

PHOENIX LAKE IRWM RETROFIT

Attachment 12 - AB 1420 and Water Meter Compliance Information

Marin County Flood Control and Water Conservation District, Flood Zone 9 (FZ9) is the applicant for this grant, but FZ9 is not an urban water supplier. The Phoenix Lake IRWM Retrofit will be constructed on lands owned by Marin Municipal Water District (MMWD), which is an urban water supplier. Attached is an AB1420 compliance letter for MMWD from DWR.

DEPARTMENT OF WATER RESOURCES

November 8, 2010

Mr. Paul Helliker, General Manager
Marin Municipal water District
220 Nellen Avenue
Corte Madera, California 94925-1169

Dear Mr. Helliker:

The Department of Water Resources (DWR) has reviewed the Marin Municipal Water District's (MMWD) Self-Certification Statement – Table 1 and Table 2 dated September 2, 2010, regarding implementation of the Urban Best Management Practices (BMPs).

The purpose of DWR's review is to determine eligibility of MMWD to receive water management grant or loan funds. DWR has followed the *Draft AB 1420 Compliance Requirements* dated June 1, 2009. For detailed information, please visit <http://www.water.ca.gov/wateruseefficiency/finance/>.

Based on DWR's review of the information in Table 1 and Table 2, MMWD has and is currently implementing the BMPs consistent with AB 1420 and, therefore, is eligible to receive water management grant or loan funds.

DWR reserves the right to request additional information and documentation, including reports from MMWD to substantiate the accuracy of the information provided in Table 1 and Table 2. DWR may reverse or modify its eligibility determination and notify you and the funding agency if inaccuracies are found in the supporting documentation or in Table 1 and Table 2.

If you have any questions, please contact me at (916) 651-7025 or Jodi Evans at (916) 651-7026.

Sincerely,

A handwritten signature in black ink, appearing to read "Fethi BenJemaa".
