

June 21, 2021

Dear Resident/Business Owner:

Ghilotti Construction will begin work on Lucas Valley Road as part of the Highway Safety Improvement Project Lucas Valley Road Curve Realignment Project. This work consists of constructing a soldier pile retaining wall to facilitate a reconfiguration of the roadway, paving, installing a new concrete barrier, new traffic signs, roadway striping, and various storm drain improvements.

WORK SITE LOCATION (Lucas Valley Road):

Mile Point 5.08 (approx. ¼ Mile East of the Big Rock Trailhead)

DURATION OF CONSTRUCTION:

June 25, 2021 to November 18, 2021 ±100 Working Days

CREW WORKING HOURS:

Typically from 7:00 am – 5:00 pm Monday through Friday.

TRAFFIC CONTROL:

You may encounter minor construction noise and traffic delays due to the dynamics of the work involved. This includes periods of heavy trucking traffic along the roadway. Ghilotti Construction Company will provide flaggers, as needed, at all intersections throughout the locations stated above. Access to residents along work sites will be our number one priority. Full access will be restored after crew work hours end daily. It is our commitment to keep these inconveniences to a minimum.

A one-lane roadway will have to be utilized for several months due to the nature of the work; during this time a fully-functional auto-sensing traffic signal system will be in place to ensure the safety of motorist, bicycle, and pedestrian traffic at all times.

CONTROL PROCEDURE:

We will try to minimize the inconvenience to you however; Construction noise will be present throughout the day. Traffic delays of up to ten minutes may be expected.

CONTACT INFORMATION:

If you have any questions about this project or if you have any conflicts with this schedule or have any special access requirements that may be affected during construction please do not hesitate to contact me at any time at (415) 256-1525. During an emergency, please contact the local authorities.

Sincerely,

Riley Genazzi
Senior Project Manager, Ghilotti Construction Company
