

MEMORANDUM

TO: Honorable Mayor and Board of Commissioners
FROM: Robert Daniels, City Manager 
SUBJECT: Beach Access
DATE: August 31, 2020
RE: **Beach Access – Temporary Closure**

On August 31, 2020, I met with the contractor completing the Gulf Grill and Tom and Kitty Stuart Park. Since our beach access is not ADA Compliant and there are no other temporary options, the access will be closed while the new beach access is constructed. The time frame is estimated to be four to six weeks based on the weather. The contractor hopes to be completed by the end of September, historically a slow month.

Signage will direct the public to the beach access at 14146 Gulf Blvd and will be posted on our website and social media.
