ENVIRONMENTAL INFORMATION FORM

(To be Completed by Applicant)

Date Completed: _____ *(For staff use only)*

Case File Number: _____ *(For staff use only)*

General Information

1. Name and address of developer or project sponsor:

2. Property Owner and Address: _____

3. Project Location: _____

4. Assessor Parcel Number(s): _____

5. Name, address, and phone number of person to be contacted for this project:

6. List and describe any other related permits and other public approvals required for this project, including those required by city, regional, state and federal agencies:

7. Existing General Plan Land Use Designation: _____

8. Existing Zoning Designation: _____

9. Proposed use of the site (Project for which this form is filed):

10. Does the proposed project require a variance, conditional use permit or a General Plan or zone change? If so, state the reason why the additional entitlement(s) is(are) necessary:

Project Description (*Attach an 8½" x 11" copy of the proposed site plan and building elevations*).

11. Site size (square feet and acres): _____

12. Number of Proposed or Existing Buildings and Square footages:

13. Building Height and Number of floors per Building: _____

14. Amount of off-street parking provided: _____

15. If a Residential project, attach a separate sheet indicating the following information:

- a. Number of units and schedule of unit sizes
- b. Target Price Range or rents
- c. Type of household sizes expected

16. If a Commercial project, attach a separate sheet indicating the following information:

- a. Indicate the type, whether neighborhood, city or regionally oriented
- b. Square footage of sales area
- c. Number of loading facilities.

17. If an Industrial project, attach a separate sheet indicating the following information:

- a. Indicate type, whether multi-tenant industrial park, or single light or heavy industrial user
- b. Estimated employment per shift
- c. Number of loading facilities.

18. If an Institutional project, attach a separate sheet indicating the following information:
- a. Major function (i.e., educational, medical, religious, public facilities, etc.)
 - b. Estimated employees per shift
 - c. Estimated number of occupants (congregation size, number of students)
 - d. Number of loading facilities
 - e. List of community benefits to be derived from the project.
19. Is this project associated with another existing or anticipated project? If so, briefly describe how it is related:
- _____
- _____
- _____
20. Describe any future growth plans involving the physical expansion of facilities or proposed use:
- _____
- _____
- _____

Are the following items applicable to the project or its effects? Discuss below all items checked yes (attach additional sheets as necessary).

		Yes	No
