COUNCIL MESSAGE

DRUG ADDICTION AWARENESS BY RON MESSER

More than 107,000 Americans died from drug overdoses in 2021. That is more than gun deaths (49,000) and vehicle deaths (43,000) combined. It's a staggering number that was up 15% from 2020, and it's on pace to far eclipse that number this year. Yet the news media seems to pay a lot more attention to guns and traffic fatalities. However, recently we have seen a few articles in newspapers and on television that warn us that the worst may be yet to come due to illicit fentanyl spreading across our country.

In addition to the ongoing opioid crisis, the DEA reports a dramatic increase in counterfeit pills laced with fentanyl flooding our communities. Often, these pills target teens or young adults who buy them illegally, hoping to relieve anxiety and depression. Sometimes, they believe they are purchasing Adderall with hopes of increasing concentration. Dr. Nora Volkow, director of the National Institute on Drug Abuse, called the latest numbers of fake pills "truly staggering."

So, what's being done closer to home in Hamilton County to prevent and treat this problem? We are fortunate to have many local officials, medical and mental health professionals, educators, clergy, business leaders, and first responders that are active members of the Hamilton County Addiction Response Coalition (HCARC). County Commissioner Denise Driehaus is the Executive Chair. Its goal is to address the drug trafficking, abuse, and addiction problem by focusing on four areas: prevention, treatment, interdiction, and harm reduction. Last year 454 people died of drug overdoses in Hamilton County, down from 570 in 2017. However, there is still a long way to go, especially with the recent influx of fentanyl. As stated on the HCARC website, "Addiction doesn't discriminate. It affects all kinds of people, from all kinds of backgrounds, from every neighborhood across our country."

Within Hamilton County, the City of Montgomery is a bright spot. Our Police Chief, John Crowell, is actively linked with the Hamilton County coalition. His latest report, from data we are able to obtain, lists six overdose incidents in our city over the last five years, with only one being a Montgomery resident. That's outstanding, considering we have a major hospital and interstate highways within our boundaries.

What can you do as a family or individual?

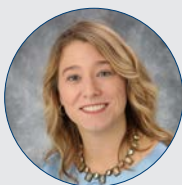

- Lock or secure all of your prescription medicines.
- Drop off your expired or unused prescription medicines at the Montgomery Safety Center.
- Seek help if you or someone you suspect are abusing drugs or at risk. Call the HCARC at 513-281-7880 if you have questions or need help. Call 988 for a mental health condition.
- Be aware that some illegal drugs may be laced with fentanyl or other harmful substances.
- Discuss drug abuse and awareness with your children. Educate them on the harmful effects of drugs and how to avoid them.
- Drop off unwanted medication on National Prescription Drug Take Back Day - More information on page 11.

Let's continue to keep Montgomery safe, aware, and proactive in this crisis.

FIFTH THIRD PRIVATE BANK

FIFTH THIRD OPENS MONTGOMERY PRIVATE BANK

In August, Fifth Third opened its new Private Bank office in Montgomery, the marquee tenant in the new Montgomery Quarter development at Montgomery Road and Main Street.

“We’re passionate about going where our clients reside,” said Joel Stone, Private Bank managing director in Cincinnati. “Sixty percent of our clients who live in Greater Cincinnati live within a 15-minute drive of this location, so that’s a big reason why we chose it. Our Private Bank helps high-net-worth clients develop a customized wealth strategy. We work to be the personal CFO for successful families. We work with them to build an executable wealth strategy that simplifies financial complexity.”

The Private Bank office pays homage to its neighborhood with touches of Montgomery throughout the space, such as a wall map of downtown Montgomery and meeting rooms named for influential people and places in the community. For more information, visit www.53.com/privatebank.

CITY SEEKS DONATION OF OFFICIAL HOLIDAY TREE

The City of Montgomery is looking for a holiday tree to display in the downtown historic district. If you think you have the perfect tree, which has outgrown its location on your property, consider donating it to the City. Contact Mike Rogers, Assistant Public Works Director, at mrogers@montgomeryohio.gov or call 513-792-8318.

UNLIMITED YARD WASTE COLLECTION STARTS OCT. 31

Unlimited Yard Waste Collection begins Monday, October 31, and ends on December 23, 2022. The City will also provide collections during the first three Saturdays in January to coincide with the Christmas tree and greenery collection.

Guidelines

- Place leaves in regular 30-gallon trash cans, paper leaf bags, or yard waste totes (available through Rumpke).
- 30-gallon yard waste cans/totes have a 75 lb. weight limit. Once temperatures fall below freezing, all waste **must** go into bags as the moisture causes the cans/totes to freeze.
- Loosely place yard waste in trash cans or paper yard waste bags. Label yard waste totes as yard waste. Yard waste placed in unmarked totes will **NOT** be picked up.
- Place yard waste on the opposite side of the driveway from trash and leave the lids off the cans. Plastic bags will **NOT** be picked up.

- Bundle brush in 4-foot by 2-foot bundles fastened with cotton twine. The weight limit is 50 lbs.
- Cut limbs into 4-foot lengths and no larger than 6 inches in diameter.
- Place all limbs in a can or a bundle. Limbs should not reach more than 1 foot above the height of the can.

During unlimited collection, yard waste stickers are not required.

If you have questions, please refer to the City’s website, montgomeryohio.gov, or call 513-891-2424.

CONSTRUCTION OF THE VILLAGE AT THE VINTAGE CLUB CONTINUES

Construction of The Village at The Vintage Club on the northern end of Montgomery has kicked into high gear. The Vintage Club is a planned development and mixed-use project located on approximately 68 acres with frontage along Montgomery Road north of I-275. The first building of The Wicks, consisting of 13 luxury boutique condominiums, is complete and fully occupied. The second building is currently under construction and is expected to be completed in the first quarter of 2023. More information about the condos, including floorplans and a virtual tour of The Village can be found on Traditions Group website at traditionsgroup.com.

The building at 1010 Vintage Club Boulevard is also under construction. Traditions Development Group is currently pre-leasing space in this three-story commercial building, which is anticipated to be complete in early spring of 2023. Upon completion, The Village at The Vintage Club will be an attractive mixed-use development with a dynamic blend of office, retail, restaurants, and residential space that will complement the existing 100+ homes within The Vintage Club community and The Christ Hospital Health Network medical office building.

For more information on this project, contact Tracy Henao, Assistant City Manager, at thenao@montgomeryohio.gov or 513-792-8312.

MONTGOMERY WELCOMES NOVA CANDLE COMPANY

There's nothing like the warm glow of a candle to light a room. The Nova Candle Company aims to give customers that ambiance while keeping them safe from unwanted chemicals and carcinogens. Jaclyn and Billy Lonsway started the company in 2019, which they named after their dog Nova.

"Our candles are hand-poured locally in Cincinnati, Ohio. We use soy wax and natural essential oils when pouring our candles to ensure the cleanest burn while also staying environmentally conscious," said Jaclyn. "This gives our customers a clean burn, free from unwanted chemicals and carcinogens."

Nova Candle Company also hosts DIY Candle-Making Workshops to walk people through how to make their own candles.

OCTOBER IS FIRE PREVENTION MONTH

October 9th through October 15th marks the 100th anniversary of Fire Prevention Week. This year's campaign, **"Fire won't wait. Plan your escape™"**, works to educate everyone about simple but important actions they can take to keep themselves and those around them safe from home fires.

Today's homes burn faster than ever. You may have as little as two minutes (or even less time) to safely escape a home fire from the time the smoke alarm sounds. Your ability to get out of a home during a fire depends on early warning from smoke alarms and advance planning.

Home Fire Escape Planning and Practicing

It is important for everyone to plan and practice a home fire escape. Everyone needs to be prepared in advance, so that they know what to do when the smoke alarm sounds. Given that every home is different, every home fire escape plan will also be different.

Have a plan for everyone in the home. Children, older adults, and people with disabilities may need assistance to wake up and get out. Make sure that someone will help them!

Smoke Alarms

Smoke alarms sense smoke well before you can, alerting you to danger. Smoke alarms need to be in every bedroom, outside of the sleeping areas (like a hallway), and on each level (including the basement) of your home. Do not put smoke alarms in your kitchen or bathrooms.

Choose an alarm that is listed with a testing laboratory, meaning it has met certain standards for protection.

For the best protection, use combination smoke and carbon monoxide alarms that are interconnected throughout the home. These can be installed by a qualified electrician, so that when one sounds, they all sound. This ensures you can hear the alarm no matter where in your home the alarm originates.

The Montgomery Fire Department has a limited number of smoke detectors available. Call Julee at 513-985-1633 to see if you qualify for a free smoke detector installed in your home.

Information provided by the National Fire Protection Association.

OHIO'S PERMITLESS CARRY LAW

Ohio recently passed Senate Bill 215, which allows citizens to carry a handgun concealed without a license in Ohio.

- **Permits will be optional:** Ohio will still offer licenses/permits to anyone who wants one, but they are no longer mandatory. Those who obtain a license won't be legally required to carry their license with them.

- **Law applies to "qualifying" adults:** The rules for concealed carry in Ohio without a license are the same as concealed carry with a license. That is, you must be at least 21, not be charged with or convicted of a felony (or prohibited from possessing a firearm for any other reason under state or federal law), and meet other qualifications set forth by

the Ohio Attorney General. Having a sealed criminal record cannot disqualify you.

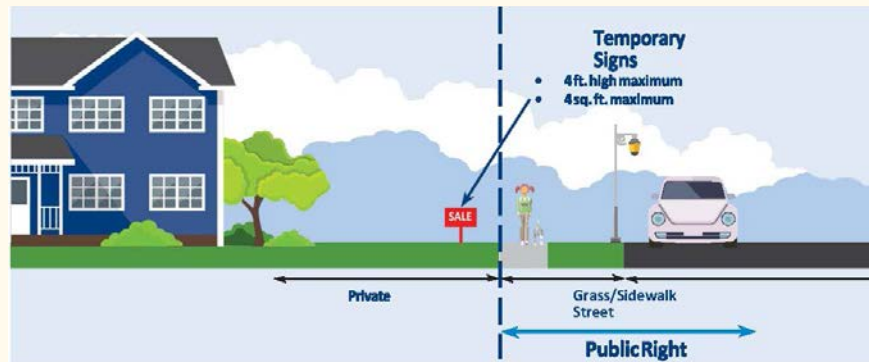

- **Law applies in Ohio only:** Ohio's concealed carry law applies only in Ohio. Residents must obey the firearm laws of other states when crossing state lines, which could mean a concealed license is required.

TEMPORARY SIGNS REGULATED FOR HEIGHT, DISTANCE

Montgomery residents are reminded that the City has zoning regulations in place that govern the size and location for which temporary signs may be displayed on residential lots.

Temporary signs such as garage sale signs, political signs and real estate signs are permitted individually up to four square feet in size and four feet in height and must be located behind the sidewalk or 13' behind the curb if there is not a sidewalk.

If you would like to find out more about temporary sign regulations, contact Melissa Hays, city planner, at 513-792-8347.

LIVE AT THE UNI IS BACK - AT THE UNI!

Due to COVID, last year's Live at the Uni series was held at Sycamore High School. Due to popular demand, we decided to return to our home base, the Universalist Church (across the street from the Montgomery Inn), so people can enjoy the cozy ambiance and intimate setting that make this music experience so special.

Joshua Steele, is a Sycamore High School graduate?

We'll kick off this season on **October 11** with **No Promises Vocal Band**, a Montgomery favorite and this concert has a waiting list. Did you know that founding member,

from his perch in the string section of the Cincinnati Symphony Orchestra.

On **October 25**, we're excited to welcome back the **Faux Frenchmen**, performing their brand of "gypsy jazz" made popular in the 1930s by guitarist Django Reinhardt and violinist Stephane Grappelli. You may recognize violinist Paul Patterson

November 15 brings to the stage the wonderful sounds of **Phil DeGreg and Brasilia**, featuring the vibraphone genius of Rusty Burge. DeGreg spent a significant amount of time studying the native music while visiting Brazil and is an expert at this unique and lovely repertoire.

Mandy Gaines will perform a holiday concert special on Sunday, **December 11**, at 7:00 p.m. This concert has a waiting list.

All concerts begin at 7:00 p.m. and last about an hour. As always, concerts are free; a voluntary donation is certainly appreciated. A reception immediately following concerts in October and November will featuring complimentary appetizers at Montgomery Inn.

As seating is limited, we ask that you reserve your seat(s) by calling Montgomery City Hall at 513-891-2424, or visit online at montgomeryohio.gov.
