We strive to provide high quality food and consistently follow our monthly menu; however, due to the COVID-19 pandemic, our supply of certain items on the daily menu may be low. We do our best to serve the items on our menu as advertised; however, we appreciate your understanding that the menu is subject to change daily. In addition, although we do our best to forecast how many meals will be needed daily, the demand for meals greatly varies and we may run out of the advertised menu; however, we will always have an option for lunch to provide any senior that participates in the daily nutrition program.

Thank you for your understanding. Please call Toni Carrillo at (909) 625-9456 with any questions or concerns.
