Note: Losses from business activities **may not** be used as a deduction from W-2 wages or other compensation.

Worksheet A: For the calculation of all types of business income reported on an individual's tax return. The State of Ohio made changes to the way municipalities must calculate total profit and loss from business activity for residents. Do not report Partnership or S Corp income from businesses located within the City of Montgomery on this worksheet as the entity is required to file a separate business tax return. Income from S Corps located outside of Montgomery is not taxable. All profit and loss from businesses, regardless of location, must be combined to a net amount for taxation. Credit for taxes paid to other municipalities for these businesses will be calculated in **Worksheet B**. Total income per type of Schedule can be combined for **Worksheet A**. Total profit minus total loss equals the taxable business income and should be included on Page 1, Line 5. (See Example Worksheet on Page 3)

Montgomery Individual Income Tax Return: General Information

Notice: The State of Ohio made significant changes to the Ohio Municipal Income Tax laws (Chapter 718 of the Ohio Revised Code) effective January 1, 2016. Please read below to learn how these changes may impact you.

EXEMPTIONS TO MANDATORY FILING	Any person under 18 years of age who has not previously filed a return and has no earned income. Any permanently disabled or retired person with only non-taxable sources of income; and who has previously filed a return establishing their status with the City's tax office and who will continue to have no earned income.
PAYMENTS	Make checks or money orders payable to the City of Montgomery. The Tax Office accepts VISA, Mastercard, Discover and American Express cards with no processing charge. If the balance due with your return is \$10.00 or less, payment need not accompany your return.
EXTENSIONS	Taxpayers who have requested a 6-month extension for filing their federal income tax return shall automatically receive a 6-month extension for the filing of their city tax return. Taxpayers who have not requested a 6-month extension for their federal income tax return may be granted a 6-month extension by submitting a request to the Tax Administrator by the due date of the return. An extension of time to file is not an extension to pay tax due. Penalty and interest charges will apply to all payments received after the return due date. A copy of your Federal extension form must be attached to your return when filed.
FORM 2106 EXPENSES	Employee business expenses reported on Federal Form 2106 are deductible only from W-2 wage income that is taxable to Montgomery. If wages are allocated between cities, Form 2106 expenses should likewise be allocated, and tax credit reduced accordingly. Please attach a copy of the 2106 form to your return.
ESTIMATED TAX	Taxpayers who anticipate a net tax liability of \$200.00 or more are required under Ohio law to remit estimated tax payments. Quarterly estimated tax payments are due on April 15, June 15, September 15 and December 15. A minimum of 90% of tax liability must be received by the December 15 due date.
REFUNDS AND CREDITS	Refunds are allowed only when city income tax has been paid to or withheld for Montgomery. Note: There is a three (3) year statute of limitations for claiming a refund or credit of any overpayment of city tax. Overpayments of \$10.00 or less will not be refunded.
LOSS CALCULATION	All income or loss from self-employment, rentals, partnerships, fees, ordinary gains and losses reported on Form 4797, and any other business activity must be netted together to arrive at an overall net profit or loss for the current year. If the netting results in an overall loss, the loss may be carried forward for a period not to exceed five (5) years. Please note: The methodology for computing overall net profit or loss has changed effective January 1, 2016 as a result of changes made to Chapter 718 of the Ohio Revised Code. Please refer to the worksheets and instructions for calculation details.
PENALTY AND INTEREST	Effective beginning the 2016 tax year: Late filing penalty will be imposed for the failure to timely file a return (regardless of liability shown) at the rate of \$25.00 per month or fraction thereof, up to a maximum of \$150.00. Penalty will be imposed on all tax remaining unpaid after becoming due. The penalty rate is 15% of the amount not timely paid. Interest will be imposed on all tax remaining unpaid after becoming due. The rate is adjusted annually based on the federal short-term rate plus 5%.
MAILING ADDRESS	If you are requesting that your account be inactivated due to your moving from the jurisdiction with no intent to return, although retaining a mailing address within the jurisdiction as your address of record, please enter the date of your move, the reason, and attach supporting documentation with regard to your relocation.
ATTACHMENTS	Ohio State law requires that your Montgomery return include a copy of your Federal 1040 form and all W-2 forms. Please attach a supporting document to verify each income, loss or deduction item reported on your city return. Examples include Federal Schedules C, E, F, K-1 and/or 1099-Misc.
DISCLAIMER	Definitions and instructions are illustrative only. The City of Montgomery Income Tax Ordinance and the Ohio Revised Code supersede any interpretation presented.

Note: Unless accompanied by W-2 form(s), Federal 1040 form and pertinent schedules, payment of the balance of the 2016 tax declared due (Line 9) and at least 22.5% of the estimated tax for 2017, this form is not a complete legal final return or declaration.
