For the past 21 years, I have called Montclair my home. I've been married for 37 years, together we have raised four boys. We need to continue the progress we have been making, and provide strong leadership to this wonderful city.

I believe in the importance of improving streets throughout the city that have been underdeveloped. I will collaborate with residents on establishing goals for safe neighborhoods and advocate to provide business opportunities; all these improvements will provide a great place to work, shop, live, and raise a family.

I strongly support bringing in the Gold Line to bring in sales tax revenue and jobs for our residents. I support the development of new affordable housing for our families. I will work to ensure new funding sources go to our youth and senior programs.

If Montclair voters approve a tax on marijuana business, I support 1% of their profits go to Montclair organizations like Little League and Meals on Wheels. I will fight for more Officers to keep our streets safe and to increase Fire protection by restoring our Medic Squads.

I would be honored to serve on the City Council! I ask you for your vote.
