

BULLETIN

A PUBLICATION PROVIDED BY THE CITY OF MONTGOMERY • MAY 2020

NOTE TO READERS

Due to the COVID-19 virus and the subsequent Stay At Home Order through May 1, issued by the State of Ohio, some of this content may be dated in light of unknown future developments.

All events, including many board and commission meetings, were canceled in April. The City of Montgomery has also canceled the May 2 Plant Swap at the Montgomery Farmer's Market. This event may be rescheduled to a future date. Existing lodge and shelter reservations through May 9 have been cancelled. Pool membership sales are also postponed until May 4.

All meeting and event dates are subject to change. Please check the City of Montgomery's website, montgomeryohio.org, and the City's social media channels for the latest updates.

DONATIONS REQUESTED

We need personal protective equipment for our first responders. Help fight the COVID-19 virus threat by providing first responders with donations of the following:

- N95 masks
- Surgical masks
- Surgical gowns

Kindly direct your donations to Fire Chief Paul Wright at 513-985-1639, or Assistant Fire Chief Ben Shapiro at 513-985-1631.

MONTGOMERY POLICE OFFER FREE "CHILDREN PLAYING" SIGNS

As part of our ongoing commitment to public safety, the Montgomery Police Department would like to offer once again **FREE OF CHARGE**, a "Children at Play" driveway sign to any interested Montgomery resident. As our new routine has many more children playing outside during the early spring months, we want to ensure the safety of our smallest residents. These signs are a quick and easy reminder to motorists that our little ones are out and about and to use extra caution.

There is a limited supply, so act fast. Please call 513-985-1600 if you have any questions or for a Montgomery officer to make a no contact drop off to a resident's home to keep everyone safe.

SOME IDEAS FOR 2020

Gerri Harbison
City Council

On Saturday, March 21, 2020, the City of Montgomery made history. Montgomery City Council and Staff conducted our first-ever conference call meeting with a resolution voted on remotely. This is typically not allowed, but the Attorney General granted permission for municipalities to be able to conduct business virtually during the pandemic.

The resolution declared an emergency in the City due to the coronavirus; COVID 19. It passed unanimously. This was not to incite panic but strictly administrative to have measures in place going forward should they be needed. Citizen participation was encouraged, and access to the conference call was publicly posted on the City website. In fact, one citizen listened in and sent feedback to us through the website! Thanks, Mike Schenker! We will continue virtual meetings through the end of April, constantly re-evaluating how to serve our community best.

The deadline for this column is about a month prior to publication. We have just been ordered to shelter at home through April 30 by Governor DeWine as I write these words. Despite multiple daily briefings, none of us know where we are heading. The phrases “uncharted territory” and “unprecedented times” float around daily. And as tired as I am getting of hearing these terms, they are very real. Please rest assured that we are very blessed to have the City team we have in place.

City Manager Brian Riblet and Assistant City Manager Tracy Roblero are doing a fabulous job of staying on top of all the daily – and sometimes, minute to minute – changes. The City of Montgomery is open for business. While our doors to City Hall are closed effective March 23, our committed and dedicated City Hall staff are available by phone and email, thanks to today’s technology. Our outstanding Public Works, Fire and Police personnel continue to serve the community while still taking appropriate measures to protect themselves and their loved ones.

We are actively working with the Montgomery Ohio Chamber of Commerce to assist businesses as much as possible. As this recedes and doors to businesses are reopened, we will be here to patronize your business. Please feel free to drop us a line and let us know your needs. We will come out of this together, and we will all be stronger—because that is what we do!

SHINE BRIGHT - JOIN A COMMISSION

The City is looking for individuals to commit to being more involved in the leadership of their community. The following City Commissions might be the place to do so. The initial step in getting involved is to attend an upcoming meeting of the commission of interest to learn more about their project work and to meet the current members.

There are no special qualifications required to volunteer for any Montgomery board or commission.

For further information and/or to apply for an above position, contact DeAnna Gross, volunteer coordinator, at 513-792-8329 or dgross@montgomeryohio.org.

Arts Commission

Members foster and promote the visual and performing arts within our City. The Commission advises the Administration and the City Council on the prudent and productive use of financial resources for the purposes within its charge. The Commission proposes programs, submits an annual budget, supervises such undertakings as are authorized by City Council, and reports its progress annually on projects and activities within its responsibility. Programs and events include the Photo Contest, Live at the Uni Concert Series, July 3 Patriotic Concert, a public art project, and a kids’ art program. **Meetings are held the fourth Monday of each month at 5:00 p.m.**

Environmental Advisory Commission

Members provide education and information to the public and are a resource for the City on yard waste, recycling, stormwater management, water resources management, air pollution control, noise pollution control, soil and landscape protection, and protection of flora and fauna. Commission members assist with Adopt-a-Spot, Cardboard Recycling, City-wide garage sale, One-Stop-Drop, and educational programs. **Meetings are held the second Tuesday of each month at 5:00 p.m.**

COUNCIL CORNER

Montgomery City Council met in its regular monthly Work Session on April 22, 2020 via teleconference.

Pending Legislation

An Ordinance Authorizing The Issuance Of Not To Exceed \$20,000,000 Special Obligation Revenue Bonds Of The City Of Montgomery; Providing For The Pledge Of Revenues For The Payment Of Such Bonds; Authorizing A Trust Agreement Appropriate For The Protection And Disposition Of Such Revenues To Further Secure Such Bonds; Authorizing An Official Statement; Authorizing Other Necessary And Appropriate Documents; And Authorizing Other Actions In Connection With The Issuance Of Such Bonds (Tabled)

ORDINANCE 6, 2020

An Ordinance Amending Ordinance 14, 2019 Approving and Authorizing the Transfer of Real Property Acquired for Economic Development Purposes to The Montgomery Community Improvement Corporation (**passed 6-yea, 1-recuse**)

These pieces of approved legislation can be reviewed on the City's website at www.montgomeryohio.org

STREET RESURFACING PROGRAM STARTS THIS MAY

The City awarded the 2020 street resurfacing program to JK Meurer Corporation. This year's program includes 2.19 centerline miles of public roadway. The following streets will be completed:

- Fourwinds Drive (Fairwind Drive to Trailwind Drive)
- Gentlewind Drive (Fourwinds Drive to terminus)
- Knollwind Drive (Gentlewind Drive to terminus)
- Trailwind Drive (#7597 Trailwind Drive to south terminus)
- Trailwind Drive (#7615 Trailwind Drive to Southwind Drive)
- Weller Road (Bridgewater Lane to #8699 Weller Road)
- Weil Road (Weller Road to corporation limit)
- Trail Lane (Weil Road to terminus)

The work entails complete milling and asphalt resurfacing, along with "spot" curb replacement and storm drainage inlet repairs. Construction is anticipated to begin in May and will be finished by the end of summer.

Regular construction updates are provided on the City's website as work progresses. For additional information on this or other projects, please contact Gary Heitkamp, public works director, at 513-792-8321.

INFRASTRUCTURE WORK CONTINUES

In the Stay At Home Order signed by Ohio Department of Health Director Dr. Amy Acton on March 22, 2020, one of the exceptions for individuals to leave their homes was to provide services or perform any work necessary for the construction or repair of essential infrastructure. Essential infrastructure was defined as public works construction, essential business construction, and housing construction, among other services. This exemption was carried forward in the Amended Stay At Home Order signed by Dr. Acton on April 2, 2020.

Contact Public Works Director Gary Heitkamp at gheitkamp@montgomeryohio.org for questions regarding infrastructure projects. Contact Zoning and Code Compliance Officer Melissa Hays at mhays@montgomeryohio.org for site development or housing construction questions.

PHASE 2 OF THE ROUNDABOUT CONSTRUCTION COMING SOON

John R. Jurgensen will begin Phase 2 construction of the roundabout project at the intersection of Montgomery Road and Ronald Reagan Cross County Highway anticipated to start in June, weather permitting. This second phase is anticipated to last four to five months. Phase 2 traffic modifications will consist of:

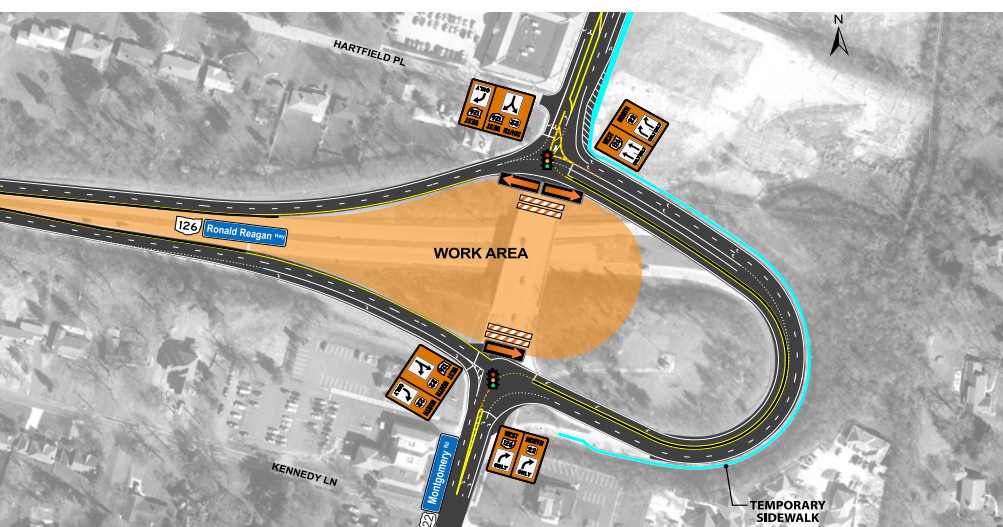

- Closing the Montgomery Road bridge and routing ALL of Montgomery Road traffic on a by-pass (see image)
- The temporary traffic signals installed during Phase 1 will remain in operation for Montgomery Road and Ronald Reagan Cross County Highway. The northerly signal will be for traffic accessing westbound Ronald Reagan Cross County Highway, and the southerly signal will be for traffic exiting the highway.
- A sidewalk will be located on the east side of the by-pass for pedestrians.

- Modifications will be made to the traffic signage and pavement striping on Montgomery Road to arrange this new traffic pattern. Stay alert when driving through this location so you can get into the proper lane based on your destination.

The Phase 2 traffic pattern will allow the contractor to demolish the Montgomery Road bridge and highway lanes under the bridge and perform other activities in the work area.

Expect delays during construction. Please use an alternate route if one is available. More details on the construction phasing and schedule will be provided on the City's website at montgomeryohio.org/montgomery-roundabout-information/ and in future Montgomery Bulletins.

Regular construction updates will be provided on the City's website as work progresses. For additional information on this or other projects, please contact Gary Heitkamp, public works director, at 513-792-8321.

Phase 2 Construction

TAX DUE DATE POSTPONED

The filing deadline for the 2019 tax year has been extended to July 15, 2020, consistent with federal and state guidelines.

The tax office operations have changed. As of Monday, March 23, 2020, the tax office will be available to assist you with tax questions via phone and email during standard business hours. You can call the tax office at 513-792-8333, or email tax@montgomeryohio.org. Please submit your tax documents via mail, fax, drop box or the secure email portal.

Required documents include:

- Montgomery tax form,
- Copies of all W-2 forms,
- Federal 1040, pages 1 & 2,
- Copies of the following Federal Schedules (if applicable): Schedule 1, Schedule C, Schedule E, Schedule F.
- Copies of other city tax returns if you are requesting credit for taxes paid to other cities.

Go to montgomeryohio.org/pages/taxes/ for tax forms and specific information on how to compute your tax liability.

SAFETY VILLAGE REGISTRATION POSTPONED

Due to the COVID-19 virus response, the City of Montgomery has decided to postpone Safety Village registration to May 4 for residents, and May 18 for non-residents. Safety Village is still subject to cancellation pending possible future Stay At Home or other orders issued by the State of Ohio.

For more information on Safety Village or to register online, please go to montgomeryohio.org. Registrations may be accepted at Montgomery City Hall if open. We cannot accept mail-in registrations for this program. To allow more children to get through the program, only first-time participants will be allowed to sign up.

EAC MOVES SHREDDING EVENT TO JUNE 27

Due to the COVID-19 response, the Environmental Advisory Commission has moved the Document Destruction Day and Cardboard Recycling event to Saturday, June 27.

DATE: Saturday, June 27

WHERE: Montgomery Public Works facility, 7315 Cornell Road

TIME: 10:00 a.m. to 1:00 p.m.

This is a FREE community document shredding event. To serve everyone efficiently, we limit shredding to three boxes (copy paper size or similar) per person in line, and you must be present. Volunteers will be available to assist. Materials will be shredded onsite.

GARDEN TOUR SPRINGS INTO BLOOM JUNE 28

Do you have a garden that fills you with pride? Does your garden have any unique features or unusual plants? Is it entirely landscaped with native species? Perhaps it is the envy of all yards in the neighborhood, or you have a talented green thumb!

Montgomery's seventh annual Garden Tour will swing into bloom on **June 28** (listing in 2020 City Calendar is incorrect). The Montgomery Beautification and Tree

Commission invites your participation in representing Montgomery in the highly anticipated Garden Tour.

More spectacular gardens are needed for the tour. Would you like to show off your green thumb and all your hard work? To register your garden or for more information, contact Beautification and Tree Commission member Darla Hall at darlahall16@gmail.com. *This event may be subject to change or cancellation due to the coronavirus response.*

MEET RICKY...

and learn about development projects at upcoming forum

All are welcome to attend the Neighborhood Leaders Forum on Monday, May 11, at Terwilliger Lodge, 10530 Deerfield Road, from 7:00 p.m. to 8:30 p.m.

We will provide an opportunity for the public to meet Ricky, Montgomery's K-9 officer. See what makes Ricky so special and valued by the Montgomery Police Department and the City of Montgomery. Ricky and his partner, Officer Alex Janszen, will demonstrate their unique skills and abilities.

Staff at this presentation will also provide participants with an understanding and awareness of the multiple, critical components involved in economic

development and roundabout construction at Montgomery Road and the Ronald Reagan Cross County Development. This development project is commonly referred to as the Montgomery Quarter.

Limited space is available, so reservations are on a first-come basis. Use this link, montgomeryohio.org/neighborhood-leaders/, by Friday, May 1, to reserve your spot. We originally scheduled this program for October 2019.

For more information, please contact Faith Lynch at 513-792-8358 or flynch@montgomeryohio.org.

This event may be subject to change or cancellation due to the coronavirus response.

MONTGOMERY KIWANIS HOST ANNUAL FISHING CONTEST

Montgomery Kiwanis will hold its annual children's fishing contest **Saturday, June 6, from 9:00-11:00 a.m.** at Todd Pond in Swaim Park in Montgomery (intersection of Cooper and Zig Zag).

The contest is for youth in three age groups (ages 1-5, 6-10, and 11-15). Cash prizes will be awarded in each age group for the first fish caught each half-hour. Come any time after

9:00 a.m., but stay until 11:00 a.m. when final prizes will be awarded. The final awards are for the biggest fish, the smallest fish and the most fish caught that day in each age group.

This contest is a fun family activity sponsored by the City of Montgomery and the Montgomery Kiwanis. The City stocks the pond with bluegill, bass, and channel catfish. Admission is free, and the contest is catch and release.

Just bring your tackle and bait.

This event may be subject to change or cancellation due to the coronavirus response.

FOLLOW TIPS TO KEEP GRASS GREENER AND WATER CLEANER

Enjoy the benefits of a beautiful green lawn and keep our streams, rivers, and groundwater safe.

Do Not Overapply Fertilizer – To maintain a healthy lawn, we apply fertilizer every year. But how much do we need? The over-application of fertilizer is costly and unnecessary. Obtain a soil test from The Hamilton County Soil and Water Conservation District (hcswcd.org), your local nursery or garden center. Use the test results to apply only the amount of fertilizer your lawn needs.

What Type of Fertilizer to Use? – Choose a fertilizer with little or no phosphorous- excess phosphorous will wash into storm drains when it rains or if the lawn is overwatered. Excess phosphorus stimulates algae growth, which depletes oxygen from aquatic life.

Other choices are organic or slow-release nitrogen fertilizers. Slow-release nitrogen distributes over an

extended time, which provides even growth and better root development. And since they last longer than fast-release fertilizer, they don't need to be applied as frequently.

Increase Fertilizer Efficiency and Reduce Weeds – Annual aeration breaks up compacted soil, which allows more water, oxygen, and fertilizer to get to the plant roots. Aeration enables the plant roots to penetrate deeper into the ground. Deep plant roots produce a more drought-resistant lawn and suppress weeds by preventing seed to soil contact necessary to germinate, which means fewer herbicides!

Set Mower Height to 3 Inches or Higher – Taller grass will yield deeper and denser roots, which will absorb more water, reduce run-off, and shade out weeds.

Grass Clippings – Grass clippings left on your lawn act as an excellent fertilizer. The grass will decompose,

which releases water and nutrients back into the soil **and will keep grass clippings out of the storm drains.**

Water Deeply and Less Often – Lawns need 1 inch of water a week. If there is less than an inch of rainfall, then water deeply one to two times a week. Daily watering keeps the roots of the grass wet and blocks oxygen, which will suffocate and kill the roots. Deep watering means water penetrates 6 to 8 inches into the soil. One method of deep watering is to water 10-15 minutes, then let it soak in, and then turn on the water for another 10-15 minutes.

Hire Smart – Before you hire a lawn care service, be sure to ask if they will sweep any fertilizer, chemicals, and grass clippings off your driveway, patio, or street and back onto your lawn. If they don't, do it yourself or hire someone else!

WEED CONTROL: THE NATURAL WAY

With all of the recent talk surrounding the safety of weed control products, Mary Ann Folz, an Montgomery Environmental Advisory Committee member, decided to test to compare natural vs. purchased products, right here in Montgomery. Here are her results.

Test: Spray natural vs. purchased solution on driveway and sidewalk cracks.

Results: Both options kill weeds! The purchased product was slower to work, but did keep weeds away longer, up to a month. The natural solution was easier to apply and worked faster but does need to be applied every couple of weeks to keep the weeds at bay. But, it's totally safe!

So, if you want an inexpensive, easy and natural weed control solution, here's an excellent way to do it:

- 1) Start by mixing 1 gallon of white vinegar, 1 cup of table salt, and 1 tablespoon of liquid dish soap
- 2) Next fill an empty dish soap **squeeze** bottle (the bigger the better) with the mixture.

It works best if you wait for a sunny day, then saturate your weeds with the solution. You will likely find that the natural squeeze bottle solution is easier to use than the purchased squirt bottle, and no need to worry about dripping it on your hands or feet! In the morning, you'll see the weeds are brown and within 24-48 hours, they should be totally dried up. Try this simple, natural, and safe approach to weed control this summer, too!

June 21, Father's Day appreciation Free popcorn for pops

JULY

July 4, Splashtacular event with games and prizes throughout the day

AUGUST

August 4, Root beer float day at the pool, root beer floats and a float race, 3 pm

August 7, Pool Party 6 pm, Movie at dusk, featuring "Sonic the Hedgehog," Rated PG

SEPTEMBER

September 7, DogFest & K-9 Kerplunk! Dog Swim and fun! 5-8 pm

Fun Tuesdays!

Kids' fun activity on **Tuesdays at 3 p.m. from June 2-July 28**. From the water balloon toss to the biggest splash contest, kids now know this day and time! And we can't forget to mention prizes! Since we all know how important prizes are to kids, everyone who participates receives a fun prize.

Popular Referral Program returns!

This popular program is back again this year. Returning 2019 members can receive \$75 off a standard full-season membership for referring a new 2020 member who signs up for a standard full-season membership. The new member must not have been a member in 2019. The new member will receive \$50 off their membership. Details and other information online at montgomeryohio.org.

Gazebo Rental

Youth birthday parties and summer celebrations will be set apart in the beautifully landscaped gazebo with a private grill. Rates are \$30 for the first hour and \$10 for each additional hour. Groups that rent the shelter will be allowed to bring food into the pool area to be served and eaten under the shelter. The group rate fee for non-members is \$3 per person (charged upon entering the facility on the date of the event). For questions before the pool opening, please contact Julie Machon at 513-792-8316 or jmachon@montgomeryohio.org.

All event dates are subject to change or cancellation. Check the website and social media for the most up-to-date information.

NEW! GOLF INSTRUCTION PROGRAMMING

Have you been thinking about getting into golf? Are you looking to improve your skills?

Join us as we learn from the PGA Professionals at Sharon Woods Golf Course. All programs are \$110 per participant, and all equipment is provided.

Adult Beginner Golf

Would you like to have more fun and play better golf with your friends? Would you like to be able to compete in your league?

This five-week class is designed to improve your overall game. Topics include putting, chipping, pitching, iron play, hybrids, and woods. The classes are 90 minutes. Class size is limited and taught by PGA Professionals.

Thursdays, May 21-June 18, 6:45 p.m.

Saturdays, September 12-October 10, 10:30 a.m.

Adult Intermediate Golf

Would you like to lower your score consistently? Are you at the plateau stage and want to take your game to the next level?

Topics of this five-week class include putting a variety of short game shots and strategies, full swing evaluations, and course management skills. The classes are 90 minutes. Class size is limited and taught by PGA Professionals.

Saturdays, May 16-June 13, 10:30 a.m.

Wednesdays, September 9-October 7, 6:00 p.m.

Kids Junior Golf Camp

This four-day camp is for golfers 7-17 with little-to-no golf experience. Participants have fun while learning the fundamentals of golf, including swing techniques for a variety of shots, course management, rules, and etiquette. This opportunity will spark your child's interest in the game. The classes are 75 minutes. Class size is limited and taught by PGA Professionals.

June 9-12, 10:45 a.m.

For more information and to sign up, please visit montgomeryohio.org. For questions, please contact Sarah Fink at sfink@montgomeryohio.org.

FLY FISHING 101 AND 201

FREE classes offered

Learn to Fly Fish with the experts from Orvis with free Fly Fishing 101 and 201 classes.

Perfect for beginners of all ages, the Fly Fishing 101 course includes free lessons on fly casting and outfit rigging with the Orvis experts at their store on 7737 Kenwood Road.

Fly Fishing 101 classes will be offered on May 2, May 9, May 16, May 23, May 30, June 6, June 13, June 27, July 11, July 18, August 1, August 15, September 5. After completing a 101 class, participants can then take their skills to the water to catch their first fish.

Orvis Instructors teach **Fly Fishing 201** classes at Pioneer Park in Montgomery. This is a fantastic opportunity to learn at Pioneer Park on May 10, May 24, June 14, July 12, August 2, and September 6. Classes are free, but registration is required. Instructors teach participants how to release all fish safely back into the water.

To register for classes, visit Orvis.com/Kenwood and select "Sign up for 2020 Classes." Participants younger than 16 will need an adult supervisor. For questions and information, please call Orvis in Kenwood at (513) 791-2325.

Please visit the Youth Programs page at montgomeryohio.org for detailed information and registration for each summer camp.

Montgomery Park Explorer

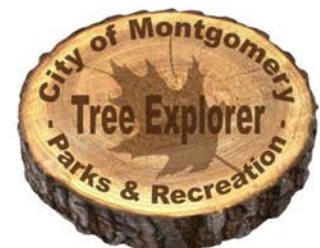

Montgomery Tree Explorer

Enjoy the Montgomery Park Explorer and the Montgomery Tree Explorer programs together as a family. These free programs include workbooks for ages 2 to 5 and ages 6 and up. The workbooks provide participants with a variety of activities that will engage them in learning about local Montgomery parks and trees in a fun and active way.

Pick up workbooks at City Hall or download at montgomeryohio.org

Once completed, participants can turn in the workbooks any time, Monday through Friday, from 7:30 a.m. to 5:00 p.m. at Montgomery City Hall, 10101 Montgomery Road. A member of the City recreation team will review the workbook and follow up with the participant. Completed workbooks will be given back to the participant to keep along with a certificate and patch.

For more information on these free programs, contact Sarah Fink, recreation specialist at 513-792-8317

FITNESS

Experience updated group exercise equipment and classes. All equipment needed for classes is provided. **Registration for 2020 - Session C of fitness classes is open.** Please visit the fitness page at montgomeryohio.org for class descriptions, important information and registration.

Please contact Sarah Fink, recreation specialist, by emailing sfink@montgomeryohio.org or by calling 513-792-8317 with any questions you may have.

* Cardio Strength and Stretched (formerly known as 20/20/20 - same great class, new name!)

ATTENTION: The Annex will be closed May 1-8 for building maintenance.

All event dates are subject to change or cancellation. Check the website and social media for the most up-to-date information.

nrpa.org/coronavirus

COVID-19: PHYSICAL DISTANCING IN PUBLIC PARKS AND TRAILS

Do not use parks or trails if you are exhibiting symptoms.

Be prepared for limited access to public restrooms or water fountains.

Share the trail and warn other trail users of your presence and as you pass.

Follow CDC's guidance on personal hygiene prior to visiting parks or trails.

Observe CDC's minimum recommended physical distancing of 6' from other persons at all times.
