within the Town of Loomis.

At its meeting of September 12, the Town Council adopted Urgency Ordinance 23-293. The ordinance added Chapter 5.24 of the Loomis Municipal Code as an interim ban (until October 27<sup>th</sup>) on the establishment, operation, use and/or participation in needle exchange or distribution programs within the Town of Loomis. Staff recommends that the Town Council make Chapter 5.24 permanent.

The improper collection and disposal of used hypodermic needles and syringes presents an

imminent threat to the health, property, safety and welfare of the public. Syringe services programs that provide services near schools, parks and playgrounds have especially negative effects since they result in improper disposal of syringes and the congregation of persons addicted to drugs near schools, parks and playgrounds.

### **RECOMMENDED ACTION**

1. Adopt an urgency ordinance prohibiting the establishment, operation, use, and/or participation in needle exchange or distribution programs within the Town of Loomis.
2. Determine that the proposed action is exempt from the California Environmental Quality Act pursuant to CEQA Guidelines section 15061(b)(3) and is not a project pursuant to section 15378.
