

City of Lucas New Recycle Program

New Container Delivery Schedule

Green recycling container delivery will begin on April 2 (95 gallon). All items must fit into the container for services. You may request a second cart for an additional fee.

Service Schedule

Recycle collection will be once every other week on Fridays.

Place at the curb on Friday at 7:00 a.m. Crews will be collecting by area starting at 7 a.m. Your first collection services will begin on April 13, 2018

Container Placement

Place your recycling container two feet away from the edge of the street. Make sure the handle is facing your home, so that the lid opens toward the street. Please check to make sure your containers are not obstructed by parked cars, boats, etc.

When Should I Set Out My Containers?

Be sure your containers are set out for collection by 7:00 a.m. on Fridays for recycling collection.

Additional Services: Call 1-972-422-2341

Additional containers may be ordered for a minimum monthly charge. Cart repair: request when needed by calling Republic Services' customer service, or download the My Resource application.

More Information

If you have any additional questions, please call Republic Services at **1-972-422-2341**.

What Can Be Recycled In Your Green Container?

Recyclable Items

Republic Service's All-In-One Recycling™ program means all recyclables are placed into one container with no sorting. All recyclables must be clean, empty, dry and not bagged. The following items should be placed in your recycling container:
