Recognized Obligation Payment Schedule (ROPS 14-15B) - Notes

January 1, 2015 through June 30, 2015

Item #	Notes/Comments
42	Agreement with City of Montclair to administer bond proceeds for project approved by bond counsel and Oversight Board submitted to Finance for approval. In accordance with agreement all bond proceeds on hand to be disbursed to City of Montclair for administration. This item is the disbursement of those proceeds in accordance with that agreement.
51	In accordance with Section 34171 (p) (1) as specified in AB 471, signed by the Governor 2/18/14 and effective as urgency legislation, the Montclair Housing Authority (Successor Housing Entity) is eligible to receive a "housing administrative cost allowance". This allowance is to be up to 1% of the property taxes allocated to the RORF (Redevelopment Obligation Retirement Fund) but not less than \$150,000 per fiscal year. In fiscal year 2012-13, \$4,369,300 was allocated to the Montclair Successor Agency RORF and 1% of that amount would be \$43,693. Since that amount is less than the prescribed minimum threshold of \$150,000 and since the administrative cost budget applicable to maintaining properties held by the Montclair Housing Authority is \$326,702 for fiscal year 2013-14, the minimum threshold amount would be applicable. Therefore, the minimum allocation amount of \$150,000 would be due to Montclair Housing Authority. Since this amount was improperly rejected in ROPS 14-15A and is the subject of litigation against Finance it is again being claimed.
52	Prior administrative costs incurred to prepare the LRPMP have never been paid to the Successor Agency. Therefore, the Successor Agency has been unable to reimburse the City of Montclair for these costs. The Successor Agency was never notified that specific time records were required by Finance nor have any other Successor Agencies. Therefore, this enforceable obligation was improperly rejected in ROPS 14-15A and since it is the subject of litigation against Finance it is again being claimed.
53	Reserves of Successor Agency claimed for ROPS 13-14B to be used by Successor for administrative costs since Health and Safety Code indicated administration limitation did not apply. Finance in their determination applied these reserves to other enforceable obligations. This application is improper and since it is the subject of litigation against Finance it is again being claimed.
