

**JAVIER "JOHN" DUTREY**  
Mayor, City of Montclair

Age: 56

Dear Montclair residents,

As a long-time Montclair resident and Montclair High School graduate, I am running to continue as your Mayor to further enhance the quality of life in the City of Montclair, which includes:

- Reducing Montclair's homelessness by expanding shelter, counseling, and other resources.
- Increasing Montclair's police and fire budgets to enhance police and firefighter recruitment and retention and to better combat crime and enforce traffic violations.
- Allocating \$45 million for improvements to Montclair's streets and parks, including major baseball and softball field renovations for youth sports.
- Reopening Montclair's indoor senior lunch and youth programs and supporting after-school activities.
- Providing more dining, shopping and entertainment in Montclair, including at the Montclair Place, and developing the north Montclair downtown areas.

Montclair is close to my family's heart. My parents own a Montclair business. My wife, Anne, served in the Army and operates our church's food pantry at Our Lady of Lourdes in Montclair. We have two children, including a son in the Army, and two grandchildren. I attended Chaffey College and California State University, San Bernardino, and worked as an urban planner.

Montclair residents, businesses, council members, commissioners, and other local mayors and council members support my reelection. I appreciate your vote to continue serving as Mayor for the City of Montclair.
