Regular Agenda

9. Consider the provision of recycling related services including curbside residential recycling and give direction to City Manager as to the provision of recycling services.

Councilmember Millsap noted that he asked for this item to be placed on the agenda. He believed that many Lucas residents had a misunderstanding that when the new contract was approved with Barnes Waste Disposal that curbside recycling would no longer be an option with the City waste disposal services. Councilmember Millsap noted that approximately 800 households participate in the curbside recycling program and were disappointed that curbside recycling would no longer be available.

Mayor Olk called the following individuals forward that requested to speak regarding this item.

Jerry Vaughan, 2355 Lucas Creek, expressed his concern related to the City no longer offering curbside recycling as part of their services, and that he believed most residents would not use the once a month drop-off location. Mr. Vaughan also was in favor of offering mandatory recycling.

Margie Thompson, 820 Winningkoff, noted that she would not participate in the monthly drop-off recycling location and asked that curbside recycling be reinstated.

Victoria Howard, 2145 Lucas Creek, noted that Lucas residents recycle approximately 20 tons of recycling material monthly. She also explained that she had made calls to several local recycling businesses, such as CWD and Progressive Waste Solutions that offer smaller vehicles in their fleet that would address the concern of having larger ton vehicles causing damage to City streets. Ms. Howard offered to share the information she gathered with the Council and was in favor of continuing curbside recycling options.

Michelle Long, 14 Estates Road, noted that the City should offer curbside recycling, and she was opposed to a monthly drop-off option. Ms. Long noted that it would be a setback for the City should curbside recycling no longer be available.

Jennifer Cooke, 115 Bloom Street, was not in favor of mandatory recycling and having a majority of the Lucas residents pay for the small number of residents that participate in the recycling program.

Kelly Flessner, 2709 Timber Trail, stated she would pay more for recycling services if needed, and the option of offering recycling once a month would cause traffic issues at the drop off location. Ms. Flessner asked the Council to reconsider the option for curbside recycling.

Adrienne Ciletti, 990 Hamilton Drive, stated that recycling should be a voluntary service, and suggested partnering with schools to make the service more profitable. Ms. Ciletti stated that she was in favor of maintaining the curbside recycling program.

Mayor Olk explained that with Barnes Waste Disposal contract coming up for renewal, discussions pertaining to waste disposal services and the recycling program were discussed at several City Council meetings. Mayor Olk explained that residents attended those meetings expressing their desire to maintain Barnes as the City's waste disposal provider. Mayor Olk explained that the City would like to provide curbside recycling to its residents at an affordable rate, but until an appropriate provider could be found, the monthly drop off location was being provided to offer some type of recycling option. Mayor Olk stated that he was attending a conference in September where he would be able to reach out to waste disposal vendors and gather more information.

Councilmember Millsap suggested the City seek bids for recycling options and discussed the lower costs offered in other cities that provide trash and recycling services combined.

A majority of the Council was in favor of Mayor Olk contacting additional vendors at his conference in September to gather additional information.

Councilmember Fisher asked Ms. Howard to forward the information she gathered to Mayor Olk for further review.

Mayor Olk stated that he would work with City Manager Joni Clarke regarding future recycling options. No further action was taken on this item.

10. Discuss the Capex Consulting Group Water and Wastewater Rate Study and Five Year Financial Plan and set date for the public hearing.

Jeff Snowden, Capex Consulting Group gave a presentation noting that rates were originally presented to the Council in June, and at that time a postponement was requested to address additional questions by Councilmember Millsap. During the follow-up meeting, it was requested that an alternative rate be examined that places more of the increase on minimum charges and less on volumetric rates. Mr. Snowden stated that based on that request, the rates were adjusted. The new rate proposed has an increase of 6 percent to minimum charges and 2 percent to volumetric rates to make items more revenue neutral. The proposed rate will also address debt service and increasing costs associated with the NTMWD increased rates.

Mayor Olk asked the benefit of the rates being adjusted to reflect a higher increase to the base charge.

Mr. Snowden stated that the minimum charge was a fixed revenue, as opposed to the volumetric rate, which could vary. Mr. Snowden stated that it did make the minimum charge higher compared to surrounding cities.

Mayor Pro Tem Peele stated that the first plan submitted in June was also revenue neutral and addressed debt service costs.

MOTION: *A motion was made by Mayor Pro Tem Peele, seconded by Councilmember Fisher to proceed with the proposed rates outlined in the June 1, 2017 water and wastewater rate study and five year financial plan. The motion passed by a 6 to 1 vote with Councilmember Millsap voting in opposition.*

11. Consider the provisions of law enforcement services for the City of Lucas and entering into an Interlocal Agreement for such services with Collin County or entering into an Interlocal Agreement for such services with the Town of Fairview, Texas.

Mayor Olk discussed with the Council the amended contract submitted by Collin County Sheriff's office proposing two deputies, one additional patrol vehicle and a four-year contract. The Town of Fairview proposed two police officers, one patrol vehicle, with a three-year contract. Fairview would add Lucas as an additional jurisdiction and incorporate into Fairview patrols.

City Manager Joni Clarke stated that the County was interested committing to a long-term working relationship with the City.

The Council discussed maintaining a good working relationship with the Town of Fairview and considering law enforcement options with Fairview for the future.

Mayor Olk called the following individual forward that requested to speak:

Chuck Ruckel, Collin County Judge, stated he was in support of renewing the contract with the Collin County Sheriff's office and maintaining a long-term working relationship with Lucas.

MOTION: *A motion was made by Councilmember Millsap, seconded by Councilmember Duke to approve an interlocal agreement for law enforcement services with Collin County through the Collin County Sheriff's Office and authorize the Mayor to execute the Interlocal Agreement for law enforcement services commencing October 1, 2017. The motion passed unanimously by a 7 to 0 vote.*

12. Consider the purchase of a new fire-rescue apparatus to replace reserve apparatus Engine 862, a 1996 General Fire Engine and provide direction to staff.

Fire Chief Ted Stephens discussed with the Council the need to prepare for the purchase of a new fire engine to replace a 20-year old fire engine that was experiencing costly maintenance repairs. Chief Stephens stated that the Fire Department's second engine, Engine 861, was having increased maintenance costs and Engine 862 was being used for more calls due to Engine 861 being out of commission. Chief Stephens noted that specifications would have to be obtained in order to determine the needs of the fire engine. This was an 8 to 12 month process.

The Council discussed the need to have specifications in order to budget accordingly when the time was appropriate for a new engine.

The Council directed Chief Stephens to move forward with obtaining specifications on the fire engine and to look at all options including new and used.

13. Discuss the provisions of EMS and Fire Dispatch Services and provide direction to staff.

Fire Chief Ted Stephens discussed with the Council the need for future growth with the City's dispatch services. Currently emergency dispatch services operate through Plano Dispatch Communications, with the contract expiring September 30, 2018. Issues that currently exist include the inability to simultaneously dispatch for automatic aid structure fires between the Cities of Lucas and Fairview, which causes a lag in response time. Chief Stephens said that he would be researching other options to consider for dispatch services and bring back to the Council for consideration in the coming months. Chief Stephens noted that they would be considering Wylie Dispatch Services as an option.

14. Discuss the purchase of a VHF or UHF Repeater System for communication needs and provide direction to staff.

Fire Chief Ted Stephens discussed the need for interdepartmental communications during emergency situations and the need for each member of the team to be able to receive information, instruction and updates at the same time. Currently, without this system in place, a delay in information and response occurs.

Chief Stephens explained Fire-Rescue radios may work for this situation, but specifications may need to be obtained and funds allocated as part of their long range planning for better communications.

15. Consider authorizing the City Manager to enter into a contract with R&M Services for fire hydrant and valve maintenance utilizing an interlocal with the City of Garland, Texas in the amount not to exceed \$150,000.

***MOTION:** A motion was made by Councilmember Lawrence, seconded by Councilmember Millsap to authorize the City Manager to enter into a contract with R&M Services for fire hydrant and valve maintenance utilizing an interlocal with the City of Garland, Texas in the amount not to exceed \$150,000. Additionally, the City agrees to promptly cause a written notice of this substitution to be sent to each Holder of the Certificates by United States mail, first-class postage prepaid, which notice shall also give the address of the new Paying Agent/Registrar.

Principal of, premium, if any, and interest on the Certificates, due and payable by reason of Stated Maturity, redemption, or otherwise, shall be payable only to the registered owner of the Certificates appearing on the Security Register (the *Holder* or *Holder*s) maintained on behalf of the City by the Paying Agent/Registrar as hereinafter provided (i) on the Record Date (hereinafter defined) for purposes of payment of interest thereon, (ii) on the date of surrender of the Certificates for purposes of receiving payment of principal thereof upon redemption of the Certificates or at the Certificates' Stated Maturity, and (iii) on any other date for any other purpose. The City and the Paying Agent/Registrar, and any agent of either, shall treat the Holder as the owner of a Certificate for purposes of receiving payment and all other purposes whatsoever, and neither the City nor the Paying Agent/Registrar, or any agent of either, shall be affected by notice to the contrary.

Principal of and premium, if any, on the Certificates shall be payable only upon presentation and surrender of the Certificates to the Paying Agent/Registrar at its corporate trust office. Interest on the Certificates shall be paid to the Holder whose name appears in the Security Register at the close of business on the fifteenth day of the month next preceding an Interest Payment Date for the Certificates (the *Record Date*) and shall be paid (i) by check sent on or prior to the appropriate date of payment by United States mail, first-class postage prepaid, by the Paying Agent/Registrar, to the address of the Holder appearing in the Security Register or (ii) by such other method, acceptable to the Paying Agent/Registrar, requested in writing by the Holder at the Holder's risk and expense.

If the date for the payment of the principal of, premium, if any, or interest on the Certificates shall be a Saturday, Sunday, a legal holiday, or a day on which banking institutions in the city where the corporate trust office of the Paying Agent/Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not such a day. The payment on such date shall have the same force and effect as if made on the original date any such payment on the Certificates was due.

In the event of a non-payment of interest on a scheduled payment date, and for thirty (30) days thereafter, a new record date for such interest payment (a *Special Record Date*) will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the City. Notice of the *Special Record Date* and of the scheduled payment date of the past due interest (the *Special Payment Date* - which shall be fifteen (15) days after the *Special Record Date*) shall be sent at least five (5) business days prior to the *Special Record Date* by United States mail, first-class postage prepaid, to the address of each Holder of a Certificate appearing on the Security Register at the close of business on the last business day next preceding the date of mailing of such notice.

SECTION 4. Redemption.

A. Mandatory Redemption. The Certificates stated to mature on February 1, 20__ and February 1, 20__ are referred to herein as the “Term Certificates”. The Term Certificates are subject to mandatory sinking fund redemption prior to their stated maturities from money required to be deposited in the Certificate Fund for such purpose and shall be redeemed in part, by lot or other customary method, at the principal amount thereof plus accrued interest to the date of redemption in the following principal amounts on February 1 in each of the years as set forth below:

<u>Term Certificates</u> <u>Stated to Mature</u> <u>on February 1, 20__</u>		<u>Term Certificates</u> <u>Stated to Mature</u> <u>on February 1, 20__</u>	
<u>Year</u>	<u>Principal</u> <u>Amount (\$)</u>	<u>Year</u>	<u>Principal</u> <u>Amount (\$)</u>

*Payable at Stated Maturity.

The principal amount of a Term Certificate required to be redeemed pursuant to the operation of such mandatory redemption provisions shall be reduced, at the option of the City, by the principal amount of any Term Certificates of such Stated Maturity which, at least 50 days prior to the mandatory redemption date (1) shall have been defeased or acquired by the City and delivered to the Paying Agent/Registrar for cancellation, (2) shall have been purchased and canceled by the Paying Agent/Registrar at the request of the City, or (3) shall have been redeemed pursuant to the optional redemption provisions set forth below and not theretofore credited against a mandatory redemption requirement.

B. Optional Redemption. The Certificates having Stated Maturities on and after February 1, 2028 shall be subject to redemption prior to Stated Maturity, at the option of the City, on February 1, 2027, or on any date thereafter, as a whole or in part, in principal amounts of \$5,000 or any integral multiple thereof (and if within a Stated Maturity selected at random and by lot by the Paying Agent/Registrar), at the redemption price of par plus accrued interest to the date of redemption.

C. Exercise of Redemption Option. At least forty-five (45) days prior to a date set for the redemption of Certificates (unless a shorter notification period shall be satisfactory to the Paying Agent/Registrar), the City shall notify the Paying Agent/Registrar of its decision to exercise the right to redeem Certificates, the principal amount of each Stated Maturity to be redeemed, and the date set for the redemption thereof. The decision of the City to exercise the right to redeem Certificates shall be entered in the minutes of the governing body of the City.

D. Selection of Certificates for Redemption. If less than all Outstanding Certificates of the same Stated Maturity are to be redeemed on a redemption date, the Paying Agent/Registrar

shall select at random and by lot the Certificates to be redeemed, provided that if less than the entire principal amount of a Certificate is to be redeemed, the Paying Agent/Registrar shall treat such Certificate then subject to redemption as representing the number of Certificates Outstanding which is obtained by dividing the principal amount of such Certificate by \$5,000.

E. Notice of Redemption. Not less than thirty (30) days prior to a redemption date for the Certificates, a notice of redemption shall be sent by United States mail, first-class postage prepaid, in the name of the City and at the City's expense, by the Paying Agent/Registrar to each Holder of a Certificate to be redeemed, in whole or in part, at the address of the Holder appearing on the Security Register at the close of business on the business day next preceding the date of mailing such notice, and any notice of redemption so mailed shall be conclusively presumed to have been duly given irrespective of whether received by the Holder.

All notices of redemption shall (i) specify the date of redemption for the Certificates, (ii) identify the Certificates to be redeemed and, in the case of a portion of the principal amount to be redeemed, the principal amount thereof to be redeemed, (iii) state the redemption price, (iv) state that the Certificates, or the portion of the principal amount thereof to be redeemed, shall become due and payable on the redemption date specified, and the interest thereon, or on the portion of the principal amount thereof to be redeemed, shall cease to accrue from and after the redemption date, and (v) specify that payment of the redemption price for the Certificates, or the principal amount thereof to be redeemed, shall be made at the corporate trust office of the Paying Agent/Registrar only upon presentation and surrender thereof by the Holder.

If a Certificate is subject by its terms to redemption and has been called for redemption and notice of redemption thereof has been duly given or waived as herein provided, such Certificate (or the principal amount thereof to be redeemed) so called for redemption shall become due and payable, and if money sufficient for the payment of such Certificates (or of the principal amount thereof to be redeemed) at the then applicable redemption price is held for the purpose of such payment by the Paying Agent/Registrar, then on the redemption date designated in such notice, interest on the Certificates (or the principal amount thereof to be redeemed) called for redemption shall cease to accrue and such Certificates shall not be deemed to be Outstanding in accordance with the provisions of this Ordinance. This notice may also be published once in a financial publication, journal, or reporter of general circulation among securities dealers in the City of New York, New York (including, but not limited to, *The Bond Buyer* and *The Wall Street Journal*), or in the State of Texas (including, but not limited to, *The Texas Bond Reporter*).

F. Transfer/Exchange of Certificates. Neither the City nor the Paying Agent/Registrar shall be required (1) to transfer or exchange any Certificate during a period beginning forty-five (45) days prior to the date fixed for redemption of the Certificates or (2) to transfer or exchange any Certificate selected for redemption, provided, however, such limitation of transfer shall not be applicable to an exchange by the Holder of the unredeemed balance of a Certificate which is subject to redemption in part.

SECTION 5. Execution - Registration. The Certificates shall be executed on behalf of the City by its Mayor or Mayor Pro Tem under its seal reproduced or impressed thereon and attested by its City Secretary. The signature of either of said officers on the Certificates may be manual or facsimile. Certificates bearing the manual or facsimile signatures of individuals who were, at the time of the Certificate Date, the proper officers of the City shall bind the City,

notwithstanding that such individuals or either of them shall cease to hold such offices prior to the delivery of the Certificates to the Purchasers (hereinafter defined), all as authorized and provided in Chapter 1201, as amended, Texas Government Code.

No Certificate shall be entitled to any right or benefit under this Ordinance, or be valid or obligatory for any purpose, unless there appears on such Certificate either a certificate of registration substantially in the form provided in Section 8C, executed by the Comptroller of Public Accounts of the State of Texas or his duly authorized agent by manual signature, or a certificate of registration substantially in the form provided in Section 8D, executed by the Paying Agent/Registrar by manual signature, and either such certificate upon any Certificate shall be conclusive evidence, and the only evidence, that such Certificate has been duly certified or registered and delivered.

SECTION 6. Registration - Transfer - Exchange of Certificates - Predecessor Certificates. The Paying Agent/Registrar shall obtain, record, and maintain in the Security Register the name and address of every owner of the Certificates, or if appropriate, the nominee thereof. Any Certificate may, in accordance with its terms and the terms hereof, be transferred or exchanged for Certificates of other authorized denominations upon the Security Register by the Holder, in person or by his duly authorized agent, upon surrender of such Certificate to the Paying Agent/Registrar for cancellation, accompanied by a written instrument of transfer or request for exchange duly executed by the Holder or by his duly authorized agent, in form satisfactory to the Paying Agent/Registrar.

Upon surrender for transfer of any Certificate at the corporate trust office of the Paying Agent/Registrar, the City shall execute and the Paying Agent/Registrar shall register and deliver, in the name of the designated transferee or transferees, one or more new Certificates of authorized denomination and having the same Stated Maturity and of a like interest rate and aggregate principal amount as the Certificate or Certificates surrendered for transfer.

At the option of the Holder, Certificates may be exchanged for other Certificates of authorized denominations and having the same Stated Maturity, bearing the same rate of interest and of like aggregate principal amount as the Certificates surrendered for exchange upon surrender of the Certificates to be exchanged at the corporate trust office of the Paying Agent/Registrar. Whenever any Certificates are so surrendered for exchange, the City shall execute, and the Paying Agent/Registrar shall register and deliver, the Certificates to the Holder requesting the exchange.

All Certificates issued upon any transfer or exchange of Certificates shall be delivered at the corporate trust office of the Paying Agent/Registrar, or be sent by registered mail to the Holder at his request, risk, and expense, and upon the delivery thereof, the same shall be the valid and binding obligations of the City, evidencing the same obligation to pay, and entitled to the same benefits under this Ordinance, as the Certificates surrendered upon such transfer or exchange.

All transfers or exchanges of Certificates pursuant to this Section shall be made without expense or service charge to the Holder, except as otherwise herein provided, and except that the Paying Agent/Registrar shall require payment by the Holder requesting such transfer or exchange

of any tax or other governmental charges required to be paid with respect to such transfer or exchange.

Certificates canceled by reason of an exchange or transfer pursuant to the provisions hereof are hereby defined to be Predecessor Certificates, evidencing all or a portion, as the case may be, of the same debt evidenced by the new Certificate or Certificates registered and delivered in the exchange or transfer therefor. Additionally, the term Predecessor Certificates shall include any Certificate registered and delivered pursuant to Section 25 in lieu of a mutilated, lost, destroyed, or stolen Certificate which shall be deemed to evidence the same obligation as the mutilated, lost, destroyed, or stolen Certificate.

SECTION 7. Initial Certificate. The Certificates herein authorized shall be issued initially either (i) as a single fully registered Certificate in the total principal amount of \$_____ with principal installments to become due and payable as provided in Section 2 and numbered T-1, or (ii) as one (1) fully registered Certificate for each year of Stated Maturity in the applicable principal amount and denomination and to be numbered consecutively from T-1 and upward (the *Initial Certificate*) and, in either case, the Initial Certificate shall be registered in the name of the Purchasers or the designee thereof. The Initial Certificate shall be the Certificates submitted to the Office of the Attorney General of the State of Texas for approval, certified and registered by the Office of the Comptroller of Public Accounts of the State of Texas and delivered to the Purchasers. Any time after the delivery of the Initial Certificate to the Purchasers, the Paying Agent/Registrar, pursuant to written instructions from the Purchasers or their designee, shall cancel the Initial Certificate delivered hereunder and exchange therefor definitive Certificates of authorized denominations, Stated Maturities, principal amounts and bearing applicable interest rates, on the unpaid principal amounts from the Certificate Date, or from the most recent Interest Payment Date to which interest has been paid or duly provided for, to Stated Maturity, and shall be lettered "R" and numbered consecutively from one (1) upward for transfer and delivery to the Holders named at the addresses identified therefor; all pursuant to and in accordance with such written instructions from the Purchasers, or the designee thereof, and such other information and documentation as the Paying Agent/Registrar may reasonably require.

SECTION 8. Forms.

A. Forms Generally. The Certificates, the Registration Certificate of the Comptroller of Public Accounts of the State of Texas, the Registration Certificate of Paying Agent/Registrar, and the form of Assignment to be printed on each of the Certificates shall be substantially in the forms set forth in this Section with such appropriate insertions, omissions, substitutions, and other variations as are permitted or required by this Ordinance and may have such letters, numbers, or other marks of identification (including insurance legends in the event the Certificates, or any Stated Maturities thereof, are insured, and any reproduction of an opinion of Bond Counsel, and identifying numbers and letters of the Committee on Uniform Securities Identification Procedures of the American Bankers Association) and such legends and endorsements (including any reproduction of an opinion of Bond Counsel (hereinafter defined)) thereon as may, consistent herewith, be established by the City or determined by the officers executing the Certificates as evidenced by their execution thereof. Any portion of the text of any Certificate may be set forth on the reverse thereof, with an appropriate reference thereto on the face of the Certificate.

The definitive Certificates shall be printed, lithographed, or engraved, produced by any combination of these methods, or produced in any other similar manner, all as determined by the officers executing the Certificates as evidenced by their execution thereof, but the Initial Certificate submitted to the Attorney General of the State of Texas may be typewritten or photocopied or otherwise reproduced.

Principal and premium, if any, of this Certificate shall be payable to the Registered Owner hereof (the *Holder*), upon presentation and surrender, at the corporate trust office of the Paying Agent/Registrar executing the registration certificate appearing hereon or a successor thereof. Interest shall be payable to the Holder of this Certificate (or one or more Predecessor Certificates, as defined in the Ordinance hereinafter referenced) whose name appears on the Security Register maintained by the Paying Agent/Registrar at the close of business on the Record Date, which is the fifteenth day of the month next preceding each Interest Payment Date. This Certificate is one of the series specified in its title issued in the aggregate principal amount of \$_____ (the *Certificates*) pursuant to an Ordinance adopted by the governing body of the City (the *Ordinance*), for the purpose of paying contractual obligations of the City to be incurred for making permanent public improvements and for other public purposes, to-wit: (1) constructing street improvements (including utilities repair, replacement and relocation) and drainage and other improvements necessary or incidental thereto; (2) constructing, acquiring, purchasing, renovating, equipping, enlarging, and improving the City's utility system; (3) the purchase of materials, supplies, equipment, machinery, landscaping, land, and rights-of-way for authorized needs and purposes relating to the aforementioned capital improvements; and (4) the payment of professional services related to the design, construction, project management, and financing of the aforementioned projects, pursuant to the authority conferred by and in conformity with the laws of the State of Texas, particularly the Certificate of Obligation Act of 1971, as amended, Texas Local Government Code Section 271.041 through Section 271.064, Chapter 1502, as amended, Texas Government Code, and the City's Home Rule Charter.

As provided in the Ordinance, the Certificates stated to mature on February 1, 20__ and February 1, 20__ are referred to herein as the "Term Certificates". The Term Certificates are subject to mandatory sinking fund redemption prior to their stated maturities from money required to be deposited in the Certificate Fund for such purpose and shall be redeemed in part, by lot or other customary method, at the principal amount thereof plus accrued interest to the date of redemption in the following principal amounts on February 1 in each of the years as set forth below:

Term Certificates Stated to Mature on February 1, 20__		Term Certificates Stated to Mature on February 1, 20__	
<u>Year</u>	<u>Principal Amount (\$)</u>	<u>Year</u>	<u>Principal Amount (\$)</u>

*Payable at Stated Maturity.

The principal amount of a Term Certificate required to be redeemed pursuant to the operation of such mandatory redemption provisions shall be reduced, at the option of the City, by the principal amount of any Term Certificates of such Stated Maturity which, at least 50 days prior to the mandatory redemption date (1) shall have been defeased or acquired by the City and delivered to the Paying Agent/Registrar for cancellation, (2) shall have been purchased and canceled by the Paying Agent/Registrar at the request of the City, or (3) shall have been redeemed pursuant to the optional redemption provisions set forth below and not theretofore credited against a mandatory redemption requirement.

As provided in the Ordinance, the Certificates having Stated Maturities on and after February 1, 2028 shall be subject to redemption prior to Stated Maturity, at the option of the City, on February 1, 2027, or on any date thereafter, as a whole or in part, in principal amounts

of \$5,000 or any integral multiple thereof (and if within a Stated Maturity selected at random and by lot by the Paying Agent/Registrar), at the redemption price of par plus accrued interest to the date of redemption; provided, however, that at least thirty (30) days prior written notice shall be sent to the Holder of the Certificates to be redeemed by United States mail, first-class postage prepaid, and subject to the terms and provisions relating thereto contained in the Ordinance. If this Certificate is subject to redemption prior to Stated Maturity and is in a denomination in excess of \$5,000, portions of the principal sum hereof in installments of \$5,000 or any integral multiple thereof may be redeemed, and, if less than all of the principal sum hereof is to be redeemed, there shall be issued, without charge therefor, to the Holder hereof, upon the surrender of this Certificate to the Paying Agent/Registrar at its corporate trust office, a new Certificate or Certificates of like Stated Maturity and interest rate in any authorized denominations provided in the Ordinance for the then unredeemed balance of the principal sum hereof.

If this Certificate (or any portion of the principal sum hereof) shall have been duly called for redemption and notice of such redemption has been duly given, then upon such redemption date this Certificate (or the portion of the principal sum hereof to be redeemed) shall become due and payable, and, if the money for the payment of the redemption price and the interest accrued on the principal amount to be redeemed to the date of redemption is held for the purpose of such payment by the Paying Agent/Registrar, interest shall cease to accrue and be payable hereon from and after the redemption date on the principal amount hereof to be redeemed. If this Certificate is called for redemption, in whole or in part, the City or the Paying Agent/Registrar shall not be required to issue, transfer, or exchange this Certificate within forty-five (45) days of the date fixed for redemption; provided, however, such limitation of transfer shall not be applicable to an exchange by the Holder of the unredeemed balance hereof in the event of its redemption in part.

The Certificates of this series are payable from the proceeds of an ad valorem tax levied upon all taxable property within the City, within the limitations prescribed by law, and are further payable from and secured by a lien on and pledge of the Pledged Revenues (identified and defined in the Ordinance), being a limited amount of the Net Revenues derived from the operation of the City's combined utility system (the *System*), such lien on and pledge of the limited amount of Net Revenues being subordinate and inferior to the lien on and pledge of such Net Revenues securing payment of any Prior Lien Obligations, Junior Lien Obligations, or Subordinate Lien Obligations hereafter issued by the City. The City has previously authorized the issuance of the currently outstanding Limited Pledge Obligations (identified and defined in the Ordinance) that are payable, in part, from and secured by a lien on and pledge of a limited amount of the Net Revenues of the System in the manner and as described in the ordinances authorizing the issuance of the currently outstanding Limited Pledge Obligations. In the Ordinance, the City reserves and retains the right to issue Prior Lien Obligations, Junior Lien Obligations, Subordinate Lien Obligations, and Additional Limited Pledge Obligations (all as identified and defined in the Ordinance), while the Certificates are Outstanding, without limitation as to principal amount but subject to any terms, conditions or restrictions as may be applicable thereto under law or otherwise.

Reference is hereby made to the Ordinance, a copy of which is on file in the corporate trust office of the Paying Agent/Registrar, and to all of the provisions of which the Holder by his acceptance hereof hereby assents, for definitions of terms; the description of and the nature and

extent of the tax levied and the revenues pledged for the payment of the Certificates; the terms and conditions under which the City may issue Prior Lien Obligations, Junior Lien Obligations, Subordinate Lien Obligations, and Additional Limited Pledge Obligations; the terms and conditions relating to the transfer or exchange of the Certificates; the conditions upon which the Ordinance may be amended or supplemented with or without the consent of the Holder; the rights, duties, and obligations of the City and the Paying Agent/Registrar; the terms and provisions upon which this Certificate may be redeemed or discharged at or prior to the Stated Maturity thereof, and deemed to be no longer Outstanding thereunder; and for the other terms and provisions specified in the Ordinance. Capitalized terms used herein have the same meanings assigned in the Ordinance.

This Certificate, subject to certain limitations contained in the Ordinance, may be transferred on the Security Register upon presentation and surrender at the corporate trust office of the Paying Agent/Registrar, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Paying Agent/Registrar duly executed by the Holder hereof, or his duly authorized agent, and thereupon one or more new fully registered Certificates of the same Stated Maturity, of authorized denominations, bearing the same rate of interest, and of the same aggregate principal amount will be issued to the designated transferee or transferees.

The City and the Paying Agent/Registrar, and any agent of either, shall treat the Holder hereof whose name appears on the Security Register (i) on the Record Date as the owner hereof for purposes of receiving payment of interest hereon, (ii) on the date of surrender of this Certificate as the owner hereof for purposes of receiving payment of principal hereof at its Stated Maturity or its redemption, in whole or in part, and (iii) on any other date as the owner hereof for all other purposes, and neither the City nor the Paying Agent/Registrar, or any such agent of either, shall be affected by notice to the contrary. In the event of a non-payment of interest on a scheduled payment date, and for thirty (30) days thereafter, a new record date for such interest payment (a Special Record Date) will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (the *Special Payment Date* - which shall be fifteen (15) days after the Special Record Date) shall be sent at least five (5) business days prior to the Special Record Date by United States mail, first-class postage prepaid, to the address of each Holder appearing on the Security Register at the close of business on the last business day next preceding the date of mailing of such notice.

It is hereby certified, covenanted, and represented that all acts, conditions, and things required to be performed, exist, and be done precedent to the issuance of this Certificate in order to render the same a legal, valid, and binding obligation of the City have been performed, exist, and have been done, in regular and due time, form, and manner, as required by the laws of the State of Texas and the Ordinance, and that issuance of the Certificates does not exceed any constitutional or statutory limitation; and that due provision has been made for the payment of the principal of, premium if any, and interest on the Certificates by the levy of a tax and collection of Pledged Revenues as aforesaid. In case any provision in this Certificate or any application thereof shall be deemed invalid, illegal, or unenforceable, the validity, legality, and enforceability of the remaining provisions and applications shall not in any way be affected or impaired thereby. The terms and provisions of this Certificate and the Ordinance shall be construed in accordance with and shall be governed by the laws of the State of Texas.

SECTION 13. System Fund. The City hereby covenants and agrees that all Gross Revenues derived from the operation of the System shall be kept separate and apart from all other funds, accounts and money of the City and shall be deposited as collected into the "CITY OF LUCAS, TEXAS UTILITY SYSTEM FUND" (the *System Fund*). All money deposited in the System Fund shall be pledged and appropriated to the extent required for the following purposes and in the order of priority shown:

All money received from losses under such insurance policies, other than public liability policies, are held for the benefit of the holders of the Certificates until and unless the proceeds are paid out in making good the loss or damage in respect of which such proceeds are received, either by replacing the property destroyed or repairing the property damaged, and adequate provision for making good such loss or damage must be made within ninety (90) days after the date of loss. The payment of premiums for all insurance policies required under the provisions hereof shall be considered Maintenance and Operating Expenses. The Holders of the Certificates or any duly authorized agent or agents of the Holders shall have the right to inspect the System and all properties comprising the same. The City further agrees that, following the close of each Fiscal Year, it will cause an audit of such books and accounts to be made by an independent firm of Certified Public Accountants. Expenses incurred in making the annual audit of the operations of the System are to be regarded as Maintenance and Operating Expenses.

SECTION 19. Remedies in Event of Default. In addition to all the rights and remedies provided by the laws of the State of Texas, the City covenants and agrees particularly that in the event the City (a) defaults in the payments to be made to the Certificate Fund, or (b) defaults in the observance or performance of any other of the covenants, conditions, or obligations set forth in this Ordinance, the Holders of any of the Certificates shall be entitled to seek a writ of mandamus issued by a court of proper jurisdiction compelling and requiring the governing body of the City and other officers of the City to observe and perform any covenant, condition, or obligation prescribed in this Ordinance.

No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient. The specific remedies herein provided shall be cumulative of all other existing remedies and the specification of such remedies shall not be deemed to be exclusive.

SECTION 20. Issuance of Prior Lien Obligations - Junior Lien Obligations – Subordinate Lien Obligations and Additional Limited Pledge Obligations. The City hereby expressly reserves the right to hereafter issue bonds, notes, warrants, certificates of obligation, or similar obligations, payable, wholly or in part, as appropriate, from and secured by a pledge of and lien on the Net Revenues of the System with the following priorities, without limitation as to principal amount, but subject to any terms, conditions, or restrictions applicable thereto under existing ordinances, laws, or otherwise:

B. Junior Lien Obligations payable from and equally and ratably secured by a lien on and pledge of the Net Revenues that is junior and inferior to the lien on and pledge thereof securing the payment of any Prior Lien Obligations hereafter issued by the City, but prior and superior to the lien on and pledge of the Net Revenues securing, in part, the payment of the currently outstanding Limited Pledge Obligations, the Certificates, and any Subordinate Lien Obligations or Additional Limited Pledge Obligations hereafter issued by the City;

C. Subordinate Lien Obligations payable from and equally and ratably secured by a lien on and pledge of the Net Revenues that is subordinate and inferior to the lien on and pledge

Additional Limited Pledge Obligations, if issued and payable, in whole or in part, from Pledged Revenues (defined in the same or similar terms as provided in Section 9 of this Ordinance or in the ordinances authorizing the issuance of the currently outstanding Limited Pledge Obligations), shall not in any event be construed to be payable from the Pledged Revenues authorized by this Ordinance or in the respective ordinances authorizing the issuance of the currently outstanding Limited Pledge Obligations to be budgeted and appropriated for the payment of the Certificates or the respective ordinances authorizing the issuance of the currently outstanding Limited Pledge Obligations. However, the lien on and pledge of the limited amount of Net Revenues securing, in part, the payment of the Certificates, the Limited Pledge Obligations, and any Additional Limited Pledge Obligations shall be subordinate and inferior to the pledge of and lien on the Net Revenues securing the payment of any Prior Lien Obligations, Junior Lien Obligations, or Subordinate Lien Obligations hereafter issued by the City.

D. to the extent that it legally may, the City further covenants and agrees that, so long as any of the Certificates, or any interest thereon, are Outstanding, no franchise shall be granted for the installation or operation of any competing utility systems other than those owned

by the City, and the operation of any such systems by anyone other than the City is hereby prohibited; and

E. no free service of the System shall be allowed, and should the City or any of its agents or instrumentalities make use of the services and facilities of the System, payment of the reasonable value thereof shall be made by the City out of funds from sources other than the revenues and income of the System.

SECTION 22. Application of the Covenants and Agreements of any Prior Lien Obligations, Junior Lien Obligations, or Subordinate Lien Obligations. It is the intention of the City Council and accordingly hereby recognized and stipulated that the provisions, agreements, and covenants contained herein bearing upon the management and operations of the System, and the administration and application of Gross Revenues derived from the operation thereof, shall to the extent possible be harmonized with like provisions, agreements, and covenants contained in the ordinances authorizing the issuance of any Prior Lien Obligations, Junior Lien Obligations, or Subordinate Lien Obligations hereafter issued by the City, and to the extent of any irreconcilable conflict between the provisions contained herein and in the ordinances authorizing the issuance of any Prior Lien Obligations, Junior Lien Obligations, or Subordinate Lien Obligations, the provisions, agreements and covenants contained therein shall prevail to the extent of such conflict and be applicable to this Ordinance, especially the priority of rights and benefits conferred thereby to the holders of any Prior Lien Obligations, Junior Lien Obligations, or Subordinate Lien Obligations hereafter issued by the City. It is expressly recognized that prior to the issuance of any Prior Lien Obligations, Junior Lien Obligations, or Subordinate Lien Obligations, the City must comply with each of the conditions precedent contained in the respective ordinances authorizing the issuance of the currently outstanding Limited Pledge Obligations and the Certificates, as appropriate.

SECTION 23. Notices to Holders - Waiver. Wherever this Ordinance provides for notice to Holders of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and sent by United States mail, first-class postage prepaid, to the address of each Holder as it appears in the Security Register.

In any case where notice to Holders is given by mail, neither the failure to mail such notice to any particular Holders, nor any defect in any notice so mailed, shall affect the sufficiency of such notice with respect to all other Holders. Where this Ordinance provides for notice in any manner, such notice may be waived in writing by the Holder entitled to receive such notice, either before or after the event with respect to which such notice is given, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Paying Agent/Registrar, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

SECTION 24. Cancellation. All Certificates surrendered for payment, redemption, transfer, exchange, or replacement, if surrendered to the Paying Agent/Registrar, shall be promptly canceled by it and, if surrendered to the City, shall be delivered to the Paying Agent/Registrar and, if not already canceled, shall be promptly canceled by the Paying Agent/Registrar. The City may at any time deliver to the Paying Agent/Registrar for cancellation any Certificates previously certified or registered and delivered which the City may have acquired in any manner whatsoever, and all Certificates so delivered shall be promptly canceled

by the Paying Agent/Registrar. All canceled Certificates held by the Paying Agent/Registrar shall be destroyed as directed by the City.

SECTION 25. Mutilated, Destroyed, Lost, and Stolen Certificates. In case any such mutilated, destroyed, lost, or stolen Certificate has become or is about to become due and payable, the City in its discretion may, instead of issuing a new Certificate, pay such Certificate.

Upon the issuance of any new Certificate or payment in lieu thereof, under this Section, the City may require payment by the Holder of a sum sufficient to cover any tax or other governmental charge imposed in relation thereto and any other expenses and charges (including attorney's fees and the fees and expenses of the Paying Agent/Registrar) connected therewith.

Every new Certificate issued pursuant to this Section in lieu of any mutilated, destroyed, lost, or stolen Certificate shall constitute a replacement of the prior obligation of the City, whether or not the mutilated, destroyed, lost, or stolen Certificate shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Ordinance equally and ratably with all other Outstanding Certificates.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement and payment of mutilated, destroyed, lost, or stolen Certificates.

SECTION 26. Sale of the Certificates at Competitive Sale; Approval of the Official Statement; Proceeds of Sale. The Certificates authorized by this Ordinance are hereby sold by the City to _____, _____, _____, as the authorized representative of a group of underwriters at a competitive sale (the *Purchasers*, having all the rights, benefits, and obligations of a Holder), in accordance with the provisions of an Official Bid Form (the *Official Bid Form*), dated July 20, 2017, attached hereto as Exhibit B and incorporated herein by reference as a part of this Ordinance for all purposes, at the price of par, plus a cash premium of \$_____ (including the Purchasers' compensation of \$_____), plus accrued interest to the date of initial delivery of the Certificates to the Purchasers, and is hereby approved and confirmed. hereby authorized and directed to execute the Official Bid Form for and on behalf of the City and as the act and deed of this City Council, and in regard to the approval and execution of the Official Bid Form, the City Council hereby finds, determines and declares that the representations, warranties, and agreements of the City contained in the Official Bid Form are true and correct in all material respects and shall be honored and performed by the City. (1) Accrued interest in the amount of \$_____ shall be deposited into the Certificate Fund.

(2) The City received a [net] original issue reoffering premium from the sale of the Certificates of \$_____, which is hereby allocated by the City in the following manner: (1) \$_____ to pay the Purchasers' compensation (2) \$_____ shall be deposited into the Construction Fund, and (3) \$_____ to pay the remaining costs of issuance.

(3) The balance of the proceeds derived from the sale of the Certificates (after paying costs of issuance) shall be deposited into the special construction account or accounts created for the projects to be constructed with the proceeds of the Certificates and used to pay costs of such projects. This special construction account shall be established and maintained at the Depository and shall be invested in accordance with the provisions of Section 10 of this Ordinance. Interest earned on the proceeds of the Certificates pending completion of construction of the projects financed with such proceeds shall be accounted for, maintained, deposited, and expended as permitted by the provisions of Chapter 1201, as amended, Texas Government Code, or as required by any other applicable law. Thereafter, such amounts shall be expended in accordance with Section 14 of this Ordinance.

The proper officials of the City are hereby authorized to execute and deliver a certificate pertaining to such Official

Statement as prescribed therein, dated as of the date of payment for and delivery of the Certificates.

SECTION 27. Covenants to Maintain Tax-Exempt Status.

A. Definitions. When used in this Section, the following terms have the following meanings:

Closing Date means the date on which the Certificates are first authenticated and delivered to the initial purchasers against payment therefor.

Code means the Internal Revenue Code of 1986, as amended by all legislation, if any, effective on or before the Closing Date.

Computation Date has the meaning set forth in Section 1.148-1(b) of the Regulations.

Gross Proceeds means any proceeds as defined in Section 1.148-1(b) of the Regulations, and any replacement proceeds as defined in Section 1.148-1(c) of the Regulations, of the Certificates.

Investment has the meaning set forth in Section 1.148-1(b) of the Regulations.

Nonpurpose Investment means any investment property, as defined in section 148(b) of the Code, in which Gross Proceeds of the Certificates are invested and which is not acquired to carry out the governmental purposes of the Certificates.

Rebate Amount has the meaning set forth in Section 1.148-1(b) of the Regulations.

Regulations means any proposed, temporary, or final Income Tax Regulations issued pursuant to sections 103 and 141 through 150 of the Code, and 103 of the Internal Revenue Code of 1954, which are applicable to the Certificates. Any reference to any specific Regulation shall also mean, as appropriate, any proposed, temporary or final Income Tax Regulation designed to supplement, amend or replace the specific Regulation referenced.

Yield of

(1) any Investment has the meaning set forth in Section 1.148-5 of the Regulations; and

(2) the Certificates has the meaning set forth in Section 1.148-4 of the Regulations.

B. Not to Cause Interest to Become Taxable. The City shall not use, permit the use of, or omit to use Gross Proceeds or any other amounts (or any property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with Gross Proceeds) in a manner which if made or omitted, respectively, would cause the interest on

any Certificate to become includable in the gross income, as defined in section 61 of the Code, of the owner thereof for federal income tax purposes. Without limiting the generality of the foregoing, unless and until the City receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that failure to comply with such covenant will not adversely affect the exemption from federal income tax of the interest on any Certificate, the City shall comply with each of the specific covenants in this Section.

C. No Private Use or Private Payments. Except to the extent that it will not cause the Certificates to become “private activity bonds” within the meaning of section 141 of the Code and the Regulations and rulings thereunder, the City shall at all times prior to the last Stated Maturity of Certificates:

(1) exclusively own, operate and possess all property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with Gross Proceeds of the Certificates, and not use or permit the use of such Gross Proceeds (including all contractual arrangements with terms different than those applicable to the general public) or any property acquired, constructed or improved with such Gross Proceeds in any activity carried on by any person or entity (including the United States or any agency, department and instrumentality thereof) other than a state or local government, unless such use is solely as a member of the general public; and

(2) not directly or indirectly impose or accept any charge or other payment by any person or entity who is treated as using Gross Proceeds of the Certificates or any property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with such Gross Proceeds, other than taxes of general application within the City or interest earned on investments acquired with such Gross Proceeds pending application for their intended purposes.

D. No Private Loan. Except to the extent it will not cause the Certificates to become “private activity bonds” within the meaning of section 141 of the Code and the Regulations and rulings thereunder, the City shall not use Gross Proceeds of the Certificates to make or finance loans to any person or entity other than a state or local government. For purposes of the foregoing covenant, such Gross Proceeds are considered to be “loaned” to a person or entity if- (1) property acquired, constructed or improved with such Gross Proceeds is sold or leased to such person or entity in a transaction which creates a debt for federal income tax purposes; (2) capacity in or service from such property is committed to such person or entity under a take-or-pay, output or similar contract or arrangement; or (3) indirect benefits, or burdens and benefits of ownership, of such Gross Proceeds or any property acquired, constructed or improved with such Gross Proceeds are otherwise transferred in a transaction which is the economic equivalent of a loan.

E. Not to Invest at Higher Yield. Except to the extent it will not cause the Certificates to become “arbitrage bonds” within the meaning of section 148 of the Code and the Regulations and rulings thereunder, the City shall not at any time prior to the final Stated Maturity of the Certificates directly or indirectly invest Gross Proceeds in any Investment, if as a result of such investment the Yield of any Investment acquired with Gross Proceeds, whether then held or previously disposed of, materially exceeds the Yield of the Certificates.

F. Not Federally Guaranteed. Except to the extent permitted by section 149(b) of the Code and the Regulations and rulings thereunder, the City shall not take or omit to take any action which would cause the Certificates to be federally guaranteed within the meaning of section 149(b) of the Code and the Regulations and rulings thereunder.

G. Information Report. The City shall timely file the information required by section 149(e) of the Code with the Secretary of the Treasury on Form 8038-G or such other form and in such place as the Secretary may prescribe.

H. Rebate of Arbitrage Profits. Except to the extent otherwise provided in section 148(f) of the Code and the Regulations and rulings thereunder:

(1) The City shall account for all Gross Proceeds (including all receipts, expenditures and investments thereof) on its books of account separately and apart from all other funds (and receipts, expenditures and investments thereof) and shall retain all records of accounting for at least six years after the day on which the last Outstanding Certificate is discharged. However, to the extent permitted by law, the City may commingle Gross Proceeds of the Certificates with other money of the City, provided that the City separately accounts for each receipt and expenditure of Gross Proceeds and the obligations acquired therewith.

(2) Not less frequently than each Computation Date, the City shall calculate the Rebate Amount in accordance with rules set forth in section 148(f) of the Code and the Regulations and rulings thereunder. The City shall maintain such calculations with its official transcript of proceedings relating to the issuance of the Certificates until six years after the final Computation Date.

(3) As additional consideration for the purchase of the Certificates by the Purchasers and the loan of the money represented thereby and in order to induce such purchase by measures designed to insure the excludability of the interest thereon from the gross income of the owners thereof for federal income tax purposes, the City shall pay to the United States out of the Certificate Fund or its general fund, as permitted by applicable Texas statute, regulation or opinion of the Attorney General of the State of Texas, the amount that when added to the future value of previous rebate payments made for the Certificates equals (i) in the case of a Final Computation Date as defined in Section 1.148-3(e)(2) of the Regulations, one hundred percent (100%) of the Rebate Amount on such date; and (ii) in the case of any other Computation Date, ninety percent (90%) of the Rebate Amount on such date. In all cases, the rebate payments shall be made at the times, in the installments, to the place and in the manner as is or may be required by section 148(f) of the Code and the Regulations and rulings thereunder, and shall be accompanied by Form 8038-T or such other forms and information as is or may be required by section 148(f) of the Code and the Regulations and rulings thereunder.

(4) The City shall exercise reasonable diligence to assure that no errors are made in the calculations and payments required by paragraphs (2) and (3), and if an error is made, to discover and promptly correct such error within a reasonable amount of time thereafter (and in all events within one hundred eighty (180) days after discovery of the

error), including payment to the United States of any additional Rebate Amount owed to it, interest thereon, and any penalty imposed under Section 1.148-3(h) of the Regulations.

I. Not to Divert Arbitrage Profits. Except to the extent permitted by section 148 of the Code and the Regulations and rulings thereunder, the City shall not, at any time prior to the earlier of the Stated Maturity or final payment of the Certificates, enter into any transaction that reduces the amount required to be paid to the United States pursuant to Subsection H of this Section because such transaction results in a smaller profit or a larger loss than would have resulted if the transaction had been at arm's length and had the Yield of the Certificates not been relevant to either party.

J. Certificates Not Hedge Bonds.

(1) The City reasonably expects to spend at least 85% of the spendable proceeds of the Certificates within three years after such Certificates are issued.

(2) Not more than 50% of the proceeds of the Certificates will be invested in Nonpurpose Investments having a substantially guaranteed Yield for a period of 4 years or more.

K. Elections. The City hereby directs and authorizes each Authorized Official, either individually or any combination of them, to make elections permitted or required pursuant to the provisions of the Code or the Regulations, as they deem necessary or appropriate in connection with the Certificates, in the Certificate as to Tax Exemption or similar or other appropriate certificate, form or document. Such elections shall be deemed to be made on the Closing Date.

L. Qualified Tax-Exempt Obligations. The City hereby designates the Certificates as qualified tax-exempt obligations for purposes of section 265(b) of the Code. In furtherance of such designation, the City represents, covenants and warrants the following: (a) during the calendar year in which the Certificates are issued, the City (including any subordinate entities) has not designated nor will designate obligations, which when aggregated with the Certificates, will result in more than \$10,000,000 of "qualified tax-exempt obligations" being issued; (b) the City reasonably anticipates that the amount of tax-exempt obligations issued during the calendar year 2017 by the City (including any subordinate entities) will not exceed \$10,000,000; and the City will take such action or refrain from such action as is necessary in order that the Certificates will not be considered "private activity bonds" within the meaning of section 141 of the Code.

SECTION 28. Control and Custody of Certificates. The Mayor of the City shall be and is hereby authorized to take and have charge of all necessary orders and records pending investigation by the Attorney General of the State of Texas and shall take and have charge and control of the Certificates pending their approval by the Attorney General of the State of Texas , the registration thereof by the Comptroller of Public Accounts of the State of Texas and the delivery of the Certificates to the Purchasers.

Furthermore, each Authorized Official, either individually or any combination of them, is hereby authorized and directed to furnish and execute such documents relating to the City and its financial affairs as may be necessary for the issuance of the Certificates, the approval of the Attorney General of the State of Texas and their registration by the Comptroller of Public

Accounts of the State of Texas and, together with the City's financial advisors, Bond Counsel, and the Paying Agent/Registrar, make the necessary arrangements for the delivery of the Initial Certificate to the Purchasers and, when requested in writing by the Purchasers, the initial exchange thereof for definitive Certificates.

SECTION 29. Satisfaction of Obligation of City. If the City shall pay or cause to be paid, or there shall otherwise be paid to the Holders, the principal of, premium, if any, and interest on the Certificates, at the times and in the manner stipulated in this Ordinance, then the pledge of taxes levied and the lien on and pledge of the Pledged Revenues under this Ordinance and all covenants, agreements, and other obligations of the City to the Holders shall thereupon cease, terminate, and be discharged and satisfied.

Certificates, or any principal amount(s) thereof, shall be deemed to have been paid within the meaning and with the effect expressed above in this Section when (i) money sufficient to pay in full such Certificates or the principal amount(s) thereof at Stated Maturity or to the redemption date therefor, together with all interest due thereon, shall have been irrevocably deposited with and held in trust by the Paying Agent/Registrar, or an authorized escrow agent, and/or (ii) Government Securities shall have been irrevocably deposited in trust with the Paying Agent/Registrar, or an authorized escrow agent, which Government Securities have, in the case of a net defeasance, been certified by an independent accounting firm to mature as to principal and interest in such amounts and at such times as will insure the availability, without reinvestment, of sufficient money, together with any money deposited therewith, if any, to pay when due the principal of and interest on such Certificates, or the principal amount(s) thereof, on and prior to the Stated Maturity thereof or (if notice of redemption has been duly given or waived or if irrevocable arrangements therefor acceptable to the Paying Agent/Registrar have been made) the redemption date thereof for the Certificates. In the event of a gross defeasance of the Certificates, the City shall deliver a certificate from its financial advisor, the Paying Agent/Registrar, or another qualified third party concerning the deposit of cash and/or Government Securities to pay, when due, the principal of redemption premium (if any), and interest due on any defeased Certificate. The City covenants that no deposit of money or Government Securities will be made under this Section and no use made of any such deposit which would cause the Certificates to be treated as arbitrage bonds within the meaning of section 148 of the Code (as defined in Section 27 hereof).

Any money so deposited with the Paying Agent/Registrar, and all income from Government Securities held in trust by the Paying Agent/Registrar, or an authorized escrow agent, pursuant to this Section which is not required for the payment of the Certificates, or any principal amount(s) thereof, or interest thereon with respect to which such money has been so deposited shall be remitted to the City or deposited as directed by the City. Furthermore, any money held by the Paying Agent/Registrar for the payment of the principal of and interest on the Certificates and remaining unclaimed for a period of three (3) years after the Stated Maturity of the Certificates, or applicable redemption date of the Certificates, such money was deposited and is held in trust to pay shall upon the request of the City be remitted to the City against a written receipt therefor, subject to the unclaimed property laws of the State of Texas.

Notwithstanding any other provision of this Ordinance to the contrary, it is hereby provided that any determination not to redeem defeased Certificates that is made in conjunction with the payment arrangements specified in subsection (i) or (ii) above shall not be irrevocable,

provided that: (1) in the proceedings providing for such defeasance, the City expressly reserves the right to call the defeased Certificates for redemption; (2) gives notice of the reservation of that right to the owners of the defeased Certificates immediately following the defeasance; (3) directs that notice of the reservation be included in any redemption notices that it authorizes; and (4) at the time of the redemption, satisfies the conditions of (i) or (ii) above with respect to such defeased debt as though it was being defeased at the time of the exercise of the option to redeem the defeased Certificates, after taking the redemption into account in determining the sufficiency of the provisions made for the payment of the defeased Certificates.

SECTION 30. Printed Opinion. The Purchasers' obligation to accept delivery of the Certificates is subject to their being furnished a final opinion of Norton Rose Fulbright US LLP, San Antonio, Texas, as Bond Counsel, approving certain legal matters as to the Certificates, this opinion to be dated and delivered as of the date of initial delivery and payment for such Certificates. Printing of a true and correct copy of this opinion on the reverse side of each of the Certificates, with appropriate certificate pertaining thereto executed by facsimile signature of the City Secretary of the City is hereby approved and authorized.

SECTION 31. CUSIP Numbers. CUSIP numbers may be printed or typed on the definitive Certificates. The City may, without the consent of or notice to any Holders, from time to time and at any time, amend this Ordinance in any manner not detrimental to the interests of the Holders, including the curing of any ambiguity, inconsistency, or formal defect or omission herein. In addition, the City may, with the written consent of Holders holding a majority in aggregate principal amount of the Certificates then Outstanding affected thereby, amend, add to, or rescind any of the provisions of this Ordinance; provided, however, that, without the consent of all Holders of Outstanding Certificates, no such amendment, addition, or rescission shall (1) extend the time or times of payment of the principal of and interest on the Certificates, reduce the principal amount thereof or the rate of interest thereon, or in any other way modify the terms of payment of the principal of, the redemption price therefor, or interest on the Certificates, (2) give any preference to any Certificate over any other Certificate, or (3) reduce the aggregate principal amount of Certificates required for consent to any such amendment, addition, or rescission.

SECTION 34. Benefits of Ordinance. Nothing in this Ordinance, expressed or implied, is intended or shall be construed to confer upon any person other than the City, Bond Counsel, Paying Agent/Registrar, and the Holders, any right, remedy, or claim, legal or equitable, under or

by reason of this Ordinance or any provision hereof, this Ordinance and all its provisions being intended to be and being for the sole and exclusive benefit of the City, Bond Counsel, Paying Agent/Registrar, and the Holders.

SECTION 39. Incorporation of Preamble Recitals. The recitals contained in the preamble hereof are hereby found to be true, and such recitals are hereby made a part of this Ordinance for all purposes and are adopted as a part of the judgment and findings of the City Council of the City.

SECTION 40. Authorization of Paying Agent/Registrar Agreement. The City Council of the City hereby finds and determines that it is in the best interest of the City to authorize the execution of a Paying Agent/Registrar Agreement concerning the payment, exchange, registration, and transferability of the Certificates. A copy of the Paying Agent/Registrar Agreement is attached hereto, in substantially final form, as Exhibit A and is incorporated by reference to the provisions of this Ordinance.

The provisions of this Section are for the sole benefit of the holders and beneficial owners of the Certificates, and nothing in this Section, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The City undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Section and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the City’s financial results, condition, or prospects or hereby undertake to update any information provided in accordance with this Section or otherwise, except as expressly provided herein. Nothing in this Section is intended or shall act to disclaim, waive, or otherwise limit the duties of the City under federal and state securities laws.

The provisions of this Section may be amended by the City from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the City, but only if (1) the provisions of this Section, as so amended, would have permitted an underwriter to purchase or sell Certificates in the primary offering of the Certificates in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of such amendment, as

well as such changed circumstances, and (2) either (a) the holders of a majority in aggregate principal amount (or any greater amount required by any other provision of this Ordinance that authorizes such an amendment) of the Outstanding Certificates consent to such amendment or (b) a person that is unaffiliated with the City (such as nationally recognized bond counsel) determines that such amendment will not materially impair the interests of the holders and beneficial owners of the Certificates. The City may also repeal or amend the provisions of this Section if the SEC amends or repeals the applicable provisions of the Rule or any court of final jurisdiction enters judgment that such provisions of the Rule are invalid, and the City also may amend the provisions of this Section in its discretion in any other manner or circumstance, but in either case only if and to the extent that the provisions of this sentence would not have prevented an underwriter from lawfully purchasing or selling Certificates in the primary offering of the Certificates, giving effect to (a) such provisions as so amended and (b) any amendments or interpretations of the Rule. If the City so amends the provisions of this Section, the City shall include with any amended financial information or operating data next provided in accordance with this Section an explanation, in narrative form, of the reasons for the amendment and of the impact of any change in the type of financial information or operating data so provided.

Upon issuance, the ownership of each such Certificate shall be registered in the name of Cede & Co., as the nominee of DTC, and all of the Outstanding Certificates shall be registered in the name of Cede & Co., as the nominee of DTC. The City and the Paying Agent/Registrar are authorized to execute, deliver, and take the actions set forth in such letters to or agreements with DTC as shall be necessary to effectuate the DTC System, including the Letter of Representations attached hereto as Exhibit D (the *Representation Letter*).

With respect to the Certificates registered in the name of Cede & Co., as nominee of DTC, the City and the Paying Agent/Registrar shall have no responsibility or obligation to any

broker-dealer, bank, or other financial institution for which DTC holds the Certificates from time to time as securities depository (a *Depository Participant*) or to any person on behalf of whom such a Depository Participant holds an interest in the Certificates (an *Indirect Participant*). Without limiting the immediately preceding sentence, the City and the Paying Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co., or any Depository Participant with respect to any ownership interest in the Certificates, (ii) the delivery to any Depository Participant or any other person, other than a registered owner of the Certificates, as shown on the Security Register, of any notice with respect to the Certificates, including any notice of redemption, or (iii) the delivery to any Depository Participant or any Indirect Participant or any other Person, other than a Holder of a Certificate, of any amount with respect to principal of, premium, if any, or interest on the Certificates. While in the DTC System, no person other than Cede & Co., or any successor thereto, as nominee for DTC, shall receive a bond certificate evidencing the obligation of the City to make payments of principal, premium, if any, and interest pursuant to this Ordinance. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Ordinance with respect to interest checks or drafts being mailed to the Holder, the word "Cede & Co." in this Ordinance shall refer to such new nominee of DTC.

In the event that (a) the City determines that DTC is incapable of discharging its responsibilities described herein and in the Representation Letter, (b) the Representation Letter shall be terminated for any reason, or (c) DTC or the City determines that it is in the best interest of the beneficial owners of the Certificates that they be able to obtain certificated Certificates, the City shall notify the Paying Agent/Registrar, DTC, and the Depository Participants of the availability within a reasonable period of time through DTC of bond certificates, and the Certificates shall no longer be restricted to being registered in the name of Cede & Co., as nominee of DTC. At that time, the City may determine that the Certificates shall be registered in the name of and deposited with a successor depository operating a securities depository system, as may be acceptable to the City, or such depository's agent or designee, and if the City and the Paying Agent/Registrar do not select such alternate securities depository system then the Certificates may be registered in whatever name or names the Holders of Certificates transferring or exchanging the Certificates shall designate, in accordance with the provisions hereof.

Notwithstanding any other provision of this Ordinance to the contrary, so long as any Certificate is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of, premium, if any, and interest on such Certificate and all notices with respect to such Certificate shall be made and given, respectively, in the manner provided in the Representation Letter.

SECTION 46. Further Procedures. The officers and employees of the City are hereby authorized, empowered and directed from time to time and at any time to do and perform all such acts and things and to execute, acknowledge and deliver in the name and under the corporate seal and on behalf of the City all such instruments, whether or not herein mentioned, as may be necessary or desirable in order to carry out the terms and provisions of this Ordinance, the initial sale and delivery of the Certificates, the Official Bid Form, the Paying Agent/Registrar Agreement, and the Official Statement. In addition, prior to the initial delivery of the Certificates, any Authorized Official and Bond Counsel are hereby authorized and directed to

approve any technical changes or corrections to this Ordinance or to any of the instruments authorized and approved by this Ordinance and as described in the Official Statement necessary in order to (i) correct any ambiguity or mistake or properly or more completely document the transactions contemplated and approved by this Ordinance, (ii) obtain a rating from any of the national bond rating agencies, or (iii) obtain the approval of the Certificates by the Texas Attorney General's office. In case any officer of the City whose signature shall appear on any certificate shall cease to be such officer before the delivery of such certificate, such signature shall nevertheless be valid and sufficient for all purposes the same as if such officer had remained in office until such delivery.

SECTION 47. Contracts with Financial Advisor and/or Bond Counsel. The City Council authorizes the Mayor, the Mayor Pro Tem, and/or the City Manager, or their designees, to take all actions necessary to execute any necessary financial advisory contracts with SAMCO Capital Markets, Inc., as the financial advisor to the City (the *Financial Advisor*). The City understands that under applicable federal securities laws and regulations that the City must have a contractual arrangement with its Financial Advisor relating to the sale, issuance, and delivery of the Certificates. In addition, the City Council also authorizes the Mayor, the Mayor Pro Tem, and/or the City Manager, or their designees, to take all actions necessary to execute any necessary engagement agreement with Norton Rose Fulbright US LLP, as the Bond Counsel to the City.

SECTION 48. City's Consent to Provide Information and Documentation to the Texas MAC. The Municipal Advisory Council of Texas (the *Texas MAC*), a non-profit membership corporation organized exclusively for non-profit purposes described in section 501(c)(6) of the Internal Revenue Code and which serves as a comprehensive financial information repository regarding municipal debt issuers in Texas, requires provision of written documentation regarding the issuance of municipal debt by the issuers thereof. In support of the purpose of the Texas MAC and in compliance with applicable law, the City hereby consents to and authorizes any Authorized Official, Bond Counsel to the City, and/or Financial Advisor to the City to provide to the Texas MAC information and documentation requested by the Texas MAC relating to the Certificates; provided, however, that no such information and documentation shall be provided prior to the Closing Date. This consent and authorization relates only to information and documentation that is a part of the public record concerning the issuance of the Certificates.

SECTION 49. Effective Date. Pursuant to the provisions of Section 1201.028, as amended, Texas Government Code, this Ordinance shall be effective immediately upon adoption, notwithstanding any provision in the City's Home Rule Charter to the contrary concerning a multiple reading requirement for the adoption of ordinances.
