Join the Makos this year and make a summer of great memories!

Kids can make great friends, be a part of a team and stay in shape! This is a great opportunity for youth to become stronger swimmers, make friends and have FUN! This team is focused on developing youth into team players, each making a contribution towards the goal and success of the whole team. Although competition is an element in any sport, the goal of the Montgomery Makos is self-improvement of each of its members, not on competitive marks and records.

Participants must be able to swim 25 meters freestyle (1 length), submerge, feel comfortable in deep water and be a current member of the Montgomery Community Pool. The team will be staffed by a full-time coach, and three assistant coaches, as well as lifeguards on duty for all team practices and home meets. The Makos Swim Team is a member of the Tri-County Swim League.

2 KIDS in a family sample cart:

- In 2024, the fee is \$110 per swimmer and there's a \$75 service deposit fee attached to the first swimmer (so the first child is \$185. The 2nd child is \$110).
- A family full season pool membership is required to be on swim team and this will automatically populate. The resident season membership is \$280 and nonresident membership is \$480.

#	Item	Total

3.	Oliver Machon for Makos Swim Team 2023 Ages 7-8 Boys	\$110.00

TEEN ONLY? Do you have a teen on the swim team and no other swimmers in your family?

- The fees for a swim team swimmer only in the family should include:
Makos Swim Team Fee of \$55. + Teen Pool Membership of \$67.50. (There is no \$75 service deposit fee for a teen only.)
- So, for one teen only in family, you should see this in your cart.

#	Item	Total
1.	Abby Machon for Makos Swim Team 2023 Ages 13-18 Girls	\$55.00
2.	Abby Machon for Pool Memberships 2023 Teen Swim Team Single ...	\$67.50

Have a teen + other children on the swim team? Add the teen LAST when registering.

2 Transactions? If you wish to add another child at a later time, in a separate transaction, please give us a call or stop by City Hall Mon-Fri 8-4pm, and we can help you get registered. If you register a second time online, the pool membership will automatically populate which would incorrectly give you 2 pool memberships.

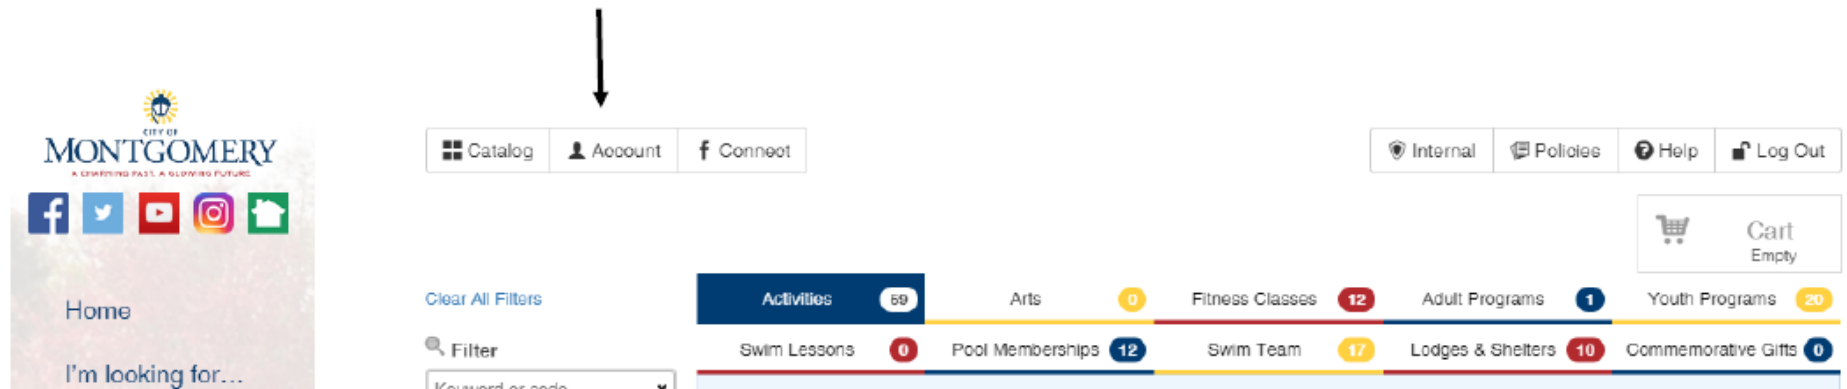

We are here to help you!

If you need assistance, please contact the City's Recreation Team:
