

LEVINE ACT DISCLOSURE STATEMENT & FORM

The Levine Act applies to all agencies whose members are directly elected by the voters. It precludes these elected officials from participating in or influencing a decision to issue a "license, permit, or other entitlement for use" if he or she receives any political contributions totaling more than \$500 in the 12 months before the pendency of the license, permit or other entitlement for use, and for 12 months following the final decision, from the person or company awarded the license, permit or use.

The Levine Act requirements do not apply to (i) competitively bid contracts that are required by law, agency policy, or agency rule to be awarded pursuant to a competitive process; (ii) labor contracts; (iii) personal employment contracts; (iv) contracts valued under fifty thousand dollars (\$50,000); (v) contracts where no party receives financial compensation; (vi) contracts between two or more agencies; (vii) the periodic review or renewal of development agreements unless there is a material modification or amendment proposed to the agreement.

You must complete this form if you are a party, participant or agent that has contributed more than \$500 to a member of the Board of Supervisors, or to the Assessor, District Attorney, or Sheriff, within the 12 months prior to a proceeding involving a license, permit or other entitlement for use, as defined in Government Code section 84308, subd. (a). Agents to a party include an attorney, engineer, architect, or other representative, and are subject to the requirements of the Levine Act in the same manner as parties and participants.

Parties are solely responsible for completing this form accurately and should refer to Government Code section 84308, et seq. and to California Code of Regulations, Title 2, section 18438, et seq. If you are uncertain about whether you are required to report or combine a contribution, you should consult with an attorney. Submit separate forms for each elected County officer to whom a contribution was made.
