

**BENJAMIN "BEN" LOPEZ**  
Montclair City Councilman

Age: 48

It has been an honor serving as your Councilman. As a lifetime resident, businessman, baseball coach and community volunteer, I kindly ask for your vote.

Together, we have accomplished much. I fought for better school safety, resulting in 180 new stop signs and crossing guards hired. We hired 12 new police officers and 8 new firefighters to keep you safe. We restored our medic squad. Streets were paved. \$2 million has been secured for Saratoga Park. \$1 million has gone to alleyway improvements. \$1.35 million has gone to street improvements. We have saved residents \$40 million by securing grants and another \$84 million potentially on the way.

I am asking for your vote to continue building on this success. I will continue to advocate for public safety, seniors, veterans, homeless outreach and youth programs. Crack down on speeding and graffiti. I remain committed to bringing in jobs, business and affordable housing. Thriving businesses mean more jobs for our residents. Let's start construction of the Gold Line. I did not vote to give myself a pay raise.

Working with you, it would be an honor to continue serving you on the Council. For more information contact Ben at 909.437.8174 or [benlopez4montclair@gmail.com](mailto:benlopez4montclair@gmail.com).
