TRANSFER, ACCESS AND MAINTENANCE AGREEMENT**

CITY OF MONTCLAIR, COUNTY OF SAN BERNARDINO, STATE OF CALIFORNIA

This Agreement is made this ____ day of _____, 2020, by and between the City of Montclair, a municipal corporation, hereinafter referred to as CITY, and _____ hereinafter referred to as OWNER, as follows:

WHEREAS, the Owner is the legal property owner of the real property situated in the State of California, County of San Bernardino, located at _____ in the City of Montclair, more commonly referred to as San Bernardino Tax Assessor Parcel No. _____ and more particularly described in Exhibit A attached hereto and incorporated herein by reference.

WHEREAS, at the time of initial approval of the development project known as _____ within the Property described herein, the City required the project to employ Stormwater Treatment Devices, hereinafter referred to as "STDs" to minimize pollutants in urban runoffs; and

WHEREAS, in order to minimize pollutants in urban runoff and to minimize other adverse impacts of urban runoff, the Owner has installed and/or implemented STDs as described in the Water Quality Management Plan, on file with the City, hereinafter referred to as "WQMP;" a copy of the WQMP Exhibit, title page, Project Owners Certification page, Preparers' Certification page and Operations and Maintenance section is attached hereto as Exhibit B and incorporated herein by reference; and

WHEREAS, said WQMP has been certified by the Owner and reviewed and approved by the City; and

WHEREAS, said STDs, with installation and/or implementation on private property and draining only private property, are part of a private facility where all maintenance or replacement is the sole responsibility of the Owner in accordance with the terms of this Agreement; and

WHEREAS, the Owner is aware that continuous maintenance, including, but not necessarily limited to, filter material replacement and sediment removal, is required to assure peak performance of all STDs in the WQMP and that, furthermore, such maintenance activity will require compliance with all Local, State, or Federal Laws and regulations, including those pertaining to confined space and waste disposal methods, in effect at the time such maintenance occurs;

NOW THEREFORE, it is mutually stipulated and agreed as follows:

1. The Owner shall provide the City or the City's designee complete access, of any duration, to the STDs and their immediate vicinity at any time, upon reasonable notice, or in the event of emergency, as determined by City's Director of Public Works or designee, without any advance notice, for the purpose of inspection, sampling, testing of the STDs and, in case of emergency, to undertake all necessary repairs or other preventative measures at owner's expense as provided in paragraph 3 below. The City shall make every effort at all times to minimize or avoid interference with Owner's use of the Property.

2. The Owner shall use its best efforts to diligently maintain all STDs in a manner assuring peak performance at all times. All reasonable precautions shall be exercised by the Owner and the Owner's representative or contractor in the removal and extraction of any material(s) from the STDs, and the ultimate disposal of the material(s) shall be in a manner consistent with all relevant laws and regulations in effect at the time. As may be requested from time to time by the City, the Owner shall provide the City with documentation identifying the material(s) removed, the quantity, and disposal destination.

3. In the event the Owner fails to perform the necessary maintenance required by this Agreement within thirty (30) days of being given written notice by the City of Montclair's Public Works Director (or designee), the City may take all necessary action to enforce the terms of this Agreement and the requirements of the Montclair Municipal Code, including but not limited to the issuance of administrative citations, the filing of a criminal complaint, and/or the commencement of civil or administrative enforcement remedies, as well as the recordation of a "Declaration of Substandard Property" with the County Recorder's Office.

4. This Agreement shall be recorded by the Owner in the Office of the Recorder of San Bernardino County, California, at the expense of the Owner and shall constitute notice to all successors and assigns of the title to said Property of the obligation herein set forth, and also a lien in such amount as will fully reimburse the City, including interest as herein above set forth, subject to foreclosure in event of default in payment.

5. In event of legal action occasioned by any default or action of the Owner, or its successors or assigns, then the Owner and its successors or assigns agree(s) to pay all costs incurred by the City in enforcing the terms of this Agreement, including reasonable attorney's fees and costs, and that the same shall become a part of the lien against said Property.

6. It is the intent of the parties hereto that burdens and benefits herein undertaken shall constitute covenants that run with the land and constitute a lien against the Property.

7. The obligations herein undertaken shall be binding upon the heirs, successors, executors, administrators and assigns of the parties hereto. The term "Owner" shall include not only the present Owner, but also its heirs, successors, executors, administrators, and assigns. The Owner shall notify any successor to title of all or part of the Property about the existence of this Agreement. The Owner shall provide such notice prior to such successor obtaining an interest in all or part of the Property. The Owner shall provide a copy of such notice to the City at the same time such notice is provided to the successor.

8. Time is of the essence in the performance of this Agreement.

9. The Owner shall at all times comply with all local, State, and Federal laws and regulations.

10. Any notice to a party required or called for in this Agreement shall be served in person, or by deposit in the U.S. Mail, first class postage prepaid, to the address set forth below. Notice(s) shall be deemed effective upon receipt, or seventy-two (72) hours after deposit in the U.S. Mail, whichever is earlier.
