

XAVIER MENDEZ
Planning Commissioner

Age: 57

People of Montclair:

I've been a member of the City of Montclair community since 1966. I attended Monte Vista Elementary, Serrano Middle School, and Montclair High School, graduating in 1985. I've seen this outstanding City grow into what it is today.

I'm a retired Public Works Superintendent for the City of Montclair with almost 29 years of progressive knowledge with experience in all aspects of Public Works maintenance and operations. I was also in charge of maintaining all City-owned vehicles and equipment, including Police and Fire.

I'm currently a Montclair Planning Commissioner and recently went back to work as an Inspector for an Engineering Firm doing major underground utility work.

My 29 years of institutional knowledge will benefit the City of Montclair and future decisions that are made in years to come. I have been a well-rounded employee and steward to the residents and the community while understanding the needs of its residents and business owners. My knowledge of all the Departments in the City of Montclair is a true value.

I want to help the City become a shining gem in the Inland Empire and hope you will vote for me as your new Council Member.
