New Business

Candy updated the LCC on solar lights and new Christmas banners which will be installed along McAdenville Road. Bill and Jeff Funderburk will install lights on poles, while the City Maintenance Department will hang the banners.

Candy suggested that we include more poles and banners along 1st street so that the decorations would extend up to the Community Center. After a brief discussion the LCC thought this may be a project to consider for next year.

The photos of past Mayors may need to be reframed, and photos of the most recent Mayors included, before they are rehanged in City Hall. Installation will occur after the holiday season.

Candy relayed that some residents had questions about the cost of the Senior Luncheons. Andrea shared that the sponsorship of these events covers some of the cost but not all, and thus a portion of the cost is passed on to the attendees.
