

# ATTENTION!!

During the week of November 23rd, Gibbs & Register will continue the installation of curb on Crystal Drive, residents will see crews installing curb on the west sides of the roadway (south bound lane). The three-phase process will involve digging out the side of the roadway, installing the curbing, and then cutting the curbing to allow access to residential driveways. During this process, residents in affected areas will not be able to access their driveway for up to 2 days.

Homes on Crystal Drive on the West side from **506 to 530** & **560 to 574** will be affected with the curb installation.

Be sure to contact your landscaper, pool service, housekeeping and contractors to inform them about the above work.

Please note above work is contingent on weather.

We appreciate your cooperation and understanding while we work to improve your City. We apologize for any inconvenience.

Thank you!

# ATTENTION!!

During the week of November 30th, Gibbs & Register will continue the installation of curb on Crystal Drive, residents will see crews installing curb on the east sides of the roadway (north bound lane). The three-phase process will involve digging out the side of the roadway, installing the curbing, and then cutting the curbing to allow access to residential driveways. During this process, residents in affected areas will not be able to access their driveway for up to 3 days.
