Investment Notes:

RECENT PRICE REDUCTION!!!

Marcus & Millichap is pleased to present the opportunity to acquire a fee simple interest in a 3-unit retail property on one parcel of land with a total of two buildings on it, located at 4416-4420 Holt Blvd in the city of Montclair, CA. The subject property has a Gross Leasable Area of approximately ±4,996 SF and is situated on a ±19,500 SF lot (0.45 acres). There is one storefront building positioned along Holt Blvd which hosts three service-oriented retail tenants: a scuba diving school, a computer repair shop and a tailor. The building at the rear of the property is used exclusively by the scuba school. This property is unique in that it has an onsite pool, which the scuba school has exclusive rights to. The pool is maintained entirely by the tenant, which has operated successfully at this location for the past 60 years.

The property benefits from having established, internet-resistant tenants with rents averaging approximately 40% below market, a dense trade area, a large dedicated parking lot in the back and a heavily trafficked boulevard which sees approximately 28,000 vehicles per day. Tenants are on short-term modified gross leases which would allow a new owner to come in and occupy one or multiple units themselves or keep the tenants and extend out their lease term. All three tenants have expressed a desire to stay and extend their lease term.

This is an excellent opportunity for an owner/user or an investor to acquire a low-risk, low-maintenance property with upside where the anchor tenant, whose business benefits tremendously from having an onsite pool, would have an exceedingly difficult time relocating to another facility without paying significantly higher rents.
