To: Gaston County Tax Mapping Department

Regarding: Birch Street

The City Attorney for the City of Lowell, Gaston County staff, and City of Lowell staff have researched the validity of a segment of Birch Street in the City of Lowell that passes through PID# 127730 and have determined that it was never in fact a legitimate public right of way. This matter was presented to the Lowell City Council for information purposes on January 12, 2021. Subsequently, we are requesting that Gaston County Tax Mapping Department update their records and those on the Gaston County GIS website to remove this portion of Birch Street.

Please let me know if you have any questions.

Regards,

Scott Attaway  
City Manager, City of Lowell
