

# MADEIRA BEACH MASTER PLAN

Guiding the City Towards a Resilient Future

## Project Overview

### What is the new City Master Plan?

The new City Master Plan will be a guiding document for future development and capital improvements within the City that reflect the community’s vision and priorities.

The new City Master Plan will replace the 2002 Master Plan to address evolving community needs and implement modern, sustainable practices and solutions.

The Master Plan will identify goals, objectives, and implementation strategies that will:

- ✓ Address local challenges,
- ✓ Promote sustainable development that aligns with the community’s vision and needs,
- ✓ Help our City adapt to future conditions, and
- ✓ Enhance quality of life for all who live, work, and visit Madeira Beach.
