## TAGLIO PIZZERIA + BAR SERVES UP DETROIT STYLE PIZZA

BAR + PIZZERIA

Taglio Pizzeria + Bar is coming to downtown Montgomery this spring. Taglio, which specializes in Detroit Style and traditional pizzas, will move into the property located at 9321 Montgomery Road next to Dunkin Donuts. The location will serve pizza, appetizers, salads, beer, wine, and cocktails, with indoor and outdoor seating available.

“We are very excited to bring our restaurant/bar to life in Montgomery,” said Jared Wayne, one of Taglio’s owners. “We love the community and look forward to creating a destination for pizza and entertainment in the neighborhood.”

Taglio will offer delivery services of its entire food and alcohol menu to the surrounding area. Orders can be placed at [EatTaglio.com](http://EatTaglio.com) or using Taglio’s App.

## TERRY WILLENBRINK IS RETIRING

If you look around at the beautiful trees in Montgomery’s Parks, many of them were planted by Assistant Public Works Director and City Arborist Terry Willenbrink. Terry says he’s planted between 4,000 - 5,000 trees while working for the City. He began his career with the City of Montgomery’s Public Works Department in 1986.

“What I loved most about working for Montgomery was the freedom and opportunity I was given to learn and grow, beautify our city with trees and landscaping, and meeting so many nice people and coworkers over the years,” Terry said. “Our parks have come, in my opinion, the prettiest parks in the whole Cincinnati area.”

Besides his love of plants and trees, Terry is also a veteran. He was a Heavy Equipment Operator in the U.S. Navy Seabees from 1977 to 1982. Thank you for your service, your work, your friendship, and your love of nature.

Congratulations and enjoy your retirement!

## SHOW OFF YOUR BEAUTIFUL GARDEN

Montgomery’s annual Garden Tour will swing into bloom on June 26. The Montgomery Beautification and Tree Commission is accepting applications for beautiful gardens for the tour.

If your garden has unique features, unusual plants, or landscaped with native plant species, the Commission would love for you to participate in the Garden Tour.

Register your garden or for more information, contact Beautification and Tree Commission Member Darla Hall at [darlahall16@gmail.com](mailto:darlahall16@gmail.com).

## WE’RE LOOKING FOR GREAT PICTURES!

The covers of the November Bulletin and the April Bulletin were photographs taken by Lisa Meili, a Montgomery resident.

We’re looking for pictures taken in the City showing Montgomery’s beauty. Please send your photos to Amy Frederick at [afrederick@montgomeryohio.gov](mailto:afrederick@montgomeryohio.gov), and we may use them on the cover of the Bulletin!

## SPRING BRINGS A FEELING OF HOPE

BY LEE ANN BISSMEYER

As I write this article in early April for May, I'm looking out the window at the rain with snow in the forecast for this weekend. I can't help but liken the similarities of the unpredictable Montgomery weather we are accustomed to with the seemingly never-ending changes we've had to endure over the last two years. Among our many talents, midwesterners excel at resilience. We were tested with Covid, and we have mostly come out unscathed on the other side.

As Lady Bird Johnson said, "Where flowers bloom, so does hope ."Our downtown trees, which line Montgomery and Cooper roads are fabulous with their white blooms and the many daffodils sprouting around town make it clear that spring is here, as well as hope. Hope that Covid is behind us and the world can get back to a sense of normalcy. We did our best to offer events over the last couple of years in a safe manner, such as the 4th of July reverse parade and the Halloween drive-through, but nothing beats getting back together with friends and neighbors in person. All of us at City Hall have been busy planning for when we can celebrate events together again. This spring and summer are full of things to get you back out and about!

Montgomery is known for our well-kept properties, so you will be happy to know that the unlimited brush collection is back-check our website for your neighborhood's collection week. If you still have energy after working in your yard, we would love to have you join us on Saturday, May 14 for the City's Beautification Day. No experience necessary! Flowers will be provided to plant throughout the city in the morning from 9-11 am.

Each Saturday, the Montgomery Farmer's Market in the parking lot of Montgomery Elementary is kicking off its season on May 7. In addition to the expected vegetables, you can expect delicious pastries, artisan cheeses, and coffees.

Also, on May 7, Soirée en Blanc will take place in Pioneer Park. The city will provide the tables and chairs with white linens as well as live entertainment and a glass of bubbly. You come dressed in white with your dinner and table settings. It will be a refined social event in the tradition of Diner en Blanc, honoring our relationship with Neuilly-Plaisance, France. Register online or by calling City Hall.

We will again have the BAMSO concert on July 3, followed by the patriotic parade and festival in Montgomery Park on July 4. If you have not been to one of our BAMSO concerts, I highly encourage you to attend this year. The symphony is wonderful, and we are so very fortunate to have this caliber of talent available to us for free.

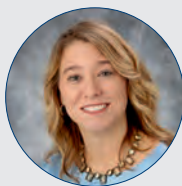

Summer is then right around the corner! The Municipal Pool will open on May 28 to kick off my favorite season. Last year, the city implemented a DORA allowing outdoor cocktails in designated areas. We have DORA events throughout the summer beginning in June, including Bastille Day, which will return for its 33rd year on July 16 in our historic downtown.

Council and staff have been busy implementing the strategic plan in accordance with your survey's priorities. As you have seen, the Montgomery Quarter is moving along well, and our first tenant will be occupying their space in June. The roundabout is structurally complete, and we have been working diligently on its landscape design, which is a good representation of Montgomery, as it will be the front door of our city. The first two restaurants, a boutique hotel (with a rooftop bar), and city park will be following soon thereafter. There are many things I am hopeful for; living in Montgomery is one thing I am grateful for.

# ANNUAL MONTGOMERY PHOTO CONTEST WINNERS

**Student Best in Show**  
in honor of Barbara Lindsey  
"Let's Just Keep It Groovy"  
by Jessica Lasita

Twenty local amateur photographers were recognized for artistic excellence at EXPOSURE Montgomery, the City's 34th Annual Photography Competition, on Sunday, April 10. The competition was judged by Liz Dufour, a photo editor and photographer for the Cincinnati Enquirer for 33 years and Michael Sanders, Professor of Electronic Media Communications at UC Blue Ash where he has been on the faculty for over 35 years. He is also co-founder of the UC Blue Ash Art Gallery and serves as a curator of exhibitions.

A total of 180 photographs were entered into the competition which included adult entries from the greater Cincinnati area and student entries from local high schools.

Many of the winning entries will be exhibited from April 15 through May 13 at Pella Windows and Doors in Montgomery. Pella Windows and Doors is a generous sponsor of the Montgomery Photo Competition.

The public was given the opportunity to see the photos prior to the awards event at an informal reception on April 9 and April 10 at Terwilliger Lodge.

## COMMUNITY MENTAL HEALTH DISCUSSION BEGINS MAY 12

It's not too late to mark your calendars to attend the first community Mental Health Discussion. **The session is Thursday, May 12 at Terwilliger's Lodge at 7:00 p.m. Julia Saldanha, Director of Programs, NAMI Southwest Ohio will be the featured guest.**

This first session will focus on bringing awareness of mental illness by identifying signs and symptoms of an illness. Hear a personal story and message of hope from a NAMI participant and receive resources for support and treatment.

Please register at [montgomeryohio.gov/mental-health/](http://montgomeryohio.gov/mental-health/), you do not have to leave your name.

Julia Saldanha is in her fourth year as Director of Programs at NAMI Southwest Ohio. Julia grew up in India, lived and worked in Asia and Switzerland, and has called Cincinnati home for the last 23 years. After working in Finance and Accounting for most of her career, Julia moved into the nonprofit sector and says that it has been the best move she ever made. Mental health challenges have touched Julia closely in her personal and professional life. As a result, she is passionate about education, support and advocacy for individuals living with mental illness and their loved ones.

## VOLUNTEERING IS NOW AS EASY AS CATCHING AN UBER

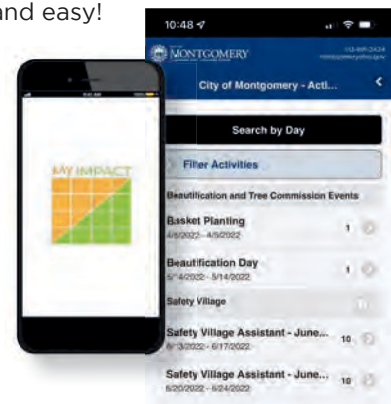

The City of Montgomery's new free volunteer app, My Impact, makes volunteering fast and easy!

Volunteers can maintain their profiles, view, print hours, and sign up for upcoming opportunities all in the palm of their hand.

To volunteer, simply download the My Impact app in the app store, create a profile, and sign up for an event that interests you! It's THAT easy!

*All past City of Montgomery volunteers were automatically migrated into the new system and assigned a username and password. You do NOT need to create a new account. An email was sent with log-in information to all past volunteers.*

If you have not received the email, need assistance logging in, or have any questions, please contact Shawn Cooper at [scooper@montgomeryohio.gov](mailto:scooper@montgomeryohio.gov) or call 513-891-2424.

**Thank you** to all the volunteers for their help planting the 330 hanging baskets that will help make Montgomery beautiful this season. Along with the City Public Works staff members, these volunteers spent a morning preparing flower baskets that were placed in the City's greenhouse until ready to be hung.

Volunteers this year were: Valerie Badinghaus, Gary Blomberg, Nancy Cottrell, John Devore, Shirley Freedman, Joyce Fugate, Ann Gunn, Andrew Haggerty, Darla Hall, Jane Hohn, Raji Ramprasad, and Phil Schwartz. This event is sponsored by the Beautification and Tree Commission.

## BETHESDA NORTH HOSPITAL 8<sup>TH</sup> FLOOR APPROVED

The Planning Commission approved a Final Development Site Plan to construct an additional story onto the 300 Tower of the main hospital. The approximate 33,000 square foot floor will provide 44 private patient rooms designed to meet updated standards for patient and family accommodations related to Oncology Med-Surgical Care. The construction will require the temporary relocation of the emergency helipad at the corner of Montgomery Road and Radabaugh Drive for approximately six months.

Construction is slated to begin in late spring. The project will also update the exterior of the hospital tower with modernized metal panels installed from the 5th to 8th floor on the northwest facade, as well as tan paneling only on the 8th floor of the southeast side.

For information on these projects, contact Kevin Chesar, community development director, at [kchesar@montgomeryohio.gov](mailto:kchesar@montgomeryohio.gov) or 513-792-8329.

## JOIN US FOR A HISTORIC WALKING TOUR TO CELEBRATE HISTORIC PRESERVATION MONTH

**Celebrate Historic Preservation month with Assistant City Manager Tracy Henao.**

Talk a stroll down the brick-lined sidewalks in Historic Montgomery and hear about the history of the city and many of the Landmark buildings. Founded in 1795 by settlers from Montgomery, New York, the city has been able to retain a number of historical buildings and designated 33 of them as local landmarks. In addition, six of these buildings are also listed on the National Register of Historic Places.

National Historic Preservation Month was established in 1973 and is celebrated throughout the United States. The city recognizes the importance of historic preservation and continues to foster this through the Landmarks Commission as well as working with the Montgomery Historic Preservation Association.

## WE'RE LOOKING FOR VETERANS FOR THE JULY 3 PATRIOTIC CONCERT

It's a Montgomery tradition to honor our veterans. During the Blue Ash Montgomery Symphony, Concert on July 3, veterans will be recognized for their service. In addition, during opening remarks, a few veterans will be honored as the mayor reads about their lives.

If you are a veteran or know of a veteran who lives in the Montgomery/Blue Ash area and may be interested in being honored at this event, please contact Mary Jo Byrnes (513-702-2979 or [jbyrnes1@gmail.com](mailto:jbyrnes1@gmail.com)) or Recreation Director Julie Machon (513-792-8316 or [jmachon@montgomeryohio.gov](mailto:jmachon@montgomeryohio.gov).) The City of Montgomery would like to honor them for their service to the country.

## BICYCLE LAWS 101

Summer is just around the corner, and the weather is getting warmer, which means more bicyclists on our roads. The Montgomery Police Department is reminding residents about laws that apply to bicyclists.

**The Ohio Revised Code defines bicyclists riding on the road as vehicles**, which means bicycles must obey all the same laws as a car, including traffic signals, yield, and stop signs. Bicyclists should also ride on the right side of the road unless it is unsafe. For instance, the bike rider is swerving to avoid a pothole or parked cars.

The Ohio Revised Code does not require bicyclists to wear helmets; however, they are strongly recommended. Helmets have been proven to reduce head injuries by 48% (source National Library of Medicine).

Bicycles can be ridden side by side in a single lane of travel, but it is not always safe. Remember to use hand signals when turning or stopping, so other vehicles know your intentions. In Montgomery, bicycles can be ridden on sidewalks because they are designated as shared-use paths. The bicyclist must yield the right-of-way to pedestrians and announce before overtaking them. When bicyclists encounter an intersection with a crosswalk, they must dismount and walk the bike through the crosswalk. If a bicyclist rides through the crosswalk, they could be cited if an accident occurs.

Electric bicycles have also become more prevalent in our community. There are three classes of e-bikes. Classes 1 and 2 e-bikes can be ridden anywhere a bike can be ridden. Class 3 e-bicycles can only be ridden in the road because of their excessive speeds. All E-bicycles are required to have a working speedometer. **Class 3 e-bicyclists are required to wear a helmet.**

The Montgomery Police Department currently has one E-bicycle and several bicycles for patrol and special events. Please use your bikes safely and enjoy your summer. Call the Montgomery Police Department if you have any questions.

## CITY AWARDS SERVICE AND ENGAGEMENT GRANT

On March 23, Montgomery City Council awarded the 2022 Service and Engagement Grant to the Montgomery Farmers Market.

The purpose of the Montgomery Farmers Market is to provide access to fresh, healthy, locally-grown produce and other locally-made food, to develop a sense of community in Montgomery, and encourage and involve local businesses. In addition, the market is committed to supporting family farms and start-up food businesses. Grant funds will provide engaging activities to draw more market patrons and strengthen the market to help ensure its long-term viability.

The City of Montgomery is proud to support the efforts of civic-minded organizations that genuinely enhance the quality of life in our community. For more about the Montgomery Farmers Market, visit [montgomeryfarmersmarket.org](http://montgomeryfarmersmarket.org). For more information on the Service to the Community Grant program, visit [montgomeryohio.gov](http://montgomeryohio.gov).

## JOIN THE PARADE!

Strike up the band, put marching shoes on, design a float or decorate classic cars in patriotic fashion for Montgomery's long-time tradition. The annual Independence Day Parade is Monday, July 4, and parade entry applications can be found online at [montgomeryohio.gov](http://montgomeryohio.gov).

Residents, neighborhood associations, and local businesses are invited to be a part of Montgomery's Independence Day Celebration, a day filled with patriotism, community pride, and memories that will last a lifetime. **Applications for parade entries are due no later than Friday, June 10.**

For more information or questions, please contact Recreation Specialist Sarah Fink at 513-792-8317 or by email at [sfink@montgomeryohio.gov](mailto:sfink@montgomeryohio.gov).

## SPRING SHREDDING EVENT - MARK YOUR CALENDAR!

The Environmental Advisory Commission will hold a free **Document Shredding Event** on **Saturday, May 21** at the monthly cardboard recycling event. This event is held from 10:00 a.m. to 1:00 p.m. at the Public Works Facility located at 7315 Cornell Road (across from Sycamore High School).

\*Please remove paper from notebooks and binders. Paper clips and staples DO NOT have to be removed. No binder clips please. CDs or DVDs cannot be shredded.

To serve everybody efficiently, there will be a maximum of **3** boxes (copy paper size or similar) per person in line, and you must be present. Volunteers will be available to assist.

Materials will be shredded onsite.

## STORMWATER MANAGEMENT

Stormwater management plays an important role in reducing the chance of flooding inside your home. Homeowners should be aware of the drainage system on their property to ensure that it is properly functioning. Most residential lots utilize a swale system to move water away from and around the home. Below are some key factors to understanding your drainage system.

### Drainage swales:

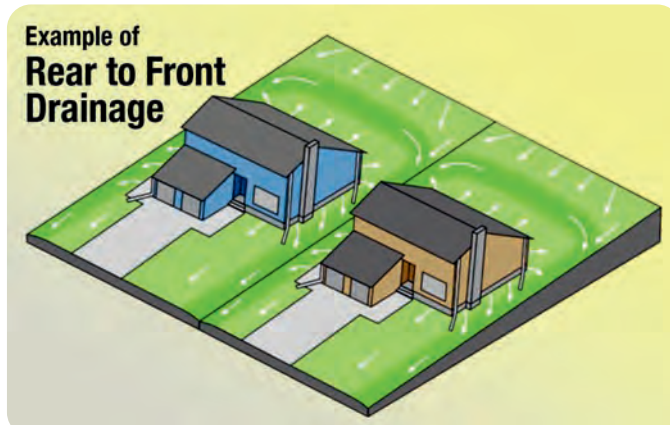

- Are shallow-sided, sloped ditches designed to carry surface run-off from a property, towards the nearest street, catch basin or storm water retention basin.

- Are typically located along common property lines and sometimes at the back of a lot.
- Should be graded and maintained in accordance with the approved lot grading plan.
- Swales must be unobstructed and free draining. Residents are encouraged not to place sheds, landscaping or any other object in a drainage swale.
- Do not plant trees in a swale, as over time, a large tree can impact drainage.
- Keep fences at least six inches above the bottom of a swale to allow water and small debris to pass under it.

### There are generally two types of lot drainage:

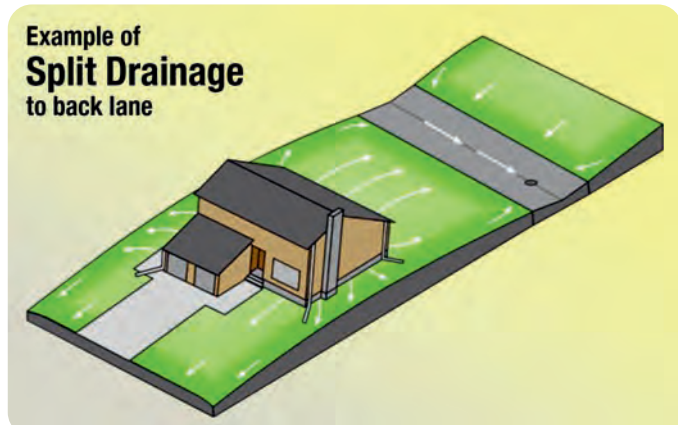

#### 1. Rear-to-front drainage

- The rear lot line is the high point on the lot.
- Surface water on the property is drained to side yard swales along the common lot line and out the front of the property toward the street.

#### 2. Split drainage to a rear yard swale

- The highest elevation is set near the midpoint on the property.
- Surface drainage then flows to the street and to the rear lot line onto a rear yard swale.

## HELP YOUR COMMUNITY CONTROL MOSQUITOES

From the buzz in your ear to the itchy welt on your arm, mosquitoes aren't just annoying; they can be dangerous to your health. Mosquito bites can cause skin irritation through an allergic reaction. They can also transmit serious diseases and viruses such as malaria, Dengue viruses, Zika, and West Nile virus, leading to disabling and potentially deadly effects.

We can help our community reduce the risks of mosquito-borne diseases by eliminating mosquito breeding grounds, public education, biological control, and insecticide applications.

- Once a week, empty and scrub, turn over, cover, or throw out items that hold water, such as tires, buckets, planters, toys, pools, birdbaths, flowerpots, or trash containers.
- Empty and change the water in birdbaths, fountains, wading pools, rain barrels, and potted plant trays at least once a week to destroy potential mosquito habitats.
- Check for water-holding containers both indoors and outdoors.
- Use screens on windows and doors and make sure they are in good working condition. Repair holes in screens to keep mosquitoes outdoors.
- Cover all gaps in walls, doors, and windows to prevent mosquitoes from entering.
- Clean rain gutters to allow water to flow freely.
- Don't leave garbage can lids lying upside down. Be sure water does not collect in the bottom of garbage cans.
- Check for trapped water in plastic or canvas tarps used to cover boats, pools, etc. Arrange the tarp to drain the water.
- Remove pet food and water dishes that are not being used.
- Keep swimming pool water treated and circulating.
