

Trash Collection Services

City of Lucas Guidelines: The City of Lucas contracts with Barnes Waste Disposal Service (BWDS) for trash collection services. The charge for trash collection is added to your monthly water bill. If your water is provided by another source, you will receive a bill from the City of Lucas for trash service only.

General Information: To avoid missing collection, be sure to have ALL your trash out by 7:00 a.m. on your day of service.

Basic Service: This service level consists of weekly trash collection from containers equivalent to one (1) 96-gallon polycart plus up to 3 kitchen-sized bags or up to 120 gallons. Upon request, each residence will be supplied with (1) 96-gallon polycart at no charge. Cost is \$21.57 (includes tax).

Expanded Service: Expanded Service consists of weekly trash collection up to 240 gallons. Residents should contact BWDS to request expanded service. BWDS will then notify the City and your bill will be adjusted for the additional monthly cost. Expanded Service does not change the collection frequency or the amount of included bulky items collected. Cost is \$26.50 (includes tax).

BWD shall have no obligation to collect trash, garbage or refuse in excess of 120 gallons from residents opting for basic service, or 240 gallons from residents opting for expanded service. If your residence requires more than the above described, you may request another polycart and each additional 100 gallons of refuse will be collected at an additional rate.

Bulky Items: The amount of 2 cubic yards (6ft X 3ft X 3ft, or approximately the size of a sofa) will be collected twice per month upon request, normally on your regular day of service. Examples of bulky items are furniture, appliances, junk clean out, and yard debris. If you have more than 2 cubic yards to be collected at one time, please call BWDS to schedule a “special collection”. That will be subject to an extra charge and will be billed directly by BWDS.

Tree limbs/brush: Bundled and tied lawn debris will be collected in unlimited amount so long as it is cut no longer than 4ft [48 inches] in length AND weighs no more than 40 lbs per each individual bundle. A different truck may collect tree limbs/brush if more than 2 cubic yards is out. In addition, BWDS will schedule larger/uncut brush piles on a first come, first serve basis of up to (10) cubic yards twice per calendar year. This complimentary service requires brush to be curbside and will not be collected with your regular weekly trash. Contact BWDS to schedule a collection.

Extra Services: such as carry out from your backyard, pasture, tree line etc. can be arranged and will be quoted on an “as needed” basis. The cost for these services will be billed directly from BWDS and must be paid prior to collection.

Stable Matter: Manure or stable matter will be billed per (96 gal) container to the customer by BWDS. Customers must purchase their own container(s) for manure or stable matter.

Construction/Remodel/Yard Debris: BWDS will not collect or dispose of construction, remodel or landscape debris if generated by a business, individual or entity providing such services to the property owner.

Household Hazardous Waste: Please call BWDS for collection dates and instructions. Certain items or excessive amounts may be spread among multiple dates OR may require an extra fee.

Holiday Schedule

BWDS observes the following holidays. If your regular day of collection falls on or after a weekday holiday, service will be delayed one day for that week only. Friday routes will be collected on Saturday. Please note that we do not skip service for any holidays other than those listed below:

- New Year's Day - Memorial Day - 4th of July - Labor Day - Thanksgiving Day - Christmas Day
