## Commemorative Park Bench Program

### Commemorative Park Bench Program

Victorian Bench - \$1,250.00

Standard Park Bench - \$850.00

A \$850.00 gift will install a Standard Park Bench in honor of special someone in your life. A \$1,250.00 Victorian Style Bench is also an option. Birthdays, anniversaries, memorials, and other special occasions can be chosen to honor your special loved one.

Your gift will provide beauty and value, while enhancing the City's park system. Most of all, your gift will be a legacy to our City, helping create an attractive and pleasant place to live, work and play.

The City cannot guarantee specific requests on location, but will make every effort to honor requests or propose an appropriate alternative. A list of Parks is provided to help you in your selection.

An acknowledgement card will be sent to the person or family of the individual honored as well as to the contributor.
