Food, beer*

FEATURED ARTICLE from cover

## ARE YOU READY FOR THE ROUNDABOUT?

As you read this article, the roundabout at Ronald Reagan Cross County Highway and Montgomery Road will be nearing completion.

When driving a roundabout:

- **Slow down** when approaching a roundabout.
- **Observe signs** and pavement markings.
- **Choose your lane before entering the roundabout** based on the direction you would like to travel (just like a traditional signalized intersection).
- **Yield to traffic in ALL lanes to your left before entering.**
- **Stay in your lane until your exit.** Do not change lanes in the roundabout. Do not stop in the roundabout.

The City of Montgomery would like to thank our partners who helped with this tremendous project.

- Ohio Department of Transportation
- Hamilton County
- OKI Regional Council of Governments
- Prime AE
- Strand and Associates

## FREE PUBLIC WI-FI AVAILABLE IN MONTGOMERY

The City of Montgomery is proud to announce a partnership with Cincinnati Bell to realize a “Smart City” vision and bring free public Wi-Fi to the lodges and surrounding area at Swaim and Dulle Parks and the central business district from the Main Street and Montgomery Road split north past Remington Road. Future plans include expanding coverage to include the Public Parking lot on Shelly Lane. The official launch of the free public Wi-Fi was this Independence Day holiday weekend.

In partnership with the City of Montgomery, Cincinnati Bell’s UniCity Smart City practice has installed a Smart City solution with Wi-Fi covering most of Montgomery Road between Main Street and Taulman Alley. The community may log on by connecting to “\_MontgomeryFreeWiFi.”

This economic development project will allow the City and local businesses to connect with, engage, and inform visitors and residents, drive more activity and visits, and ultimately help the local business community thrive.

“The economic vitality of the City of Montgomery is critical as we recover from the effects of the pandemic. The ability to offer free public Wi-Fi in downtown Montgomery is one tool that we can use to encourage people to shop and dine in our community,” said Chris Dobrozsi, Mayor.

“Cincinnati Bell has been connecting businesses and customers for almost 150 years, and our Wi-Fi and Smart City partnership with the City of Montgomery continues this tradition,” said Jason Praeter, president of Cincinnati Bell’s Entertainment & Communications business. “Connectivity is particularly critical given the challenges we are facing as a community, and Cincinnati Bell and UniCity are proud to be working with leadership from the City of Montgomery on this important economic development initiative.”

For further information contact City Hall at 513-891-2424.

# COUNCIL MESSAGE

## STILL LEARNING

BY RON MESSER

On Sunday, February 21st, I was pleasantly surprised when I got a call from Mayor Dobrozsi informing me that I was selected to fill the open seat on City Council and would be sworn in on March 3rd. I was also excited to start this new learning experience in the service of the city I have loved for the last 35 years.

My wife, three daughters, and I moved to Montgomery in 1986, after living briefly in Fairfield and Blue Ash. Our sights had been set on Montgomery from early on, so we jumped on the first good opportunity to purchase a home in a beautiful and relatively new Montgomery neighborhood. Well, 35 years later, my wife and I are still living in that house. Clearly, our choice of Montgomery was a good one because even though our three daughters have grown up and moved out, they have also chosen to live in Montgomery with their husbands and children. In total, there are now 17 of us enjoying this great city.

After over 36 years working at Procter & Gamble, I now have a fun part-time job as a fitness specialist at Twin Lakes in Montgomery, working with some of the incredible citizens that live there. At one time, Twin Lakes had a program called "Living Is Learning." After thinking about that, I realized how true that was. Continually learning really is a vital component to living a happy, productive, and fulfilling life. A lot of learning is from school and books, but much is also from doing, seeking new experiences, and learning from our successes and mistakes. Ironically, it seems that the more we know, the more we realize there is to learn.

I have truly been blessed with a wide variety of experiences and learning opportunities ranging from schools, the military, my family, P&G, small part-time jobs, MCLA (Montgomery Citizens' Leadership Academy), volunteering, and now serving on the City of Montgomery Council. I've been suddenly immersed in legal terms, procedures (e.g., Roberts Rules of Order), and processes that are new to me. I've become a sponge, a newbie, but what a great and fun way to learn, grow, and contribute.

City Council and Administration are looking forward to learning more from the residents' survey sent earlier this year and actively listening to our citizens. Join me in learning more about Montgomery by enrolling in the MCLA, joining a committee or commission, or simply attending our open meetings and discussing how we can continually improve Montgomery in this constantly changing world.

I am truly honored to serve this great city that my family and I have called home for 35 years—still learning and enjoying every minute of it. Join me!

## MONTGOMERY HISTORY EXPLORER PROGRAM

This FREE program includes a workbook for ages 6 and up. The workbook provides participants with a variety of fun activities that will engage them in learning about local Montgomery Landmarks.

### What is a Montgomery historic landmark?

Any property which has special character, historical aesthetic, architectural, or archaeological value as part of the heritage, development, or cultural characteristics of the City and has been designated as an approved landmark by City Council.

Pick up a workbook at City Hall or download at [montgomeryohio.gov](http://montgomeryohio.gov). Completed workbooks can be turned in to City Hall. Once reviewed, completed workbooks will be given back to the participant to keep along with a certificate and History Explorer patch.

The first 50 participants to complete the History Explorer workbook will also receive a free Landmark ornament.

The Montgomery History Explorer program was developed in partnership with the Montgomery Historic Preservation Association and the Montgomery Landmarks Commission.

For more information on this free program, contact Sarah Fink, recreation specialist, at 513-792-8317.

## DID YOU KNOW?

### Montgomery's First Jail

Did you know the building at 7816 Cooper Road used to be Village Hall? This small building was built in 1925 using money collected from fees during Prohibition days. The 600 square foot building served as village hall and the village jail for 44 years before the current City Hall was built in the 1960's. City Hall was built on land donated by the developer of Montgomery Heights Subdivision and Montgomery Square Shopping Center. The next time you are downtown, look closely at the windows of the building at 7816 Cooper Road, you can still see the bars from the old jail cell!

## LOOKING TO GET INVOLVED IN THE COMMUNITY? JOIN A COMMISSION!

The City of Montgomery is looking to fill the following vacancies. The initial step in getting involved is attending an upcoming meeting of the Commission you are interested in to learn more about their project work and meet the current members. Visit [montgomeryohio.gov](http://montgomeryohio.gov) to learn about each of the Commissions and their responsibilities.

### ARTS COMMISSION

Meetings are scheduled for the fourth Monday of each month at 5:00 p.m.

### ENVIRONMENTAL ADVISORY COMMISSION

Meetings are scheduled for the second Tuesday of each month at 5:00 p.m.

There are no special qualifications required to volunteer for any Montgomery Board or Commission.

For further information and/or to apply for the above positions, visit [montgomeryohio.gov/departments/boards-and-commissions](http://montgomeryohio.gov/departments/boards-and-commissions).

## JOIN MONTGOMERY'S MCLA CLASS OF 2022

The Montgomery Citizens' Leadership Academy (MCLA), "The Best Community Experience You'll Ever Have," is now accepting applications for the 2022 session. Oversubscribed for the last 12 years, MCLA, locally developed and nationally recognized, is a program designed to move individuals from being residents to become actively engaged citizens. MCLA allows residents to realize a dimension few will ever see. Comprised of 10 unique workshop experiences.

Each workshop goes beyond the classroom and into the community to make the Montgomery Citizens' Leadership Academy an encounter no resident should miss. Space is limited. For more information, or to apply, visit [montgomeryohio.gov/montgomery-citizens-leadership-academy](http://montgomeryohio.gov/montgomery-citizens-leadership-academy) or contact Amy Frederick, communications and engagement coordinator, at [afrederick@montgomeryohio.gov](mailto:afrederick@montgomeryohio.gov).

## HELP YOUR KIDS GET BACK TO SCHOOL SAFELY

The 2021-2022 school year will begin soon! Montgomery Police Department asks drivers to slow down and allow extra time during the daily commute with the increased school transportation and pedestrian traffic in the neighborhoods and schools. So as schools open their doors, it's time for everyone – motorists, parents, and students – to improve their traffic safety practices. The following tips can help make this a safe and happy school year for the whole community.

- Slow down!
- Always stop for a school bus. Red flashing lights and extended stop arm will tell you the school bus is stopped to load or unload students. State law requires you to stop.
- Be alert. Put phones away! Watch for children walking, especially where there are no sidewalks.
- Help your children learn and practice the safety rules for walking, bicycling, riding in a car or school bus. Always wear a bike helmet when biking.
- Always have children under the age of 12 ride in the back seat.
- If your child walks to school, always cross at crosswalks and obey all traffic signs and stoplights.

### COMMON TEEN DRIVING RISKS

- Curb distracted driving by using built-in phone settings like Do Not Disturb While Driving mode.
- Consider buying your teen a roadside assistance plan in the event of common automobile emergencies
- Ensure their car is maintained properly to prevent accidents caused by issues such as bald tires and worn-out brakes.
- Encourage your teen to be out the door early. Speeding and distracted driving often arise because of being late.

## MONTGOMERY RESIDENTS DIVERTED 2,022.14 TONS IN 2020

Congratulations Montgomery residents! In 2020, we diverted **2,022.14 tons** of metal, glass, plastic, paper, and yard trimmings. Residents saved resources, conserved energy, and reduced pollution by recycling.

The recycling efforts in Montgomery:

- Conserved enough energy to power every home in Montgomery for 19.57 days.
- Reduced more air pollution than if every household in Montgomery rode their bicycle to work for 13.08 weeks.
- Saved 8,603.47 trees from being harvested.

**On average, each household in Montgomery diverted 1,174.30 pounds in 2020.** That's 28.53% of all the waste we generate.

Want to start recycling? Call 800-828-8171 to request your recycling bin.

### We Can Recycle:

- Plastic bottles, jugs, and tubs
- Aluminum and steel cans
- Glass bottles and jars
- Cartons
- Paper (newspaper, cardboard, mail and paperboard)

Have a question about recycling? Call Hamilton County's Recycling Hotline at 946-7766 or visit [www.HamiltonCountyRecycles.org](http://www.HamiltonCountyRecycles.org). Love all things recycling? Follow Hamilton County Recycles on Facebook, Twitter or Instagram.

**Because what we do matters.**

## COMMUNITY-WIDE GARAGE SALE OFFERS GREAT DEALS

Are you looking for a bargain? Come to the City of Montgomery Community-Wide Garage Sale on Saturday, August 7, from 9:00 a.m. until 1:00 p.m. This grassroots public awareness campaign is designed to promote reuse, repair, and resale opportunities in the City of Montgomery.

A Garage Sale Treasure Map, with a complete listing of locations, will be available at Montgomery City Hall, starting on Thursday, August 5, from 8:00 a.m. to 4:30 p.m. The Treasure Map helps shoppers prepare for the sales and map out deal-finding strategies. You can also pick up a map at City Hall on the Saturday morning of the sales, beginning at 8:00 a.m.

Registration is open for those who are interested in participating until Friday, July 30. Households can sign up on the City's website, [montgomeryohio.gov](http://montgomeryohio.gov), or by calling 513-891-2424. There is no fee to participate.

\*Remember to save your leftover items and bring them to the One-Stop Drop event on Saturday, September 18. See the One Stop Drop website for more details - [montgomeryohio.gov/one-stop-drop-recycling/](http://montgomeryohio.gov/one-stop-drop-recycling/).

## PREPARE YOUR UNWANTED ITEMS FOR THE ONE-STOP DROP FOR RESPONSIBLE RECYCLING EVENT!

Start sorting and cleaning out closets, basements, and garages now for the annual One-Stop Drop for Responsible Recycling event. On September 18, from 10:00 a.m. until 1:00 p.m., the Environmental Advisory Commission encourages residents to bring unwanted items to the One-Stop Drop for Responsible Recycling event at the Public Works Facility, 7315 Cornell Road. This event gives families an easy way to get rid of items that may have been sitting around the house.

This event is free. To learn more about participating businesses and items being collected, please visit the City's website at <https://www.montgomeryohio.gov/one-stop-drop-recycling/>.

Residents can recycle many household products at the Environmental Advisory Commission-sponsored One Stop Drop for Recycling event.

Visit [montgomeryohio.gov](http://montgomeryohio.gov) for more details.

## HATS OFF...

### Independence Day Festival Volunteers:

To the all the volunteers that helped with Parade and Festival, and to the members of the Montgomery Woman's Club that managed a game at the Festival, we thank you! The efforts of all our volunteers helped to make for a great July 4 celebration!

**Bastille Day Volunteers:** To the Bastille Day Volunteers who helped at this great community event - you are integral part in making this one of the biggest events of the year! Thank you for your time and energy!

These volunteers at the City's July events play an important role in building community for all our residents to enjoy.

*Craft Table  
Volunteers helped  
families create  
a fun, patriotic  
craft at the  
Independence  
Day Festival.*

## THE ULTIMATE AGING IN PLACE DESIGN CHECKLIST

An increasing number of seniors are choosing to make their homes accommodate their changing bodies instead of moving to assisted living or retirement communities. Making adjustments means residents can remain in their current homes longer.

Here's a list of the overall rules you should follow when designing a space for accessibility and safety. These rules apply to any room, including the general layout of the house.

### GENERAL DESIGN

- Open floor plan with few obstructions
- New lighting systems
- Larger windows
- Specific colors (proper contrasting to aid with depth perception)
- No-step entries
- Wider doorways (min. 36 inches)
- No throw rugs (tripping hazard)
- Ramp installation
- Lever-style door handles

### BATHROOM DESIGN

It is extremely important to customize a bathroom for someone who is aging or has disabilities because bathrooms are prone to causing accidents. Due to their ceramic flooring and slippery surfaces, bathrooms are the cause of roughly 235,000 nonfatal injuries in the U.S. alone per year.

- Adjusting toilet height or installing a seat extender
- Grab bars near toilet and in bath/shower
- Shower seat
- Anti-slip coating in tub/shower

- Slip-resistant floor treatment
- Walk-in shower/tub
- Handheld showerhead

### KITCHEN DESIGN

When re-designing a kitchen for the elderly, you want to ensure ease of use and fluidity. You should not install cabinets that they cannot reach, and you need to make sure all appliances are properly positioned so that they don't have to move around too much.

- Adjusting height of sink
- Shallow sink
- Hands-free faucet
- Pull-out pantry
- Storage inside refrigerator door
- Front-mounted controls on cooktop
- D-shaped cabinet pulls
- Under-cabinet lighting
- Round edges for countertops
- Sink close to stove
- Large drawers
- Microwave at counter height

### BEDROOM & CLOSET DESIGN

Getting in and out of bed and getting dressed can be a hassle for anyone who has a disability or for elderly people with back or hip problems. Home designers should consider all these factors when designing a bedroom for aging in place.

- Bedroom on main level
- Low-profile bed (20-23" from top of mattress to the floor)
- Nightstands placed at same height as bed
- Bed rail
- Phone beside bed
- Adequate clearance around bed
- Pull-down closet rods
- Lighting in closet

### LAUNDRY ROOM DESIGN

This aging in place design checklist wouldn't be complete without tips for designing a laundry room. Doing laundry for the mobility-impaired is difficult as it is, so you should design the room as best you can to ensure an easy and smooth process.

- Laundry room near bedroom
- Front load washer and dryer
- Washer & dryer raised 12-15 inches above floor
- Easy to read controls
- Lower upper cabinets
- Pull-down shelving
- Laundry chute if multi-level house

### MISCELLANEOUS TIPS

- Easy-to-maintain plants/shrubbery
- Longer lasting LED lights
- Clear pathway between bedroom and bathroom
- Chair lift on stairs

Article provided by 2020 of Westford, MA

The Montgomery Fire Department has developed a Home Safety Check Program to assist those who want to age in place. For more information on the Home Safety Check Program and to schedule a review, contact Assistant Fire Chief Ben Shapiro at 513-985-1631 or email him at [bshapiro@montgomeryohio.gov](mailto:bshapiro@montgomeryohio.gov). This program is a part of the WeThrive! Initiative.

## LEARN THE SKILLS TO SAVE A LIFE

The Montgomery Fire Department is offering an American Heart Association HeartSaver First Aid/CPR certification class on Saturday, August 14, from 10:00 a.m. to 2:00 p.m. There is a nominal fee of \$35 to cover the cost of materials. CPR Certification only offered for \$30. For more information or to sign up, please call 513-985-1633.

**Saturday,  
AUGUST 14**  
10:00 a.m.  
to  
2:00 p.m.

## MOVIE IN THE PARK FRIDAY, Aug. 6 AT DUSK Montgomery Park

Featuring "Raya and the Last Dragon"  
Rated PG Movie in the park is FREE  
Sponsored By: Legacy Builders Group

Registration is not required for this event.

# **DOGFEST & K9 KERPLUNK**

Labor Day, Monday, September 6  
5:00 to 8:00 p.m.

**\$3 per dog, free to pool members**

Join the fun! Enjoy activities, prizes and more at this event. Families and their canine companions can finish the summer with a dip in the pool. Dogs must be people friendly, non-aggressive towards other dogs, and under control.

Bring nonperishable dog food and treats to donate!

For questions, please call 513-891-2424.

**Sponsored By: Legacy Builders Group**

**Montgomery Community Pool  
8075 Hopewell Road**

## K9 RICKY'S CHALLENGE!

This summer, K9 Ricky has hidden his Challenge coins throughout Montgomery. Each week a picture of Ricky is posted on the City's Facebook page. The photo is taken where the challenge coin is hidden. Be the first to find it, snap a picture, and send it to Amy Frederick at [afrederick@montgomeryohio.gov](mailto:afrederick@montgomeryohio.gov). The winner gets to keep the coin and also meet Ricky and his partner, Officer Alex Janszen. You must be 16 and under to play. The Challenge coins are hidden on public property only. You can only win once, and the game ends in September.

## Be Courteous.

### TURN OFF THE ENGINE

Idle hands may be the devil's workshop, but idling vehicles certainly wreak havoc! Idling cars and trucks waste over 73 gallons of gasoline per vehicle each year and adversely affect our community's air quality. \* Poor air quality increases the risk of preventative disease and causes harm for those with asthma, allergies, and chronic lung disorders.

Turn off the engine when:

- Parked next to outdoor eating spaces, parks, and playgrounds.
- Picking up children from school, sports, and extra-curricular activities.
- Chatting with a friend or neighbor.
- Waiting in a drive-through.

These simple actions will decrease carbon emissions and promote a healthy environment where all residents can thrive.

*\*Source: Hamilton County Public Health*

## Montgomery Park Explorer

## Montgomery Tree Explorer

Enjoy the Montgomery Park Explorer and the Montgomery Tree Explorer programs together as a family. These free programs include workbooks for ages 2 to 5 and ages 6 and up. The workbooks provide participants with a variety of activities that will engage them in learning about local Montgomery parks and trees in a fun and active way.

**Pick up workbooks at City Hall or download at [montgomeryohio.gov](http://montgomeryohio.gov)**

Once completed, participants can turn in the workbooks any time, Monday through Friday, from 8:00 a.m. to 4:30 p.m. at Montgomery City Hall, 10101 Montgomery Road.

A member of the City recreation team will review the workbook and follow up with the participant. Completed workbooks will be given back to the participant to keep along with a certificate and patch.

**For more information on these free programs, contact Sarah Fink, recreation specialist, at 513-792-8317**
