INTRODUCTION

This report presents the findings of the research and financial analysis performed by DTA Municipal Solutions to determine the special tax requirement for Community Facilities District No. 2011-1 (Maintenance and Public Safety Services) ("CFD No. 2011-1") of the City of Montclair ("the City") for fiscal year 2022-2023.

CFD No. 2011-1 is a legally constituted governmental entity established under the Mello-Roos Community Facilities Act of 1982, (the "Act") as amended. The Act provides an alternative method for the financing of certain public facilities and services. Specifically, CFD No. 2011-1 is authorized to levy an annual special tax to finance the maintenance and lighting of parks, parkways, streets, roads and open space, the operation and maintenance of storm drainage systems, and for fire protection and suppression services and police protection services. Pursuant to the Rate and Method of Apportionment ("RMA"), the Special Tax A shall be levied as long as necessary to meet the Special Tax A Requirement. The Special Tax B shall be levied as long as necessary to meet the Special Tax B Requirement. The RMA is included in Appendix C.

The authorized services are funded through the annual levy and collection of special taxes from all property subject to the tax within the community facilities district. In calculating the special tax liability for fiscal year 2022-2023, this report examines the financial obligations of the current fiscal year and analyzes the level of development within CFD No. 2011-1.

In 2017, certain property was annexed into CFD No. 2011-1 ("Annexation No. 1"). A map showing the property in CFD No. 2011-1 is included in Appendix A.

This report is organized into the following sections:

- **Section I:** Section I provides an update of the development activity occurring within CFD No. 2011-1.
- **Section II:** Section II analyzes the previous year's Special Tax A and Special Tax B levies.
- **Section III:** Section III determines the financial obligations of CFD No. 2011-1 for fiscal year 2022-2023.
- **Section IV:** Section IV reviews the methodology used to apportion the special tax requirement to Developed Property. A table of the fiscal year 2022-2023 special tax rates for Developed Property is included.

I SPECIAL TAX CLASSIFICATIONS AND DEVELOPMENT UPDATE

A Special Tax Classifications

The methodology employed to calculate and apportion the special tax is contained in a document entitled the Rate and Method of Apportionment. The Rate and Method of Apportionment defines two primary categories of property, namely “Developed Property” and “Undeveloped Property.” Only Developed Property shall have the Special Tax A to pay for maintenance services levied against it. In addition, only Developed Property shall have the Special Tax B to pay for the public safety services levied against it.

Developed Property is distinguished from Undeveloped Property by the issuance of a building permit. Specifically, property for which a building permit was issued as of January 1 of the previous fiscal year will be classified as Developed Property in the following fiscal year. For example, all property in CFD No. 2011-1 for which a building permit was issued as of January 1, 2022, will be classified as Developed Property in fiscal year 2022-2023.

B Development Update

Review of the City of Montclair’s building permit records indicated that as of January 1, 2021, building permits for all 385 units within the original boundary and 234 units within Annexation No. 1 had been issued within CFD No. 2011-1. Table 1 below indicates the current amount of Developed Property within CFD No. 2011-1.

Table 1: Cumulative Developed Property

Land Use	Residential Floor Area	Number of Units/Acres
Residential Property	≥2,300 SF	0 units
Residential Property	1,900-2,299 SF	0 units
Residential Property	1,500-1,899 SF	0 units
Residential Property	1,100-1,499 SF	208 units
Residential Property	700-1,099 SF	351 units
Residential Property	<700 SF	60 units
Non-Residential Property	N/A	0.00 acres

II FISCAL YEAR 2021-2022 SPECIAL TAX LEVY

A Fiscal Year 2021-2022 Special Tax A Levy

The aggregate Special Tax A levy for fiscal year 2021-2022 equaled \$110,250. As of July 7, 2022, all of the special taxes had been collected by the County of San Bernardino.

B Fiscal Year 2021-2022 Special Tax B Levy

The aggregate Special Tax B levy for fiscal year 2021-2022 equaled \$30,322. As of July 7, 2022, all of the special taxes had been collected by the County of San Bernardino.

III FISCAL YEAR 2022-2023 SPECIAL TAX REQUIREMENT

Pursuant to the Rate and Method of Apportionment, special taxes can be levied for the following two items: the Special Tax A for maintenance services and the Special Tax B for public safety services.

According to the City, for fiscal year 2022-2023, the funds required from Special Tax A are equal to \$121,275. Of this amount, \$8,250 is allocated for annual administrative expenses and \$113,025 is for maintenance costs as described in greater detail in Appendix B.

According to the City, for fiscal year 2022-2023, the funds required from Special Tax B are equal to \$33,354, which are equal to the funds required from Special Tax B for fiscal year 2021-2022. Of this amount, \$7,500 is allocated for annual administrative expenses and \$8,250 is for public safety services as described in greater detail in Appendix B.

IV METHOD OF APPORTIONMENT

A Maximum Special Tax Rates

The amount of special taxes that CFD No. 2011-1 may levy is strictly limited by the maximum rates set forth in Section C of the Rate and Method of Apportionment.

The fiscal year 2022-2023 maximum special tax rates for Developed Property are shown in the tables on the following page. Each July 1, the Maximum Special Tax A and Maximum Special Tax B shall be increased by the positive change in the Consumer Price Index of the amount in effect for the previous fiscal year, with a maximum annual increase of 6.00% and a minimum annual increase of 2.00% per fiscal year. As of January 1, 2022, the annual change in the Consumer Price Index was 6.57%. Therefore, an increase of 6.00% is applied.

B Apportionment of Special Taxes

The special tax that is apportioned to each parcel is determined through the application of Section D of the Rate and Method of Apportionment. The City Council shall first determine the Special Tax A Requirement and Special Tax B Requirement.

The Maximum Special Tax A shall be levied against each Assessor's Parcel of Developed Property at up to 100.00% of the applicable Maximum Special Tax A until the amount of the special taxes equals the Special Tax A Requirement. Application of the maximum special tax generates Special Tax A revenues of \$193,235 from Developed Property, which is more than the Special Tax A Requirement. Therefore, the fiscal year 2022-2023 Special Tax A is equal to approximately 62.76% of the maximum special tax.

The Maximum Special Tax B shall be levied against each Assessor's Parcel of Developed Property at up to 100.00% of the applicable Maximum Special Tax B until the amount of the special taxes equals the Special Tax B Requirement. Application of the maximum special tax generates Special Tax B revenues of \$60,010 from Developed Property, which is more than the Special Tax B Requirement. Therefore, the fiscal year 2022-2023 Special Tax B is equal to approximately 55.58% of the maximum special tax.

The fiscal year 2022-2023 maximum and actual special tax rates are shown for Developed Property in Tables 2 and 3 on the following pages. The Special Tax Roll, which lists the actual special tax levied against each parcel, is shown in Appendix D.

(b) Multiple Land Use Classes

For an Assessor's Parcel that contains more than one land use, the Acreage of such Assessor's Parcel shall be allocated to each type of property based on the amount of Acreage designated for each land use as determined by reference to the site plan approved for such Assessor's Parcel. The CFD Administrator's allocation to each type of property shall be final.

2. Undeveloped Property

Neither the Special Tax A nor the Special Tax B shall be levied on Undeveloped Property.

D. APPORTIONMENT OF THE SPECIAL TAX

1. SPECIAL TAX A

Commencing with Fiscal Year 2011-2012 and for each following Fiscal Year, the Council shall levy the Special Tax A so that the amount of the Special Tax A equals the lesser of the Special Tax A Requirement or the Maximum Special Tax A. The Special Tax A shall be levied Proportionately on each Assessor's Parcel of Developed Property at up to 100% of the applicable Maximum Special Tax A.

To the extent that the Special Tax A Requirement is greater than the aggregate Maximum Special Tax A, the Special Tax A collected shall first be allocated to pay Administrative Expenses not funded through the Special Tax B Requirement and then to pay for Authorized Maintenance Services.

2. SPECIAL TAX B

Commencing with Fiscal Year 2011-2012 and for each following Fiscal Year, the Council shall levy the Special Tax B so that the amount of the Special Tax B equals the lesser of the Special Tax B Requirement or the Maximum Special Tax B. The Special Tax B shall be levied Proportionately on each Assessor's Parcel of Developed Property at up to 100% of the applicable Maximum Special Tax B.

To the extent that the Special Tax B Requirement is greater than the aggregate Maximum Special Tax B, the Special Tax B collected shall first be allocated to pay Administrative Expenses not funded through the Special Tax A Requirement and then to pay for Authorized Public Safety Services.

Notwithstanding the above, under no circumstances will the Special Tax be levied against any Assessor's Parcel of Residential Property for which an occupancy permit for private residential use has been issued be increased as a consequence of delinquency or default by the owner of any other Assessor's Parcel within CFD No. 2011-1 by more than ten percent above the amount that would have been levied in that Fiscal Year had there never been any such delinquencies or defaults.

E. EXEMPTIONS

Neither the Special Tax A nor the Special Tax B shall be levied on Property Owner Association Property or Public Property. However, should an Assessor's Parcel no longer be classified as Property Owner Association Property or Public Property, its tax-exempt status will be revoked.

F. APPEALS AND INTERPRETATIONS

Any landowner or resident may file a written appeal of the Special Tax on his/her property with the CFD Administrator, provided that the appellant is current in his/her payments of Special Taxes. During the pendency of an appeal, all Special Taxes must be paid on or before the payment date established when the levy was made. The appeal must specify the reasons why the appellant claims the Special Tax is in error. The CFD Administrator shall review the appeal, meet with the appellant if the CFD Administrator deems necessary, and advise the appellant of its determination. If the CFD Administrator agrees with the appellant, the CFD Administrator shall eliminate or reduce the Special Tax on the appellant's property and/or provide a refund to the appellant. If the CFD Administrator disagrees with the appellant and the appellant is dissatisfied with the determination, the appellant then has 30 days in which to appeal to the Council by filing a written notice of appeal with the City Clerk, provided that the appellant is current in his/her payments of Special Taxes. The second appeal must specify the reasons for its disagreement with the CFD Administrator's determination.

Interpretations may be made by the Council by ordinance or resolution for purposes of clarifying any vagueness or ambiguity in this Rate and Method of Apportionment.

G. MANNER OF COLLECTION

The Special Tax will be collected in the same manner and at the same time as ordinary *ad valorem* property taxes; provided, however, that CFD No. 2011-1 may directly bill the Special Tax, may collect the Special Tax at a different time or in a different manner if necessary to meet its financial obligations, and may covenant to foreclose and may actually foreclose on delinquent Assessor's Parcels as permitted by the Act.

H. TERM OF SPECIAL TAX
