Council Agenda Request

December 1, 2016

Item No. 05

Requester: City Council, City Secretary

Agenda Item:

Consider appointments and reappointments to the following Boards/Commissions for two year terms beginning January 1, 2017 through December 31, 2019

- A. Planning and Zoning Commission
- B. Board of Adjustment
- C. Parks and Open Space Board
- D. Consider removal of a Parks Board member, Valerie Turnbow
- E. Next steps for recruitment of Board Volunteer applicants

Background Information:

The City began its recruitment process in August and has received two applications to date. The following outlines board/commission vacant positions and positions with terms expiring.

A. Planning and Zoning Commission: Liaison – Mayor Jim Olk

4 positions with expiring terms:

- *2 positions would like to be considered for reappointment*
- *1 position vacant*
- *1 position resigned, but would like to be considered for Board of Adjustment*

There is currently one vacant regular member position and one alternate member position. Promotion of the existing alternate member to a regular member position would leave two vacant alternate member positions available to fill.

Parks and Open Space Board member, Chris Vanhorn has requested to be placed on the Planning and Zoning Commission. This would leave a vacant position on the Parks Board.

B. Board of Adjustment: Liaison – Mayor Pro Tem Peele

3 positions with expiring terms:

- *1 position vacant*
- *1 position would like to be considered for reappointment*
- *1 position has requested to resign due to heavy travel schedule, but would remain in position if needed*

There is currently a vacant regular member position, where an alternate member could be promoted, leaving a vacant alternate position to fill.

Planning and Zoning Commission member, Brian Blythe is resigning from the Commission, but has requested to be placed on the Board of Adjustment.

Council Agenda Request

December 1, 2016

C. Parks and Open Space Board: Liaison – Councilmember Tim Baney

3 positions with expiring terms:

- *All three positions would like to be considered for reappointment*
- *1 position would also like to be considered for the Planning and Zoning Commission*

All three positions would like to be considered for reappointment; however, one member has expressed they would like to be considered for the open position on the Planning and Zoning Commission. Should a change in position occur, an alternate Parks Board member could be promoted to a regular member position. This would then leave a vacant alternate member position to fill.

D. Consider removal of a Parks Board member

Parks Board Member Valerie Turnbow has been absent five of the last seven Parks and Open Space Board meetings. During this time, no communication has been made by Ms. Turnbow to contact the City regarding her absenteeism.

The City's Code of Ordinances, Section 1.09.032, Removal of members; filing of vacancies, states that members of the Parks and Open Space Board may be removed at any time by a majority vote of the City Council with or without cause. Any vacancy in the board shall be filled by the City Council for the unexpired term of the member whose place has become vacant.

An appointment chart is attached that outlines each position and their desire to serve as well as attendance records and board volunteer applications that were sent under separate attachment.

E. Next steps for recruitment of Board Volunteer applicants

To facilitate the recruitment of board volunteer applicants, the City has:

- Placed information on website
- Advertised at Founders Day
- Placed articles in the Lucas Leader

Staff is seeking City Council guidance on future recruitment efforts.

Citizen Summary:

The City of Lucas has various boards/committees/commissions that each serve a purpose in the City's vision and goals. Board members are appointed by the City Council and each year applications are accepted to serve on one of the City's various boards. While, the appointment process takes place in October each year, applications can be made at any time throughout the year.

City of Lucas Council Agenda Request December 1, 2016

Requester: Public Works Director/City Engineer Stanton Foerster

Agenda Item:

Consider a variety of transportation survey questions and decide which to be posed to the citizens of the City of Lucas and provide guidance to staff on how to administer the transportation survey, prior to the Town Hall meeting on January 26, 2017.

Background Information:

In 2014, the City Council adopted a new Master Thoroughfare Plan. While the City of Lucas is responsible for managing the roadways within the city limits, there is a need for coordination and consideration regarding other governmental agencies: Texas Department of Transportation, Collin County, neighboring cities and towns, and development. All of these interests are changing and evolving.

In preparation for the upcoming town hall meeting, the City Council is reviewing and compiling possible questions to be considered as part of the transportation survey regarding future transportation needs and planning directions.

Citizen Summary:

After the survey questions are developed, the City Council will decide how to administer the transportation survey.

City Council Agenda Request

December 1, 2016

Item No. 08

Requester: Development Services Director Joe Hilbourn

Agenda Item:

Public Hearing to consider the request by James Roberts on behalf of Goose Real Estate Inc. for a zoning change from AO to R-2 for a parcel of land located at the east dead end of East Winningkoff Road and being part of the Thomas D. James Survey, Abstract No. 477, and an approximate 58.644 acre tract of land, and adopting Ordinance 2016-11-00846.

- A. Presentation by Development Services Director Joe Hilbourn
- B. Conduct Public Hearing
- C. Take action regarding proposed zoning change

Background Information:

This parcel of land is 58.6 +/- acres of land. This property will be brought back as a planned development at the December Planning and Zoning Commission meeting. The developer is proposing 17 lots with an average density of over 3 acres per lot. This request complies with the City's approved Comprehensive Plan.

Citizen Summary:

This first step in the development process is for a parcel of land to be zoned. The requested zoning should match the City's approved Comprehensive Plan. If the zoning does not match the Comprehensive Plan, a zoning change request goes before the Planning and Zoning Commission for consideration. Should the request in zoning be approved, the Comprehensive Plan is updated. The next step for this particular request is to create a planned development. A planned development is required to have an underlying zoning, in this case R-2, then the district requirements must be drawn up and adopted in the form of an ordinance. This type of development gives the City and Developer more flexibility in creating a development. Once the planned development has been created, a preliminary plat will be filed, then construction of the site, and then final plat when all improvements are complete.
