

ADDENDUM NO. 2

APRIL 6, 2018

CITY OF LUCAS

PARKER ROAD WATER LINE PHASE 2 (Bid 013-18) (FROM LEWIS LANE TO EAST OF SANTA FE TRAIL)

This Addendum forms a part of the Contract Documents and Specifications. Acknowledge receipt of the Addendum in the space provided in the Bid Form and on the outer envelope of the Bid Proposal. Failure to acknowledge receipt of this Addendum may subject Bidder to disqualification.

SPECIFICATIONS

1. In the Base Bid Schedule, delete Pages BS-4 and BS-5 and replace with the attached Pages BS-4 and BS-5.
2. For the Contract Time, add the following:

“During the first 45 days of the Contract Time, in addition to the proposed water line between Lewis Lane and Cimmaron Trail being installed, the 2” service line from Santa Fe Trail to the west along Parker Road shall also be installed during this period.”

PLANS

3. On Sheet No. 2 in the General Notes, add the following:
 51. The proposed water line shall be installed with a minimum of 4 feet of cover.
 52. The Contractor shall place 500 square yards of Curlex erosion control at sites on the project, as directed by the City.
 53. The Contractor shall purchase and furnish to the City a Radiodetection Corporation’s digital PXL-2 pipe locator.
4. On Sheet No. 11 and Sheet No. 14, add the following note:

The Contractor shall install the proposed 2” water service under Santa Fe Trail and connect it to the existing 6” water line on the east side of the road. Once the proposed 6” water line on the west side of the road has been installed and placed in service, the Contractor shall connect the 2” water service to the new 6” water line on the west side of the road and shall cut and plug the 2” service on the west side of the road, as directed by the City.
