COUNCIL MESSAGE

SERIOUSLY...

BY KEN SUER

- The City Council has been abolished, there is no City manager or City staff and everyone has to fend for themselves.
- The local school district ranks last in the State and has only a two percent graduation rate.
- Crime is rampant—it is unsafe to venture out during the day much less at night.
- The Police and Fire Departments are no longer. Armed vigilante groups have replaced them.
- Almost every available surface in the City is covered with graffiti.
- The former municipal pool is filled with algae, debris and alligators.
- Streets are clogged with abandoned cars and traffic lights don't work.
- People hoard food and often fight over it.
- Most businesses are gone and a large hospital sits abandoned.
- Gangs of coyotes roam the neighborhoods looking for small pets and small people to devour.

And then—I woke up and realized that instead of this nightmare town I was actually in Montgomery, Ohio! WHAT A RELIEF!

Montgomery is not perfect but the problems we have are very manageable. For instance....

I recently heard a guy say that he is, “really aggravated because one of his neighbors STILL has Christmas decorations up!” And, a woman told me that deer eat her hostas every year even though she has signs posted that say, “these are NOT deer food!”

I, myself think we need to seriously consider waging all out war on rust, noxious weeds and mildew. That mildew is very unsightly. This would be a good time to check your house and property. You can play a major role in the ongoing battle against those vile invaders.

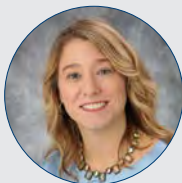

And, on another note—yes, there are small and large legitimate problems and issues that need to be worked on but our town is well equipped to handle those challenges. Competence, civility and cooperation can accomplish a lot.

Montgomery is a great place and we as residents are really fortunate, but everyone needs to work together to keep it that way. Seriously—let's make it happen!

FIREWORKS

WHAT CAN I DO AND WHAT CAN'T I DO

Ohioans can legally discharge 1.4G consumer fireworks in Ohio on certain days. Here's a breakdown of what you can and can't do under the law.

When can Ohioans discharge fireworks?

Ohioans can discharge consumer fireworks on the following dates and times:

- ★ July 3, 4, and 5, and the weekends immediately before and after (4 p.m.-11 p.m.)
- ★ Labor Day weekend (4 p.m.-11 p.m.)
- ★ Diwali (4 p.m.-11 p.m.)
- ★ New Year's Eve (4 p.m.-11:59 p.m.)
- ★ New Year's Day (12 a.m.-1 a.m.; 4 p.m.-11 p.m.)
- ★ Chinese New Year (4 p.m.-11 p.m.)
- ★ Cinco de Mayo (4 p.m.-11 p.m.)
- ★ Memorial Day weekend (4 p.m.-11 p.m.)
- ★ Juneteenth (4 p.m.-11 p.m.)

Where can fireworks be discharged?

Consumers can discharge fireworks on their own property or on another person's property if the owner of that property has given express permission for fireworks to be discharged.

Ohioans must discharge fireworks properly

The Ohio Revised Code (ORC) § 3743.45 and Ohio Fire Code (OFC) § 5626 apply and can be read in their entirety online by searching the ORC and the OFC. Relevant Ohio Fire Code provisions outline how 1.4G consumer fireworks must be used and stored by consumers. Some provisions in the rules include:

- ★ No person under the age of 18 is permitted to handle or discharge fireworks.
- ★ Persons under the age of 18 cannot be within 150 feet of the discharge point of aerial fireworks.

- ★ No person can use fireworks while in possession or control of, or under the influence of, any intoxicating liquor, beer, or controlled substance. A person who violates this is guilty of a first-degree misdemeanor.
- ★ Aerial devices cannot be discharged within 150 feet of buildings/structures and/or spectators (this includes aerial shells, roman candles, cakes, and bottle rockets).
- ★ Non-aerial devices cannot be discharged within 50 feet of buildings/structures and/or spectators (this includes fountains, firecrackers, and ground effect devices).

Note: These separation distances – for both aerial and non-aerial devices – are increased for certain types of locations such as hospitals, schools, healthcare and residential facilities, apartment and multi-tenant buildings, military installations and railroads.

- ★ No person can store in excess of 125 pounds (net weight of pyrotechnic composition) of fireworks unless they have additional safety measures and safeguards in place for such storage.
- ★ Fireworks cannot be discharged indoors.
- ★ Fireworks cannot be aimed at or discharged toward any person or object (such as buildings).
- ★ Fireworks cannot be discharged on public property or private school property.
- ★ Fireworks cannot be discharged if drought conditions exist or in an area where a red flag warning is in place or other weather hazard exists.

Where can Ohioans buy fireworks?

Only fireworks purchased in Ohio may be discharged in Ohio. Consumers may purchase fireworks from any of the licensed sales locations throughout the state. When purchasing fireworks, the retailer must provide consumers with safety glasses (for free or at a nominal charge) and with a safety pamphlet.

SPRING INTO FITNESS

By Twin Lakes Senior Living Community

Every year we discover more about the health benefits of staying physically active as we age. While getting older is unavoidable, it doesn't mean you have to become less active, or you can't improve your current fitness levels. With warmer weather, it's a good time to get outside and begin your fitness journey.

Going for a bike ride is a great way to add exercise to your weekly routine. Cycling is an aerobic activity that gets your heart pumping and helps lower stress and blood pressure. In addition, cycling strengthens hip and leg muscles, specifically the gluteus muscles, hamstrings, quadriceps, and calves, all while improving overall balance and coordination. The City of Montgomery has many parks and trails available for you to explore. Be sure you always wear a helmet and stay hydrated!

If cycling is not for you, go for a daily walk. About 2,000 - 3,000 steps are a great starting goal, although no magic number exists. Before you begin, stretch out your legs, shoulders, and chest for about five minutes to avoid injury and make your walk more comfortable. In addition, be sure your shoes are cushioned, breathable, and lightweight. While flat terrain may seem more appealing, try making a point to go up and down hills for even more muscle and stamina work.

Not only does exercising outdoors improve your physical fitness, but it also helps clear your mind and improve your mood. You don't have to lift heavy weights or complete high-intensity workouts to improve your current fitness levels.
