

# San Antonio Creek Trail

City Council Presentation

6.28.22

# Project Overview

- Feasibility Study (no final plans or construction)
- Community & Stakeholder Involvement
- Where can the trail go? (Existing Conditions & Opportunities)
- What will the trail look like? (Preferred Alignment)
- How can the City fund this project? (Detailed Design and Construction - future projects outside of this scope)

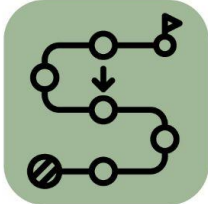

# Project Timeline & Next Steps

**THIS PROJECT:**  
**Feasibility Phase**  
**(1 year)**

1: Learn: What's working?  
What's not working?

2: Community Input + Develop  
Preliminary ideas for the Trail

3: Recommendations &  
Feasibility Plan Document

**We're here!**  
**End of this project**

---

**FUTURE PROJECT:**  
**Design & Construction Phase**  
**(3-7+ years)**

4. Get Funding

5. Community input  
& Final design

6. Permitting &  
Construction

Improvements  
Built!

# Thank you! Questions?
