The Munford High School parking lot will be the staging area. Do NOT drive onto Park St. then Pritchett Dr. until everyone one in your party has arrived. No cars will be allowed on Pritchett Dr. except for floats, including vehicles dropping off parade participants. When lining up for the parade you will leave the Munford High parking lot and turn right onto McLaughlin Dr. and follow to the 3 way stop and turn right onto Park St. go through the next 4 way stop and continue on Park until it runs into Pritchett Dr. You will then drive down Pritchett until you are directly behind another float/vehicle. **Do not leave spaces.** Please pull all the way forward, this allows for a much smoother lineup and parade start. This year, the Parade will turn left from Pritchett Dr. onto McLaughlin. Right onto Doctor's Dr. Then Right onto Munford Ave. It will officially end at Tipton Road, Church of Christ. **You may not stop here.** You will turn left on to Charles Avenue and go to Maple Hill Drive and take left to get back to Munford High.

There is no cost to participate in the parade HOWEVER we do ask that each entry bring 2-3 unwrapped gifts to fill the sleigh. We ask that these gifts be age appropriate for middle school aged students. You may drop these off ahead of time at the Munford Parks and Rec office or on the day of the parade at the tennis court parking lot, either before the parade or as your float passes by.

Floats will be judged in 2 categories with an overall grand prize winner receiving \$250!
