

All are invited to attend the “1<sup>st</sup> Annual City of Marlin T-15 Aviation Pancake Fly In and Young Eagles Rally” on ***Saturday, Nov 7, 2020 from 8:00 a.m. – 3:00 p.m. @ City Lake/Airport 500 FM 147***, the goal is to promote aviation among the youth of Marlin and the areas of Falls County, through informing them of all the opportunities aviation has to offer and ways to make those opportunities meaningful towards future careers. Additionally, children will have an opportunity to visit with many pilots and see the many different aircrafts of the aviation world.

This event is hosted by the City of Marlin in collaboration with American Airlines Captain and Vice President of the Experimental Aircraft Association Chapter 34 “Skywriters” of Arlington, Texas.

This will promote aviation by offering Young Eagles Flights, Eagles Flights, skills training, technical advice, homebuilding and restoration of aircraft, fly outs, supporting pilots and airports, and community outreach. EAA 34 is a very active chapter and we are engaged in all aspects of the EAA mission. The EAA34 will promote the Young Eagles Rally by providing a short free airplane ride for approx. 30 - 40 kids with a mini ground school, some career path information and several valuable benefits from the EAA.

300-500 kids from around the local areas of Falls County are expected to attend this event.

***SPONSORS: City of Marlin, EAA #34, American Airlines, Falls County, Apple Sports, WalMart, McDonalds, Ace Hardware, H.E.B., and BanCorp South.***
