7. The parties agree that both Sections 163.3220 through 163.3243 F.S. (2015), the **Florida Local Government Development Agreement Act ("Act")** and Sections 86-141 through 86-149 of the **Code of the City of Madelra Beach ("Code")**, are fully complied with in all respects by the parties. The provisions of said Act and Code provisions are incorporated herein by reference, and in the event of any conflict between the language of this Development Agreement and the above sections of the City's Zoning Code, such conflict will be resolved in favor of the provisions of the Code in effect as of the date of this Agreement. Changes to the Code regarding life/safety matters (building codes, fire codes, etc.) shall be enforceable as of the effective date thereof. The Act, referenced Code provisions, the Final Site Plan and terms of this Agreement shall govern the development of the Property and the relationship of the parties in the terms of this Agreement. The parties agree that the legislative discretion of the City Commission to adopt such life safety codes shall be superior to any agreements contained herein and such codes may be adopted without any special notice to the Developer and that the Developer shall not be entitled to any special hearing relative to the adoption of such codes.

8. The Project shall be developed in accordance with the Final Site Plan attached hereto as Exhibit "B" and incorporated herein by reference. For this reason, the compliance by the City, Developer and respective successors in title with the Final Site Plan, as described in Exhibit "B", on a continuing basis is of critical importance to the City and Developer, and any deviation therefrom shall be deemed to be a material breach of this Agreement and of the covenants which are entered into by the parties and are recorded for the long-term protection of the public.

9. The City hereby reserves the capacity in the public facilities necessary to serve the Project.

10. The Developer and City have agreed to the provisions, restrictions, limitations and requirements which are otherwise set forth in detail in this Agreement and any exhibits attached hereto.

In the event that this Agreement is subject to termination pursuant to the provisions hereof, either party may record an affidavit signed by all parties hereto or their respective successors and assigns in the Public Records of Pinellas County, Florida reflecting that such termination has occurred and that this Agreement is thereby terminated and by such affidavit, notice that the termination provisions of this Agreement pursuant to this paragraph have occurred. The party recording such affidavit shall send a copy of the recorded affidavit to the other party and this Agreement shall be terminated and shall be deemed void and of no further force and effect. 17. Third Party Rights. The parties represent, to their respective best knowledge, that nothing herein is barred or prohibited by any other contractual agreement to which it is a party, or by any Statute or rule of any governmental agency, or any third party's rights or by the rights of contract vendees, lien holders, mortgage holders or any other party with a direct or contingent interest in the Property, whether legal or equitable.

The parties agree that such codes may be adopted without any special notice to the Developer and that the Developer shall not be entitled to any special hearing relative to the adoption of such codes. Failure of this Agreement to address a particular permit, condition, term, restriction, or to require a development permission shall not relieve the Developer of the necessity of complying with the law governing said permitting requirements, conditions, terms or restrictions in any matter or thing required under existing Ordinances of the City or regulations of any other governmental agency, or any other entity having legal authority over the Property. Except as provided in this Agreement, all applicable impact fees, development review fees, building permit fees and all other fees of any type or kind shall be paid by Developer in accordance with their terms and in such amount applicable as they become due and payable net of any applicable credits for existing structure.

The parties further agree that any and all action by the Developer or its representatives in negotiation of this Agreement, including all acts or expenditures in the implementation of this Agreement or submittals to other governmental bodies shall in no way be deemed to be an action in reliance giving rise to an equitable estoppel.
