Item No. 02

Requester: Finance Director Liz Exum

## Agenda Item Request

---

Conduct a Public Hearing to consider the tax rate for fiscal year 2024-2025.

## Background Information

---

At the August 15, 2024, City Council meeting, the Lucas City Council approved placing a public notice in the City's official newspaper, The Allen American, using a proposed tax rate of .239051 (\$0.184805 M&O and \$0.054246 Debt) per \$100 of valuation. The proposed rate is the highest possible rate that can be adopted. The City Council can adopt a rate that is lower than the published proposed rate but cannot exceed it.

This is the one required public hearing. Consideration and action by the City Council will occur in agenda item # 4 following the public hearing.

For reference, the tax calculations for the 2024-2025 tax year from the Collin County Tax Assessor-Collector are:

- The Voter-approval tax rate \$0.236910 (\$0.182664 M&O and \$0.054246 Debt)
- The No-new-revenue tax rate \$0.239051 (\$0.184805 M&O and \$0.054246 Debt)
- De Minimis tax rate \$0.250897 (\$0.196651 M&O and \$0.054246 Debt)

# NOTICE OF PUBLIC HEARING ON TAX RATE

A tax rate of \$0.239051 per \$100 valuation has been proposed by the governing body of City of Lucas.

PROPOSED TAX RATE	\$0.239051 per \$100
NO-NEW-REVENUE TAX RATE	\$0.239051 per \$100
VOTER-APPROVAL TAX RATE	\$0.236910 per \$100
DE MINIMIS RATE	\$0.250897 per \$100

The no-new-revenue tax rate is the tax rate for the 2024 tax year that will raise the same amount of property tax revenue for City of Lucas from the same properties in both the 2023 tax year and the 2024 tax year.

The voter-approval rate is the highest tax rate that City of Lucas may adopt without holding an election to seek voter approval of the rate, unless the de minimis rate for City of Lucas exceeds the voter-approval rate for City of Lucas.

The de minimis rate is the rate equal to the sum of the no-new-revenue maintenance and operations rate for City of Lucas, the rate that will raise \$500,000, and the current debt rate for City of Lucas.

The proposed tax rate is not greater than the no-new-revenue tax rate. This means that City of Lucas is not proposing to increase property taxes for the 2024 tax year.

A PUBLIC HEARING ON THE PROPOSED TAX RATE WILL BE HELD ON August 26, 2024 AT 3:05 PM AT City of Lucas City Hall, 665 Country Club Rd., Lucas, TX 75002.

The proposed tax rate is greater than the voter-approval tax rate but not greater than the de minimis rate and does not exceed the rate that allows voters to petition for an election under Section 26.075, Tax Code. If City of Lucas adopts the proposed tax rate, the City of Lucas is not required to hold an election so that voters may accept or reject the proposed tax rate and the qualified voters of the City of Lucas may not petition the City of Lucas to require an election to be held to determine whether to reduce the proposed tax rate.

YOUR TAXES OWED UNDER ANY OF THE RATES MENTIONED ABOVE CAN BE CALCULATED

## City Council Agenda Request

Item No. 03

Requester: Finance Director Liz Exum

#### **Agenda Item Request**

---

Consider adopting Ordinance 2024-08-01004 approving the budget for fiscal year beginning October 1, 2024, and ending September 30, 2025.

#### **Background Information**

---

Prior to this meeting, the City of Lucas followed public notice requirements, held a public hearing on August 15, 2024, where the proposed budget was considered, and interested taxpayers were given the opportunity to be heard by City Council.

The proposed budget was presented at the July 1, 2024 workshop and August 15, 2024, City Council meetings. This proposed budget is prepared using the certified assessed valuation from the Collin County Appraisal District and the proposed calculated No new revenue tax rate of \$0.239051. The proposed budget for fiscal year 2024-2025 shows excess revenue over expenditures in the amount of \$29,196 in the General Fund.

During the 2007 legislative session, House Bill 3195 was passed amending Section 102.007 of the Local Government Code. Subsection C was added to state that the adoption of a budget that requires raising more revenue from property taxes than in the previous year requires a separate vote of the governing body to ratify the property tax increase reflected in the budget. A vote under this subsection is in addition to, and separate from, the vote to adopt the budget or vote to set the tax rate as required by Chapter 26 of the Tax Code.

## Taxing Units Other Than School Districts or Water Districts

Form 50-856

City of Lucas

972-727-8999

Taxing Unit Name

Phone (area code and number)

665 Country Club Road, Lucas, TX 75002

<https://lucastexas.us>

Taxing Unit's Address, City, State, ZIP Code

Taxing Unit's Website Address

**GENERAL INFORMATION:** Tax Code Section 26.04(c) requires an officer or employee designated by the governing body to calculate the no-new-revenue (NNR) tax rate and voter-approval tax rate for the taxing unit. These tax rates are expressed in dollars per \$100 of taxable value calculated. The calculation process starts after the chief appraiser delivers to the taxing unit the certified appraisal roll and the estimated values of properties under protest. The designated officer or employee shall certify that the officer or employee has accurately calculated the tax rates and used values shown for the certified appraisal roll or certified estimate. The officer or employee submits the rates to the governing body by Aug. 7 or as soon thereafter as practicable.

School districts do not use this form, but instead use Comptroller Form 50-859 *Tax Rate Calculation Worksheet, School District without Chapter 313 Agreements* or Comptroller Form 50-884 *Tax Rate Calculation Worksheet, School District with Chapter 313 Agreements*.

Water districts as defined under Water Code Section 49.001(1) do not use this form, but instead use Comptroller Form 50-858 *Water District Voter-Approval Tax Rate Worksheet for Low Tax Rate and Developing Districts* or Comptroller Form 50-860 *Developed Water District Voter-Approval Tax Rate Worksheet*.

The Comptroller's office provides this worksheet to assist taxing units in determining tax rates. The information provided in this worksheet is offered as technical assistance and not legal advice. Taxing units should consult legal counsel for interpretations of law regarding tax rate preparation and adoption.

### SECTION 1: No-New-Revenue Tax Rate

The NNR tax rate enables the public to evaluate the relationship between taxes for the prior year and for the current year based on a tax rate that would produce the same amount of taxes (no new taxes) if applied to the same properties that are taxed in both years. When appraisal values increase, the NNR tax rate should decrease.

The NNR tax rate for a county is the sum of the NNR tax rates calculated for each type of tax the county levies.

While uncommon, it is possible for a taxing unit to provide an exemption for only maintenance and operations taxes. In this case, the taxing unit will need to calculate the NNR tax rate separately for the maintenance and operations tax and the debt tax, then add the two components together.

1.	<b>Prior year total taxable value.</b> Enter the amount of the prior year taxable value on the prior year tax roll today. Exclude any property value subject to an appeal under Chapter 42 as of July 25 (will add undisputed value in Line 6). ## SECTION 2: Voter-Approval Tax Rate

The voter-approval tax rate is the highest tax rate that a taxing unit may adopt without holding an election to seek voter approval of the rate. The voter-approval tax rate is split into two separate rates:

- Maintenance and Operations (M&O) Tax Rate:** The M&O portion is the tax rate that is needed to raise the same amount of taxes that the taxing unit levied in the prior year plus the applicable percentage allowed by law. This rate accounts for such things as salaries, utilities and day-to-day operations.
- Debt Rate:** The debt rate includes the debt service necessary to pay the taxing unit's debt payments in the coming year. This rate accounts for principal and interest on bonds and other debt secured by property tax revenue.

The voter-approval tax rate for a county is the sum of the voter-approval tax rates calculated for each type of tax the county levies. In most cases the voter-approval tax rate exceeds the no-new-revenue tax rate, but occasionally decreases in a taxing unit's debt service will cause the NNR tax rate to be higher than the voter-approval tax rate.

### SECTION 5: Voter-Approval Tax Rate Adjustment for Unused Increment Rate

The unused increment rate is the rate equal to the sum of the prior 3 years Foregone Revenue Amounts divided by the current taxable value. <sup>39</sup> The Foregone Revenue Amount for each year is equal to that year's adopted tax rate subtracted from that year's voter-approval tax rate adjusted to remove the unused increment rate multiplied by that year's current total value. <sup>40</sup> In a year where a taxing unit adopts a rate by applying any portion of the unused increment rate, the portion of the unused increment rate that was used must be backed out of the calculation for that year.

The difference between the adopted tax rate and adjusted voter-approval tax rate is considered zero in the following scenarios:

- a tax year in which a taxing unit affected by a disaster declaration calculates the tax rate under Tax Code Section 26.042; <sup>41</sup>
- a tax year in which the municipality is a defunding municipality, as defined by Tax Code Section 26.0501(a); <sup>42</sup> or
- after Jan. 1, 2022, a tax year in which the comptroller determines that the county implemented a budget reduction or reallocation described by Local Government Code Section 120.002(a) without the required voter approval. <sup>43</sup>

Individual components can be negative, but the overall rate will be the greater of zero or the calculated rate.

This section should only be completed by a taxing unit that does not meet the definition of a special taxing unit. <sup>44</sup>

**SECTION 6: De Minimis Rate**

The de minimis rate is the rate equal to the sum of the no-new-revenue maintenance and operations rate, the rate that will raise \$500,000, and the current debt rate for a taxing unit.<sup>44</sup>

This section should only be completed by a taxing unit that is a municipality of less than 30,000 or a taxing unit that does not meet the definition of a special taxing unit.<sup>45</sup>

**SECTION 7: Voter-Approval Tax Rate Adjustment for Emergency Revenue Rate**

In the tax year after the end of the disaster calculation time period detailed in Tax Code Section 26.042(a), a taxing unit that calculated its voter-approval tax rate in the manner provided for a special taxing unit due to a disaster must calculate its emergency revenue rate and reduce its voter-approval tax rate for that year.<sup>46</sup>

Similarly, if a taxing unit adopted a tax rate that exceeded its voter-approval tax rate, calculated normally, without holding an election to respond to a disaster, as allowed by Tax Code Section 26.042(d), in the prior year, it must also reduce its voter-approval tax rate for the current tax year.<sup>49</sup>

This section will apply to a taxing unit other than a special taxing unit that:

- directed the designated officer or employee to calculate the voter-approval tax rate of the taxing unit in the manner provided for a special taxing unit in the prior year; and
- the current year is the first tax year in which the total taxable value of property taxable by the taxing unit as shown on the appraisal roll for the taxing unit submitted by the assessor for the taxing unit to the governing body exceeds the total taxable value of property taxable by the taxing unit on January 1 of the tax year in which the disaster occurred or the disaster occurred four years ago. This section will apply to a taxing unit in a disaster area that adopted a tax rate greater than its voter-approval tax rate without holding an election in the prior year.

Note: This section does not apply if a taxing unit is continuing to calculate its voter-approval tax rate in the manner provided for a special taxing unit because it is still within the disaster calculation time period detailed in Tax Code Section 26.042(a) because it has not met the conditions in Tax Code Section 26.042(a)(1) or (2).
