Age: 55

Retired Public Works Superintendent

People of Montclair:

I have been a member of the City of Montclair community since 1966. I attended Monte Vista Elementary, Serrano Junior High and Montclair High School, graduating with the class of 1985. I have seen this outstanding City grow into what it is today.

I am a retired Public Works Superintendent for the City of Montclair with almost 29 years of progressive knowledge with experience in all aspects of Public Works maintenance, including street sweeping, graffiti abatement, signs and painting, asphalt and concrete, parks, trees, sewers, and storm drain maintenance. I was also in charge of maintaining all City-owned vehicles and equipment, including Police and Fire.

My 29 years of institutional knowledge will benefit the City of Montclair and future decisions that are made in years to come. I have been a well-rounded employee and steward to the residents and the community while understanding the needs of its residents and business owners. My knowledge of all departments in the City of Montclair, including Police, Fire, Human Services, Code Enforcement, Building, and Public Works and Engineering, is a true value.

I want to help this city become a shining gem in the Inland Empire and hope you will vote for me as your new Council Member.
