SUBJECT: Approval of Plans & Specifications
Authorization to Advertise for Bids
2021 Redwood Highway Frontage Road Pavement Repairs
County Project No. 2021-11

Accounting

Dear Board Members:

Administrative Services

RECOMMENDATION: 1) Approve plans and specifications; 2) Direct the Clerk to advertise the Notice to Bidders on July 20 and July 27; and 3) Authorize the Clerk to call for bids to be opened at 3:00 p.m. on Thursday, August 5, 2021.

Building Maintenance

SUMMARY: The County's unincorporated road network condition has improved dramatically in the last decade due to concerted efforts to invest in our infrastructure. One of the strategies staff uses is to combine pavement rehabilitation work with other types of improvements when possible to avoid future trench cuts into otherwise good pavement. Improvements to Redwood Highway Frontage Road have been deferred for this reason, as the County has a future utility undergrounding project that should logically be completed before or at the same time as pavement rehabilitation.

Disability Access

However, there is a small segment of Redwood Highway Frontage Road (approximately 800 feet) from the north side of Seminary Drive to the southern driveway at 580 Redwood Highway Frontage Road that has deteriorated to the point that rehabilitation is needed now. The improvements needed include full width grinding, repairing road base failures, and asphalt resurfacing.

Road Maintenance

Construction will take place during the daytime hours with traffic control measures. Ten-minute delays during lane closures are expected; however, uninterrupted access will always be provided for emergency vehicles. Staff will coordinate with McDonalds to evaluate customer access impacts during the paving of the northbound lane only. All other businesses have at least one driveway outside the limits of the work. Every effort will be made to provide advanced notice and minimize inconvenience to residents and businesses.

Stormwater Program

Staff has evaluated this project in conformance with the Department's multi-modal policy.
