Item No. 05

Requester: City Secretary Stacy Henderson

Agenda Item:

Discuss the City of Lucas participating in the Estate Life Lucas Magazine and possible content to be included should participation take place.

Background Information:

The City was contacted by the editor of Estate Life Magazine who currently publishes “Estate Life Fairview” to inform the City that they soon would be publishing a magazine for “Estate Life Lucas” to be coming out in August/September of this year. This is a monthly magazine that focuses on the community and people of its community. The editor extended an opportunity to the City to expand on our existing newsletter and include articles of interest in their magazine.

There is no charge for the inclusion of articles and any article content submitted by the City would not be edited by the magazine; however, design associated with the article would be chosen by the magazine to blend with their current layout.

Hard copies of Estate Life will be distributed separately before the meeting, and a draft mock-up of the cover of Estate Life Lucas has been included as part of the packet. Staff is looking for direction regarding participation in Estate Life Lucas.

City of Lucas Council Agenda Request June 1, 2017

Requester: Jeff Snowden – Capex Consulting Group

Agenda Item:

Discuss the Capex Consulting Group Water and Wastewater Rate Study and Five Year Financial Plan and set date for the public hearing.

Background Information:

Staff contracted with Capex Consulting Group to complete an updated water and wastewater rate study for Fiscal Year 2017-2018 and for a forecast period of five years. The purpose of this study will be to design and implement a rate plan that will enable the water fund to meet operating and capital expenditure requirements for a five year period beginning in Fiscal Year 2017-2018. This study will also include the 2017 debt issuance to fund needed system capital improvements. The rate assigned to each customer class must be just and reasonable and must reflect national and industry standards for utility ratemaking. Preliminary results were presented at the April 20, 2017 City Council meeting and staff was given the following direction:

- Increase the residential water rate structure by five percent.
- Increase the commercial water and wastewater rate structure by ten percent.
- Maintain the current rate structure of 1.5 minimum usage for out of city customers.

Section 10.03, Regulation of Rates in the City of Lucas Home Rule Charter, calls for a public hearing for consideration of any change to rates. The following dates are listed below for needed time requirements:

- | | |
|--|---------------|
| • Water and Wastewater Rate Study and Five Year Financial Plan | June 1, 2017 |
| • Place newspaper ad in Allen American | June 8, 2017 |
| • Hold public hearing for adjusting Water and Wastewater Rates | June 15, 2017 |
| • Adopt Ordinance for Water and Wastewater Rates | July 6, 2017 |

Water and Wastewater Rate Study Objectives

- **Review operating history, debt obligations, and prepare forecasts**
 - Review billing system data and confirm implementation of previous rate recommendations and customer classes
 - Evaluate existing and proposed debt
- **Evaluate current rate structure**
 - Does each customer class contribute an equitable share of revenue based on demand?
 - Are revenues generated at appropriate levels of consumption for each customer class
 - Do rates generate revenue sufficient to pay current and forecast operating and capital costs?
- **Develop and assist with implementation of an improved rate structure**
 - Eliminate cross customer-class subsidies
 - Reduce revenue declines related to weather events
 - Compare current & recommended rates to relevant peer group
 - Provide multi-year rate phase-in
 - Generate revenue sufficient to fund operating and capital costs in a variety of consumption scenarios

City Council Agenda Request

June 1, 2017

Item No. 07

Requester: Development Services Director Joe Hilbourn

Agenda Item:

Consider Ordinance 2017-06-00854 providing for annexation of a parcel of land located in the City of Lucas, Collin County, Texas, being a part of the John Gray Survey, Abstract Number 349, being a part of the George Gunnell Survey, Abstract No. 352, being a part of the Ann S. Hurt Survey, Abstract No. 428, being a part of the James Lovelady Survey, Abstract No. 538, being a part of the Lewis P. Turner Survey, Abstract No. 901, and being all of a called 78.944 acre tract of land described in a Special Warranty Deed to Mentone Partners, LLC, as recorded in Document Number 20151028001365820, of the Deed Records of Collin County, Texas more commonly known as Stinson Highlands Phase 3.

Background Information:

Stinson Highlands Phase 3 is currently not within the city limits. As part of an approved development agreement, Stinson Highlands agreed to a voluntary annexation. They have previously submitted their request for annexation within ten days of approval of their final plat. The property will eventually have two zones on it, R-1 on the southern lots and R-2 on the northern lots.

This parcel has an approved development agreement that includes a time frame for annexation. Stinson Highlands Phase 3 has supplied a voluntary annexation form as requested. This subdivision already has an approved preliminary plat, final plat and construction plans. Site development is complete. The parcel in question is continuous, meets the requirements for annexation, owners have been verified, and taxes are up to date.

Annexation requirements include holding two public hearings before any formal action can be taken. The first public hearing was held on May 4, 2017, with the second public hearing being held on May 18, 2017.

Attachments/Supporting Documentation:

1. Ordinance
2. Public notice
3. Legal Description
4. Depiction
5. Copy of petition for annexation
6. Location Map

City of Lucas City Council Agenda Request June 1, 2017

**CITY OF LUCAS, TEXAS
SERVICE PLAN FOR ANNEXED AREA**

ANNEXATION SERVICE PLAN FOR THE CITY OF LUCAS, TEXAS

For the territory consisting of a 78.944-acre tract of land, more or less, and which is more particularly described and identified in Exhibit “A” attached hereto.

FOR SERVICES EFFECTIVE IMMEDIATELY AFTER DATE OF ANNEXATION

1. POLICE PROTECTION

The City of Lucas, Texas will provide police protection to the newly annexed tract at the same or similar level now being provided to other areas of the City of Lucas, Texas with similar topography, land use and population within the newly annexed area.

2. FIRE PROTECTION AND AMBULANCE SERVICE

The City of Lucas, Texas will provide fire protection to the newly annexed tract at the same or similar level of service now being provided to other areas of the City of Lucas, Texas, with similar topography, land use and population with the City. Ambulance service will be provided to the newly annexed tract at the same or similar level of service now being provided to other areas of the City of Lucas, Texas, with similar topography, land use and population with the City.

3. SOLID WASTE COLLECTION

The City of Lucas, Texas will provide residential solid waste collection to the newly annexed tract at the same or similar level now being provided to other areas of the City of Lucas, Texas with similar topography, land use and population within the newly annexed area.

4. WATER FACILITIES

Maintenance of any public water facilities in the area to be annexed that are not in the service area of another water utility will begin upon the effective date of the annexation using existing personnel and equipment.

5. MAINTENANCE OF ROADS AND STREETS

Any and all roads, streets or alleyways which have been dedicated to the City of Lucas, Texas, shall be maintained to the same degree and extent that other roads, streets and alleyways are maintained in areas with similar topography, land use and population density. Any and all lighting of roads, streets and alleyways which may be positioned in a right-of-way, roadway or utility

company easement shall be maintained by the applicable utility company servicing the City of Lucas, Texas, pursuant to the rules, regulations and fees of such utility.

6. MAINTENANCE OF PARKS, PLAYGROUNDS AND SWIMMING POOLS

The City Council of the City of Lucas, Texas, is not aware of the existence of any parks, playgrounds or swimming pools now located in the area proposed for annexation. Any existing private parks, playgrounds, swimming pools and other recreational and community facilities within the annexation area will be unaffected by the annexation.

7. MAINTENANCE OF PUBLICLY OWNED FACILITY, BUILDING OR MUNICIPAL SERVICE

The City Council of the City of Lucas, Texas, is not aware of the existence of any publicly owned facility, building or other municipal service now located in the area proposed for annexation. In the event any such publicly owned facility, building or municipal service does exist and are public facilities, the City of Lucas, Texas, will maintain such areas to the same extent and degree that it maintains publicly owned facilities, buildings or municipal services of the City now incorporated in the City of Lucas, Texas.

CONSTRUCTION OF ANY CAPITAL IMPROVEMENTS

1. POLICE PROTECTION, FIRE PROTECTION AND SOLID WASTE COLLECTION

The Council of the City of Lucas, Texas finds and determines it to be unnecessary to acquire or construct any capital improvement for the purposes of providing police protection, fire protection or solid waste collection. The City Council finds and determines that it has at the present time adequate facilities to provide the same type, kind and level of protection and service which is presently being administered to other areas already incorporated in the City of Lucas, Texas, with the same or similar topography, land use and population density.

2. WATER AND WASTE WATER FACILITIES

The City Council of the City of Lucas, Texas, finds and determines it to be unnecessary to construct any additional capital improvements for the purpose of providing water and waste water services. The City Council finds and determines that it has, at the present time, adequate facilities to provide the same type, kind and level of service which is presently being administered to other parts of Lucas, Texas, with the same topography, land use and population density.

3. ROADS AND STREETS

Maintenance of properly dedicated roads and streets will be consistent with the maintenance provided by the City to other roads and streets will be consistent with the maintenance provided by the City to other roads and streets in areas of similar topography, land use and sub-development

of the annexed property, the developers will be required pursuant to the ordinances of the City of Lucas, Texas, to provide internal and peripheral streets and to construct those streets in accordance with the specifications required by the City of Lucas, Texas, for the properly dedicated street.

4. CAPITAL IMPROVEMENTS

Notwithstanding any other provision of this service plan, a landowner within the newly annexed area will not be required to fund capital improvements necessary to provide municipal services in a manner inconsistent with Chapter 395 of the Local Government Code, unless otherwise agreed to by the landowner.

SPECIFIC FINDINGS

The City Council of the City of Lucas, Texas finds and determines that this proposed Service Plan will not provide any fewer services, and it will not provide a lower level of service in the area proposed to be annexed than were in existence in the proposed area at the time immediately preceding the annexation process.

Because of the differing characteristics of topography, land utilization and population density, the service levels which may ultimately be provided in the newly annexed area may differ somewhat from services provided in other areas of the City of Lucas, Texas. These differences are specifically dictated because of differing characteristics of the property and the City of Lucas, Texas will undertake to perform consistent with this contract so as to provide the newly annexed area with the same type, kind and quality of service presently enjoyed by the citizens of the City of Lucas, Texas who reside in areas of similar topography, land utilization and population.

OWNER'S DEDICATION

STATE OF TEXAS §
COUNTY OF COLLIN §
CITY OF LUCAS §

NOW THEREFORE, KNOW ALL MEN BY THESE PRESENTS: That MENTONE PARTNERS, LLC, do hereby bind themselves and their heirs, assignees and successors of title this plat designating the heretofore described property as STINSON HIGHLANDS, PHASE 3, an addition to the City of Lucas, and do hereby dedicate to the City of Lucas for its use forever the streets, alleys, and right-of-way easements shown thereon, and do hereby reserve the easement strips shown on this plat for the mutual use and accommodation of garbage collection agencies and all public utilities desiring to use or using same. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other improvements or growths that in any way endanger or interfere with the construction, maintenance or efficiency of its respective systems on any of these easement strips, and any public utility shall at all times have the right of ingress and egress to and from and upon the said easement strips for the purpose of constructing, reconstructing, inspecting, patrolling, without the necessity at any time of procuring the permission of anyone. Additionally, MENTONE PARTNERS, LLC, are the sole owners of the dedicated property and that no other's interest is attached to this property unless otherwise indicated on the required Mortgage Holder Certification that is included on this plat. Furthermore, as the owner of the property described herein, and in consideration of establishing the subdivision described herein, MENTONE PARTNERS, LLC, agree to the following:
*Every owner of fee simple title to every individual lot within the subdivision shall be a member of the homeowners' association;
*The homeowners' association shall have the authority to collect membership fees;
*As applicable as it pertains to conditions shown herein, the homeowners' association shall be responsible for the maintenance of all common areas, screening walls, landscaped areas, private streets and alleys.
*The homeowners' association shall grant the City the right of access to any areas to abate any nuisances on such areas, and attach a lien upon each individual lot for the prorated costs of abatement.
*The homeowners' association shall indemnify and hold the City harmless from any and all costs, expenses, suits, demands, liabilities, damages, or otherwise, including attorney fees and costs of suit, in connection with the City's maintenance of common areas.
*The homeowners' association shall, where additional rights-of-way has been dedicated for the purpose of providing landscaping, additional areas for sidewalks, walls or other amenities, enter into a license agreement with the City and shall be responsible for the installation and maintenance of all landscape areas in the public rights-of-way.
*The homeowners' association is to maintain rights-of-way including Drainage and Utility easements to the edge of pavement.
*The homeowners' association is to maintain street lights.
*The homeowners' association is to maintain entry features and screening fences.
*Wrought iron fences will be allowed to be constructed within drainage easements.
*The HOA is responsible for maintaining all drainage and utility easements including detention and retention ponds within the sub-division in case of HOA failure, the property owner will maintain all drainage and utility easements on their property including detention and retention ponds. Any alteration to a drainage easement, detention/retention pond, or utility easement requires prior approval from the City of Lucas.

This plat approved subject to all platting ordinances, rules, regulations and resolutions of the City of Lucas, Texas.

ON-SITE SEWAGE FACILITY NOTE:

All lots must utilize alternative type On-Site Sewage Facilities. Presence of fractured rock and gravel throughout the subdivision may further limit the type of alternative type On-Site Sewage Facilities to Aerobic Treatment with Surface Application on individual lots and may interfere with tank placement.
Lots 8A is a common area/open space lot that will not be used for residential construction and/or OSSF. Any common area construction on Lot 8A including OSSF must be designed and permitted separately and according to the usage of the property.
Must maintain state-mandated setback of all On-Site Sewage Facility components from any/all easements and drainage areas, water distribution lines, sharp breaks and/or creeks/rivers/ponds, etc. (Per State regulations).
Due to the presence of a creek/drainage area on portions of lots 9, 10, 11, 12, 13, 14, 15, 16, 17 and 18, no surface improvements, impervious cover, outbuildings, swimming pools, etc. on lots 1, 2 or 3 without pre-construction planning meeting with Registered Sanitarian/Professional Engineer and Collin County Development Services. NOTE: Maximum dwelling size/number of bedrooms might be limited on these lots.
A portion of lots 9, 10, 11, 12, 13, 14, 15, 16, 17 and 18 is located within the 100-year flood plain:
Any OSSF that is located within the 100-year flood plain is subject to special planning requirements.
All electrical/mechanical appurtenances located within the 100-year flood plain must be elevated at least 2' above base flood elevation.
Certificate of elevation establishing base flood elevation and proving that the finished floor will be at least 2' above base flood elevation must accompany any permit application for a OSSF with electrical/mechanical components that is proposed to be located within the curvilinear line of the 100-year flood plain.
Tree removal and/or grading for OSSF may be required on individual lots.
Individual site evaluations and OSSF design plans (meeting all State and County requirements) must be submitted to and approved by Collin County for each lot prior to construction of any OSSF system.
There are no water wells noted in this subdivision and no water wells are allowed without prior approval from Collin County Development Services.

HEALTH DEPARTMENT CERTIFICATION:

I hereby certify that the on-site sewage facilities described on this plat conform to the applicable OSSF laws of the State of Texas, that site evaluations have been submitted representing the site conditions in the area in which on-site sewage facilities are planned to be used.

City of Lucas City Council Agenda Request June 1, 2017

Item No. 09

Requester: Public Works Director/City Engineer Stanton Foerster

Agenda Item:

Consider authorizing the City Manager to enter into a construction contract with Reynolds Asphalt Construction for the West Lucas Road Widening and Overlay Project (Bid 009-17) to reconstruct and repair the roadway pavement from Country Club Road to Angel Parkway in an amount not to exceed \$1,172,779.50 from account 21-8210-302 plus a 25% contingency of \$293,195.00 from account 11-8209-301.

Background Information:

After advertising for two consecutive weeks in the newspaper, staff received three sealed bids for this project on May 4, 2017. The bids were tabulated and reviewed by BW2 Engineers, and on May 19, 2017, a letter of recommendation was received from BW2 regarding Reynolds Asphalt Construction.

Attachments/Supporting Documentation:

1. BW2 Letter
2. Bid Tabulations

Budget/Financial Impact:

The widening portion of the project is funded by the Regional Toll Revenues received through Collin County and approved the Regional Transportation Council.

Balance in Account 21-8210-302	\$1,394,677.00
Contract Amount	(\$1,172,779.50)
Total	\$221,897.50

The repair portion of the project is funded by the City of Lucas yearly roadway maintenance funds.

Balance in Account 11-8209-301	\$741,150
Contingency Amount	(\$293,195)
Total	\$447,955

The exact combination of funds is not known at this time. Based on field conditions, staff will determine if an area is to be repaired or widened. Staff may need to request adjustments to the funding at a later date.

City of Lucas City Council Agenda Request June 1, 2017

Recommendation:

City Staff recommends authorizing the City Manager to enter into a construction contract with Reynolds Asphalt Construction for the West Lucas Road Widening and Overlay Project (Bid 009-17).

Motion:

I make a motion to authorize the City Manager to enter into a construction contract with Reynolds Asphalt Construction for the West Lucas Road Widening and Overlay Project (Bid 009-17) to reconstruct and repair the roadway pavement from Country Club Road to Angel Parkway in an amount not to exceed \$1,172,779.50 from account 21-8210-302 plus a 25% contingency of \$293,195.00 from account 11-8209-301.

Mr. Stanton Foerster, P.E.
Public Works Director/City Engineer
City of Lucas
665 Country Club Road
Lucas, Texas 75002

Dear Stanton:

On Thursday, May 4, 2017, bids were received for the West Lucas Road Improvement project. Bids were received from three contractors. Several good bids for the project were received. Two of the bids were extremely good bids. It appears that the two low bidders were very aggressive in pursuing the project. Attached is a copy of the Bid Tabulation for the project showing the three bids received. Reynolds Asphalt and Construction was the low bidder for the project in the amount of \$807,802.00 for the base bid and \$364,977.50 for Alternate Bid No. 1.

Reynolds Asphalt Construction has been performing asphalt roadway construction projects in the Dallas-Ft. Worth area for many years and has the equipment and resources needed to complete the West Lucas Road Improvement project. They have an extensive history in this area for successfully completing these types of projects.

Based on the fact that they have the experienced personnel and the equipment to construct the project, it is recommended that the West Lucas Road Improvement project be awarded to Reynolds Asphalt Construction.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Jim F. Waldbauer', is written over the typed name.

City Council Agenda Request

June 1, 2017

Requester: Public Works Director/City Engineer Stanton Foerster

Agenda Item:

Consider giving direction to the City Manager 1) to reserve funds for Orr Road and White Rock Trail projects; 2) to make repairs to various roadways; and 3) enter into a contract with APAC/Oldcastle in an amount not to exceed \$200,000 for said roadways as part of the Street Maintenance for Summer 2017.

Background Information:

Maintenance is needed on the following roadways:

- Blondy Jhune Road – 1,000 feet east of the west bridge project. From the west bridge to Winningkoff Road is one of the Neighborhood Connector Projects.
- Brookdale Park Road – 5,000 feet. There is some County and Hillwood funds available for this project.
- Daytona Avenue connects Trinity Park with E Lucas Rd (FM 3286) – 700 feet
- Fairbrook Circle – 1,700 feet
- Forest Grove Road – 4,000 feet east end
- Horseman Drive – 1,400 feet
- Lewis Lane – 3,700 feet
- Lynn Lane – 1,700 feet
- Orr Road – 330 feet. The County estimates our share to be \$4,500 for half of the materials for the 330-foot concrete section.
- Osage Lane – 2,800 feet
- Skyview Drive – 1,000 feet
- Snider Lane – 5,000 feet. This should wait until Lakeview Downs subdivision is completed.
- Stinson Road – 6,000 feet north of the bridge. The south end is one of the Neighborhood Connector Projects.
- W. Lucas Road – From Country Club Road to Angle Parkway is being repaired as part of the W. Lucas Road Widening Project.
- White Rock Trail – 1,400 feet of concrete
- Winningkoff Road – 3,800 feet (E. Lucas Road to the reverse curve) and 3,000 feet (Snider Lane to E. Winningkoff Road). The reverse curve to Snider Lane contains two of the Neighborhood Connector Projects.

City of Lucas Council Agenda Request June 1, 2017

Requester: City Attorney Joe Gorfida

Agenda Item:

Consider adopting Ordinance 2017-06-00855 amending Chapter 5, Fire Prevention and Protection of the City's Code of Ordinances by approving the liquified petroleum gas safety rules that have been adopted by the Texas Railroad Commission.

Background Information:

The purpose of adopting this ordinance is to clarify that the Texas Railroad Commission rules supersede any other ordinances adopted by the City. The City of Lucas, as well as other cities were named in a lawsuit, and as part of a Rule 11 Agreement, the City of Lucas agreed to adopt this ordinance to clarify that the Railroad Commission regulations take precedent over previously adopted City ordinances.

This ordinance has been reviewed and approved by the City Attorney.

ORDINANCE 2017-06-00855
[AMENDING CODE OF ORDINANCES, SECTION 5.03
“FIRE CODE”]

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF LUCAS, COLLIN COUNTY, TEXAS, AMENDING THE LUCAS CODE OF ORDINANCES BY AMENDING CHAPTER 5 TITLED “FIRE PREVENTION & PROTECTION” BY ADDING A NEW ARTICLE 5.04 TITLED “LIQUEFIED PETROLEUM GAS” BY ADOPTING NEW LIQUEFIED PETROLEUM GAS SAFETY RULES, PREVIOUSLY ADOPTED BY THE TEXAS RAILROAD COMMISSION, INCLUDING ALL AMENDMENTS; BY RENUMBERING SECTION 5.05 TITLED “ACCUMULATIONS OF COMBUSTIBLE DEBRIS, WEEDS, GRASS OR BRUSH”; PROVIDING A REPEALING CLAUSE; PROVIDING A SEVERABILITY CLAUSE; PROVIDING A SAVINGS CLAUSE; PROVIDING A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS (\$2,000.00) FOR EACH OFFENSE; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, under Section 113.051 of the Natural Resources Code, the Legislature has mandated that the Texas Railroad Commission “...promulgate and adopt rules or standards or both relating to any and all aspects or phases of the LPG industry that will protect or tend to protect the health, welfare, and safety of the general public”; and

WHEREAS, the Texas Railroad Commission has adopted Liquefied Petroleum Gas Safety Rules; and

WHEREAS, under Section 113.054 of the Natural Resources Code, the Texas Railroad Commission’s rules and standards “...preempt and supersede any ordinance, order, or rule adopted by a political subdivision of this state relating to any aspect or phase of the liquefied petroleum gas industry”; and

WHEREAS, the Section 113.054 of the Natural Resources Code authorizes the City to petition the Railroad Commission’s executive director for “... permission to promulgate more restrictive rules and standards ... if the political subdivision can prove that the more restrictive rules and standards enhance public safety;” and

WHEREAS, the City has not petitioned the Railroad Commission’s executive director for permission to promulgate more restrictive rules and standards;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF LUCAS, COLLIN COUNTY, TEXAS, THAT:

Section 1. The Code of Ordinances of the City of Lucas, Texas, is hereby amended by amending Chapter 5 titled “Fire Prevention & Protection” by adding a new Article 5.04 titled “Liquefied Petroleum Gas” and by renumbering Section 5.05 titled “Accumulations of Combustible Debris, Weeds, Grass or Brush”, to read as follows:

“CHAPTER 5

FIRE PREVENTION & PROTECTION

...

ARTICLE 5.04 LIQUEFIED PETROLEUM GAS

Sec. 5.04.001 Adoption of Liquefied Petroleum Gas Safety Rules

The City of Lucas hereby adopts the Liquefied Petroleum Gas Safety Rules previously adopted by the Texas Railroad Commission, including any and all future amendments thereto.

Sec. 5.04.002 Exclusive regulation

The Liquefied Petroleum Gas Safety Rules adopted under section 5.04.001 and the rules and standards, if any, promulgated with the permission of the Texas Railroad Commission’s executive director shall be the City’s exclusive regulations for Liquefied Petroleum Gas.

Sec. 5.04.003 Construction of city codes

All ordinances, orders, rules, or codes adopted by the City of Lucas shall be construed in a manner consistent with article 5.04 on all matters relating to Liquefied Petroleum Gas.

Sec. 5.04.004 Conflict with city codes

In the event of conflict between any ordinance, order, rule, or code adopted by the City and article 5.04, article 5.04 shall control.

Sec. 5.04.005 Adoption of rules, regulations, policies, practices, procedures or standards

City staff shall not adopt or enforce any rule, regulation, practice, policy, procedure, or standard that conflicts with article 5.04.

Sec. 5.04.006 Construction consistent with Texas Railroad Commission

Article 5.04 shall not be construed so as to conflict with the Texas Railroad Commission’s interpretation of the Liquefied Petroleum Gas Safety Rules, including any and all future amendments thereto.

ARTICLE 5.05 ACCUMULATION OF COMBUSTIBLE DEBRIS, WEEDS, GRASS OR BRUSH

...”

Section 2. All ordinances of the City of Lucas in conflict with the provisions of this Ordinance shall be, and same are hereby, repealed, provided, however, that all other provisions of said Ordinances are not in conflict herewith shall remain in full force and effect.

Section 3. Should any word, sentence, paragraph, subdivision, clause, phrase or section of this Ordinance or of the City of Lucas Code of Ordinances, as amended hereby, be adjudged or held to be voided or unconstitutional, the same shall not affect the validity of the remaining portions of said Ordinances or the City of Lucas Code of Ordinances, as amended hereby, which shall remain in full force and effect.

Section 4. An offense committed before the effective date of the Ordinance is governed by prior law and the provisions of the City of Lucas Code of Ordinances in effect when the offense was committed and the former law is continued in effect for this purpose.

Section 5. Any person, firm or corporation violating any of the provisions or terms of this Ordinance shall be subject to the same penalty as provided for the in the City of Lucas Code of Ordinances, as amended, and upon conviction shall be punished by a fine not to exceed the sum of Two Thousand Dollars (\$2,000.00) for each offense, and each and every day such violation shall continue shall be deemed to constitute a separate offense.

Section 6. This Ordinance shall take effect immediately from and after its passage and publication in accordance with the provisions of the Charter of the City of Lucas, and it is accordingly so ordained.

City Council Agenda Request

June 1, 2017

Item No. 12

Requester: Public Works Director/City Engineer Stanton Foerster

Agenda Item:

Consider authorizing the City Manager to amend, per Article XVIII 18.5 of the existing Rise Broadband Communications Facilities License Agreement to add and remove specific pieces of equipment from the Agreement based on a fix fee of \$100 per piece of equipment as needed and discuss renewal of the upcoming Communications Facilities License Agreement in June 2017.

Background Information:

In June of 2016, the City of Lucas entered into a Communications Facilities License Agreement with SKYBEAM, LLC doing business as RISE BROADBAND for a period of one year. The agreement is for three water tower locations in Lucas at a rate of \$400 per water tower. Rise Broadband, per Article XVIII Miscellaneous, 18.5 Amendments, has requested additional equipment on one of the water towers, and they have offered to pay the City an additional \$100 changing the rent for the McGarity water tower from \$400 to \$500 per month.

Attachments/Supporting Documentation:

- a. Communications Facilities License Agreement
- b. Request from Rise Broadband

Budget/Financial Impact:

Additional revenue in account 11-4931 Rental Income in the amount of \$100 per month.

Recommendation:

NA

Motion:

I make a motion to authorize the City Manager to amend, per Article XVIII 18.5, the Rise Broadband Communications Facilities License Agreement to add and remove specific pieces of equipment from the Agreement based on a fix fee of \$100 per piece of equipment as needed.

EXHIBIT "A"

STATE OF TEXAS

**COMMUNICATIONS FACILITIES
LICENSE AGREEMENT**

COUNTY OF COLLIN

This Communications Facilities License Agreement ("Agreement") is made by and among the City of Lucas, Texas (the "City") and SKYBEAM, LLC d/b/a RISE BROADBAND ("Licensee") (collectively, the "Parties"), acting by and through their duly authorized representatives.

**Article I
Term**

The Term of this Agreement shall be one (1) year, commencing on the date this Agreement is signed by all parties (the "Commencement Date"), and terminating at Midnight on the last day of the twelfth full month following the Commencement Date.

**Article II
Premises**

The City is the owner of parcels of land and three (3) Water Towers known as (1) the McGarity Tower located at 2295 McGarity Lane; (2) the Winningkoff Tower located on East Winningkoff Road, 1440 east of Winningkoff Road; and (3) the Public Works Tower located at 325 W. Lucas Road (all collectively referred to as "Water Towers" and individually referred to as "Facility") located in the City of Lucas, Collin County, State of Texas, (the Water Towers and Land are collectively, the "Property" or the "Premises"). The Property is more particularly described in Exhibits "A" through "C," which are attached hereto and incorporated herein. The City hereby leases to Lessee, and Lessee hereby leases from the City, space on the Water Towers and all access and utility easements, if any, (collectively, the "Premises").

**Article III
Permitted Use**

The Premises may be used by Licensee only for permitted uses, which are (i) the transmission and reception of communications signals; (ii) the construction, alteration, maintenance, repair, replacement and relocation of related facilities, towers, antennas, equipment and buildings; and, (iii) activities related to any of the foregoing.

**Article IV
Rent**

Upon the Commencement Date, Licensee shall pay to the City, as rent, Four Hundred Dollars (\$400.00), per month ("Rent") per Facility. Rent shall be payable on the first day of the

month, in advance, to the City, at the following address: City of Lucas, Attention: City Manager, 665 Country Club Road, Lucas, Texas 75002-7651.

Article V
Improvements; Utilities; Access

(a) Licensee has the right to erect, maintain and operate on the Premises antennae facilities, including without limitation utility lines, transmission lines, electronic equipment, connecting cables and supporting equipment and structures thereto ("Licensee Facilities"), which facilities are depicted in the schematic or diagrams shown on the attached Exhibit "D." All of Licensee's construction and installation work shall be performed at Licensee's sole cost and expense and in a good and workmanlike manner. Title to the Licensee Facilities shall be held by Licensee. All of Licensee Facilities shall remain Licensee's personal property and are not fixtures. Licensee has the right to remove all Licensee Facilities at its sole expense on or before the expiration or earlier termination of the Agreement; provided Licensee repairs any damage to the Premises caused by such removal. Licensee shall not damage, injure or impair any facilities or equipment on the Towers and Premises in the erection, installation, construction or maintenance of Licensee's Facilities and shall indemnify, hold harmless and defend the City from any and all loss, damage or injury caused in whole or in part by Licensee or its agents, representatives or employees in this regard.

(b) Licensee, Licensee's employees, agents and subcontractors shall have access to the Premises with prior notice to the City twenty-four (24) hours a day, seven (7) days a week. If the City is contacted by Licensee after normal business hours of the City, the Licensee shall reimburse the City for the actual cost of any the City's personnel necessary for Licensee's access.

(c) The City shall maintain existing access roadways from the nearest public roadway to the Premises in a manner sufficient to allow pedestrian and vehicular access at all times under normal weather conditions. The City shall be responsible for maintaining and repairing such roadway, at its sole expense, except for any damage caused by Licensee's use of such roadways.

(d) The City reserves the right to perform maintenance on the Water Towers, both structural and cosmetic (paint), at whatever intervals as may be required to assure the integrity and longevity of the Water Towers. If maintenance work is required, the City agrees to provide Licensee with reasonable notice of not less than ninety (90) days prior to commencing such work to allow Licensee to remove any and all of Licensee's antennas and equipment as may be necessary provided the City makes best efforts to provide Licensee with sufficient notification of the intended work and the opportunity, at Licensee's cost and expense, to temporarily relocate and continue to operate its antennas and equipment, or otherwise to secure the antennas or the communication facilities generally, to protect them from damage and allow Licensee to continue to operate. Licensee will be permitted to install any type of temporary facility necessary to keep its Communication Facility operational. Further, any maintenance will be conducted by the City as diligently and expeditiously as possible. However, subject to the above, the City will not be responsible for system outages of up to thirty (30) days resulting from the City's need for unusually extensive maintenance and any inability of the City to accommodate a relocation of Licensee's antennas to keep them operational.

(e) The City reserves the right to require Licensee to relocate its Facilities to another location on the Water Towers. Licensee shall complete the relocation of its Facilities within thirty (30) days after written notice from the City. The relocation shall be at Licensee's expense, unless the City's relocation requirement results from the City's desire to lease space on the Water Towers to non-governmental third-party users. In that case, the third-party user shall be obligated to reimburse Licensee the reasonable relocation costs of Licensee.

Article VI Interference

(a) Licensee shall not interfere with the operation of (i) any radio equipment of the City presently situated on the Water Towers or the Property or (ii) equipment situated on the Water Towers or the Property by other operators of radio equipment at the Water Towers site which is employed in Permitted Uses, including water systems, and which are in existence on the Commencement Date of this Agreement ("Present Operators") ("Harmful Interference"). Licensee shall coordinate with the City and all Present Operators to insure that Licensee's frequencies and antenna locations will be compatible with those of the City and Present Operators.

(b) In addition, in the event the City desires to install new or additional radio communications equipment at the Water Towers site in the future, Licensee agrees to cooperate with the City in the remedying of any radio interference with said radio equipment, however, in no event shall Licensee be required to cease its activities or move its antennas or equipment on the Water Towers site or relocate the equipment shelter unless such interference is sufficient to disrupt police, fire, public works, any City communications or other emergency communications ("Emergency Interference").

(c) In the event there is Harmful Interference to said electronic equipment, Licensee will promptly take all steps necessary to identify the problem, and, if caused by Licensee's equipment, to take all reasonable steps to eliminate said Harmful Interference within ten (10) days after notice from the City or such other operator to Licensee advising of the Harmful Interference. If said Harmful Interference cannot be eliminated within thirty (30) days of notice thereof, Licensee agrees to suspend operations (transmissions) at the site while the Harmful Interference problems are studied and a means found to mitigate them. If said Harmful Interference cannot be eliminated, then Licensee shall, without penalty or further liability, terminate this Agreement upon immediate notice to the City and remove its equipment shelter and its Antenna Facilities, concrete pad, cables and any other Licensee owned equipment from the City's property.

(d) In the event there is Emergency Interference to said electronic equipment, Licensee shall immediately suspend operations (transmissions) at the Water Towers site and promptly take all steps necessary to identify the problem, and, if caused by Licensee's equipment, to take all such steps as are necessary to eliminate said Emergency Interference. If within sixty (60) days said Emergency Interference cannot be eliminated, then Licensee may, at

its sole election and without penalty or further liability, terminate this Agreement upon notice to the City and remove its equipment shelter and its Antenna Facilities from the Property.

(e) During the term of this Agreement and any extension thereof, the City shall from time to time lease additional space on the Water Towers site and on the Property and may grant to such licensees the same non-exclusive easements for access and utilities as are above granted to Licensee. Such licensees' intended use of the property leased to them may be similar or substantially the same as the above described use by Licensee. The City shall not be responsible to Licensee for the activities of any other such user as such may affect Licensee. However, the City shall cause all subsequent users of the Water Towers site to agree to a clause similar to this Article VII herein, promising to immediately eliminate interference if said user's equipment should interfere with that of Licensee, or any other user of the Water Towers site and providing that all then existing licensees and Present Operators on the Water Towers site and at the Premises are third-party beneficiaries of such agreement which may be enforced directly by Licensee and/or any other licensee or user. In the event any such interference does not cease promptly, the Parties acknowledge that continuing interference may cause irreparable injury to Licensee and, therefore, Licensee shall have the right, in addition to any other rights that it may have at law or in equity, to bring action against the interfering party to enjoin such interference. In the event Licensee and the interfering party fail to eliminate such interference, Licensee shall have the right to terminate this Agreement upon ten (10) days written notice to the City with no further obligation or liability between the City and Licensee.

(f) Licensee shall have the sole burden of, and be responsible for all costs associated with alleging and proving that another user, including city owned equipment of the Premises is causing significant interference, or for otherwise enforcing Licensee's rights under this Agreement. The City shall not be responsible for the costs associated with the resolution of any dispute between users of the Premises or enforcement of any of Licensee's rights under this Agreement.

Article VII Taxes

Licensee shall be responsible for and pay any taxes directly attributable to the Licensee Facilities or Licensee's use of the Property.

Article VIII Condition of Site

Licensee accepts the Premises as is, in its current condition, and the City makes no representations or warranties, and hereby disclaims any and all such representations or warranties, express or implied, of any kind or nature, with regard to the Facilities and the Premises. The City shall maintain the Premises in compliance with all applicable statutes, regulations and rules, and in a manner which will not interfere with Licensee's reasonable use of the site. Upon expiration, cancellation, or termination of this Agreement, the Licensee shall remove its equipment, antenna systems and structures from the Premises at Licensee's sole cost and expense. However, upon vacation of this site, Licensee shall surrender the Premises in substantially the same condition as received, except for ordinary wear and tear, as determined by the City. If, as determined by the

City, the Premises are not surrendered in satisfactory condition, the Licensee shall be liable to the City for an amount representing the actual cost to restore the Premises to substantially the same condition as received. In the event of Licensee's timely failure to remove its equipment, antenna systems, and structures, the City may do so at its expense and retain and sell any such equipment, antenna systems, and structures in compensation for any past due obligations. Licensee hereby grants and conveys a lien on all equipment, antenna systems and structures installed and used at the Premises for such purposes, enforceable without judicial intervention, perfected by written notice to Licensee to cure its default within ten (10) days of such notice. Any permanent improvements or fixtures installed on the Premises by Licensee shall become the property of the City upon the expiration of this Agreement.

Article IX Termination

(a) This Agreement may be terminated without further liability on thirty (30) days prior written notice as follows:

- (i) by either party upon a default of any covenant or term hereof by the other party, which default is not cured within sixty (60) days of receipt of written notice of default, provided that the grace period for any monetary default is twenty (20) business days from receipt of notice;
- (ii) by the Licensee if it is unable to obtain or maintain any license, permit, or other governmental approval necessary for the construction and/or operation of Licensee's Facilities;
- (iii) by City if the City decides in its sole discretion and for any reason, to redevelop the Premises and/or discontinue use of the Water Towers;
- (iv) by City if it determines, in its sole discretion and for any reason, that the Water Towers are structurally unsound or otherwise not suitable for Licensee's use, including but not limited to consideration of age of the structure, damage or destruction of all or part of the Water Towers from any source, or factor relating to condition of the Water Towers;
- (v) by City if it determines in its sole discretion that continued use of the Water Towers by Licensee is in fact a threat to health, safety or welfare or violates applicable laws or ordinances; or
- (vi) by City at its sole discretion if Licensee loses its license to provide service for any reason, including, but not limited to, nonrenewal, expiration, or cancellation of its license.

(b) Notice of Licensee's termination pursuant to paragraph X(a) shall be given to City in writing by certified mail, return receipt requested, and shall be effective upon receipt of such notice. All rentals paid for the Lease of the Premises prior to said termination date shall be

retained by City. Upon such termination, the Agreement shall become null and void and the parties shall have no further obligations to each other, except that rental payments to the City shall continue as liquidated damages for the remainder of the term of this Agreement, not to exceed 150% of the annual rent for the year in which such termination occurs.

Article X Destruction or Condemnation

If the Premises or Licensee Facilities are materially damaged, abandoned, removed, destroyed, condemned or transferred in lieu of condemnation, the City or Licensee may elect to terminate this Agreement as of the date of the damage, destruction, condemnation or transfer in lieu of condemnation by giving notice to the other party no more than forty-five (45) days following the date of such damage, destruction, condemnation or transfer in lieu of condemnation. If the City undertakes to rebuild the Water Towers, the City agrees to use its reasonable efforts to permit Licensee to place temporary transmission and reception facilities on the Property at no additional Rent until such time as Licensee is able to secure a replacement transmission location or the reconstruction of Licensee's Facilities is completed.

Article XI Insurance

Licensee, at Licensee's sole cost and expense, shall procure and maintain on the Premises and on the Licensee Facilities, bodily injury and property damage insurance with a combined single limit of at least One Million and 00/100 Dollars (\$1,000,000.00) per occurrence. Such insurance shall insure, on an occurrence basis, against liability of Licensee, its employees and agents arising out of or in connection with Licensee's use of the Premises, all as provided for herein. The City shall be named as an additional insured on Licensee's policy. Licensee shall provide to the City a certificate of insurance evidencing the coverage within thirty (30) days prior to the Commencement Date.

Article XII Warranty of Title and Quiet Enjoyment

The City warrants that: (i) the City owns the Property in fee simple and has rights of access thereto and the Property is free and clear of all liens, encumbrances and restrictions; (ii) the City has full right to make and perform this Agreement; and (iii) the City covenants and agrees with Licensee that upon Licensee paying the Rent and observing and performing all the terms, covenants and conditions on Licensee's part to be observed and performed, Licensee may peacefully and quietly enjoy the Premises.

Article XIII Repairs

Licensee shall not be required to make any repairs to the Premises or Property unless such repairs shall be necessitated by reason of the default or neglect of Licensee. Except as set forth in Article VI(a) above, upon expiration or termination hereof, Licensee shall restore the

Premises to the condition in which it existed upon execution hereof, reasonable wear and tear and loss by casualty or other causes beyond Licensee's control accepted.

**Article XIV
Hazardous Substances**

Licensee agrees that it will not use, generate, store or dispose of any Hazardous Material on, under, about or within the Land in violation of any law or regulation. City and Licensee agree to assume all duties, responsibilities and liabilities at their sole cost and expense for payment of penalties, sanctions, forfeitures, losses, costs or damages, and for responding to any action, notice, claim, order, summons, citation, directive, litigation, investigation or proceeding which is related to

(i) each party's failure to comply with any environmental or industrial hygiene law, including without limitation any regulations, guidelines, standards or policies of any governmental authorities regulating or imposing standards of liability or standards of conduct with regard to any environmental or industrial hygiene conditions or matters as may now or hereafter be in effect, or
(ii) any environmental or industrial hygiene conditions that arise out of or are in any way related to the condition of the Property and activities conducted by the party thereon, unless the environmental conditions are caused by the other party. The provisions of this section will survive the expiration or termination of this Agreement.

**XV
Liability and Indemnity**

(a) Licensee shall at all times comply with all laws and ordinances and all rules and regulations of municipal, state and federal government authorities relating to the installation, maintenance, height, location, use, operation, and removal of the equipment, antenna systems, and other alterations or improvements authorized herein, and shall fully indemnify the City against any loss, damage, cost, or expense which may be sustained or incurred by the City as a result of Licensee's installation, operation, or removal of said improvements, except where caused in whole or in part by the gross negligence or willful misconduct of the City, its agents, servants or employees.

(b) Licensee agrees and is bound to indemnify, defend, and hold the City whole and harmless against any and all claims for any loss or damages that may arise out of the use, maintenance, and occupancy of Licensee's Facilities and use of the Premises by Licensee, except where caused in whole or in part by the gross negligence or willful misconduct of the City, its agents, servants or employees.

(c) Licensee agrees that Licensee shall indemnify, defend, release, acquit, and hold free and harmless the City, its agents, representatives and employees from and against any and all claims, demands, causes of action, liabilities, losses, and damage, whether asserted by Licensee, its agents, representatives or employees, or any third party which in any ways relates to or arises from Licensee's Facilities or the installation or maintenance thereof, or from Licensee's entry onto and utilization of the Property, including but not limited to claims or causes of action alleging that loss, injury or damage were caused in whole or in part by the City's negligence.

Article XVI
Water Towers Marking and Lighting Requirements.

The City acknowledges that it, and not Licensee, shall be responsible for compliance with all Water Towers marking and lighting requirements of the Federal Aviation Administration ("FAA") and the FCC. Should Licensee be cited by either the FCC or FAA because the Water Towers are not in compliance due to Licensee's Facilities and, should Licensee fail to cure the conditions of noncompliance within the time frame allowed by the citing agency, City may terminate this Agreement.

Article XVII
Public Emergency

The Parties understand and agree that the primary function of the Property is to serve as a water tower for the City and that the interests of Licensee are superseded by the public health, safety, and welfare of the citizens of the City of Lucas served by the Water Towers. In the event that the City of Lucas City Council or the City Manager declare a public emergency or there exists a threat to the Water Towers or potable water supply that would detrimentally impact public health, safety and welfare such that immediate action is necessary, Licensee shall immediately remove its improvements from the Leased Premises. In the event Licensee is not able to immediately respond, the City may remove Licensee's improvements without incurring liability for damages of any type. Costs of removal and reattachment of improvements shall be borne by Licensee.

Article XVIII
Miscellaneous

18.1 Entire Agreement. This Agreement constitutes the sole and only agreement between the parties and supersedes any prior understandings written or oral agreements between the parties with respect to this subject matter.

18.2 Assignment/Subletting. Licensee may not assign nor sublet this Agreement in whole or in part without the prior written consent of City. In the event of an assignment or sublet by Licensee to which City has consented, the assignee shall agree in writing with City to personally assume, perform, and be bound by all the covenants, and obligations contained in this Agreement.

18.3 Successors and Assigns. Subject to the provisions regarding assignment, this Agreement shall be binding on and inure to the benefit of the parties to it and their respective heirs, executors, administrators, legal representatives, successors and assigns.

18.4 Governing Law. The laws of the State of Texas shall govern this Agreement; and venue for any action concerning this Agreement shall be in the State District Court of Collin County, Texas. The Parties agree to submit to the personal and subject matter jurisdiction of said court.

18.5 Amendments. This Agreement may be amended by the mutual written agreement of the Parties.

18.6 Severability. In the event any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provisions, and the Agreement shall be construed as if such invalid, illegal, or unenforceable provision had never been contained in it.

18.7 Notice. Any notice required or permitted to be delivered hereunder may be sent by first class mail, overnight courier or by confirmed telefax or facsimile to the address specified below, or to such other party or address as either party may designate in writing, and shall be deemed received three (3) days after delivery set forth herein:

18.8 Counterparts. This Agreement may be executed by the parties hereto in separate counterparts, each of which when so executed and delivered shall be an original, but all such counterparts shall together constitute one and the same instrument. Each counterpart may consist of any number of copies hereof each signed by less than all, but together signed by all of the parties hereto.

18.9 Exhibits. The exhibits attached hereto are incorporated herein and made a part hereof for all purposes.

18.10 Force Majeure. No Party will be liable for any default or delay in the performance of its obligations under this Agreement if and to the extent such default or delay is caused, directly or indirectly, by fire, flood, earthquake, elements of nature or acts of God, riots, civil disorders, acts of terrorism or any similar cause beyond the reasonable control of such party, provided that the non-performing party is without fault in causing such default or delay. The non-performing Party agrees to use commercially reasonable efforts to recommence performance as soon as possible.

18.11 Compliance with Federal, State & Local Laws. Licensee shall comply in performance of services under the terms of this Agreement with all applicable laws, ordinances and regulations, judicial decrees or administrative orders, ordinances, and codes of federal, state and local governments, including all applicable federal clauses.

FIRST AMENDMENT TO THE LEASE AGREEMENT

THIS FIRST AMENDMENT (the "Amendment") is made and entered into as of the 15th day of May, 2017 (the "Amendment Effective Date"), between the City of Lucas ("Lessor"), and Skybeam, LLC d/b/a Rise Broadband, on behalf of itself and its subsidiaries ("Lessee").

RECITALS

WHEREAS, Lessor and Lessee are parties to that certain Communications Facilities License Agreement dated the 17th day of June, 2016 (the "Agreement"), whereby Lessor granted to Lessee certain rights to use of the property located at 2295 McGarity Lane, Lucas, TX, as more specifically described in the Agreement and any attachments thereto (the "Property"); and

WHEREAS, Lessor and Lessee desire to amend the Agreement as provided herein.

NOW, THEREFORE, in consideration of the mutual covenants, terms and conditions set forth in this Amendment and in the Agreement, and for other good and valuable consideration, the receipt of which is hereby acknowledged, Lessor and Lessee hereby agree as follows:

1. Rent. As of the Amendment Effective Date, Article IV of the Agreement is hereby modified with the following:

PAYMENTS. In consideration for Lessee's use of the McGarity Water Tower, Lessee will pay to Lessor a monthly lease payment of **\$500.00** (the "Monthly Payment"), such payments to be made on or before the 5th of each month. City of Lucas Council Agenda Request June 1, 2017

Requester: Mayor Jim Olk
City Manager Joni Clarke

Agenda Item:

Consider the provision of law enforcement services for the City of Lucas and provide guidance to staff.

Background Information:

The City of Lucas and Collin County Sheriff's Office have enjoyed a mutually beneficial relationship since the two entities entered into an interlocal agreement for law enforcement services 13 years ago. Sheriff Skinner appeared before the City Council on March 16, 2017 to discuss the staffing needs and the challenges associated with providing law enforcement services to the citizens of Collin County.

The Lucas City Council is evaluating options for the provision of law enforcement services. The City's current agreement with Collin County expires on September 30, 2017.
