The Board is aware of the risks and benefits associated with the Loan and the Put Option. The Board finds that the repayment structure of the Loan (including the Put Option) is in the public interest of the City.

The Board further agrees that it is willing to pay additional issuance costs associated with the refunding of the Loan and related Bond in the event the Put Option is exercised by the Purchaser. In the event that the Put Option is exercised by the Purchaser, and the City is unable to pay the Loan amount in full on such date and no subsequent holder can be determined, the Board commits to refund the Loan in the following manner:

(x) the Board shall submit a plan of refunding to the Comptroller or Comptroller's designee;

The Board has consulted with such advisors and experts as it deems appropriate before the consideration and adoption of this Resolution.

Section 6. Disposition of Proceeds. The proceeds from the sale of the Bond shall be paid, from time to time, to the official of the Municipality designated by law as the custodian of the funds, upon submission of a requisition for such funds by the Municipality to the Purchaser, in accordance with

the terms of the Loan Agreement. Such proceeds shall be disbursed from time to time solely to finance the costs of the Project and to pay costs of issuance incurred in connection with the issuance of the Bond and the loan of the proceeds thereof to the Municipality. Any monies remaining in the Project Fund after completion of the Project shall be used to pay debt service on the Bond.

Section 7. Consent to Assignment. The Municipality hereby consents to the assignment of all of the Authority's right, title, and interest in and to the Loan Agreement as security for the Bond to which such Loan Agreement relates, except for certain reserved rights of the Authority, to the Purchaser.

Section 8. Arbitrage Certification. The Municipality recognizes that the purchaser and owner of the Bond will have accepted it on, and paid therefor a price, that reflects the understanding that interest thereon is excludable from gross income for purposes of federal income taxation under laws in force on the date of delivery of the Bond. In this connection, the Municipality agrees that it shall take no action which may cause the interest on said Bond to be included in gross income for federal income taxation. It is the reasonable expectation of the Board of the Municipality that the proceeds of the Bond will not be used in a manner which will cause the Bond to be an "arbitrage bond" within the meaning of Section 148 of the Code, and to this end the proceeds of the Bond and other related funds established for the purposes herein set out shall be used and spent expeditiously for the purposes described herein. The Board further covenants and represents that in the event it shall be required by Section 148(f) of the Code to pay any investment proceeds of the Bond to the United States government, it will make such payments as and when required by said Section 148(f) and will take such other actions as shall be necessary or permitted to prevent the interest on the Bond from becoming taxable. The Mayor and City Recorder, or either of them, are authorized and directed to make such certifications in this regard in connection with the sale of the Bond as either or both shall deem appropriate, and such certifications shall constitute a representation and certification of the Municipality.

Section 9. Miscellaneous Acts. The Mayor, the City Recorder, the City Attorney, and all other appropriate officials of the Municipality are hereby authorized, empowered, and directed to do any and all such acts and things, and to execute, acknowledge, and deliver all such documents, instruments, and certifications, in connection with the execution of the Loan Agreement and the issuance of the Bond by the Authority, in addition to those acts, things, documents, instruments, and certifications hereinbefore authorized and approved, as may in their discretion, be necessary or desirable to implement or comply with the intent of this Resolution or any of the documents herein authorized and approved.

Section 10. Captions. The captions or headings in this Resolution are for convenience only and shall in no way define, limit, or describe the scope or intent of any provision hereof.

Section 11. Severability. Should any provision or provisions of this Resolution be declared invalid or unenforceable in any respect by final decree of any court of competent jurisdiction, the invalidity or unenforceability of such section, paragraph, ordinance, or provisions shall not affect the remaining provisions of such Resolution.

Section 12. Repeal of Conflicting Resolutions. All resolutions or parts thereof in conflict herewith are, to the extent of such conflict, hereby repealed.

Section 13. Effective Date. This Resolution shall take effect upon its adoption, the welfare of the Municipality requiring it.

Adopted and approved this 28th day of March, 2022.

(m) Indemnity. To the extent legally permissible, the Borrower will pay, and will protect, indemnify, and save the Issuer and the Administrator, each member, officer, director, employee, and agent of the Issuer and the Administrator, and each other person, if any, who has the power directly or indirectly, to direct or cause the direction of the management and policies of the Issuer, harmless from and against, any and all liabilities, losses, damages, costs, and expenses (including reasonable attorneys' fees), suits, claims and judgments of whatsoever kind and nature (including those in any manner directly or indirectly arising or resulting from the use or operation of the Project) in any manner directly or indirectly (in any case, whether or not by way of the Borrower, its successors and assigns, or directly or indirectly through the agents, contractors, employees, licensees, or otherwise of the Borrower or its successors and assigns) arising or resulting from, out of, or in connection with, the Bond, the Project, this Loan Agreement, or the breach or

violation of any event, covenant, representations, or warranty of the Borrower set forth in this Loan Agreement or any document delivered pursuant hereto or thereto or in connection herewith or therewith.

To the extent legally permissible, the Borrower will pay, and will protect, indemnify and save the Bank, the Administrator, and the Issuer, their officers, directors, agents, and employees, and each person, if any, who controls the Bank, the Administrator, or the Issuer or any of its directors, officers, agents, or employees within the meaning of the Securities Exchange Act of 1934, as amended, harmless from and against any and all liabilities, losses, damages, costs, and expenses (including reasonable attorneys' fees), suits, claims and judgments of whatsoever nature directly or indirectly arising or resulting from, or in connection with, the breach or violation by the Borrower of any agreement, covenant, representation, or warranty of the Borrower set forth in this Loan Agreement or any document delivered pursuant hereto or thereto or in connection herewith or therewith. An indemnified person shall promptly notify the Borrower in writing of any claim or action brought against it, in respect of which indemnity may be sought against the Borrower, setting forth, to the extent reasonably practicable under the circumstances, the particulars of such claim or action, and the Borrower will promptly assume the defense thereof, including the employment of competent counsel satisfactory to such indemnified person and the payment of all expenses.

An indemnified person may employ separate counsel with respect to any such claim or action and participate in the defense thereof, but, except as provided herein, the fees and expenses of such separate counsel shall not be payable by the Borrower unless such employment has been specifically authorized by the Borrower or unless such employment was occasioned by conflicts of interest between and among indemnified persons and/or the Borrower. If the Borrower shall fail to assume the defense of any action as required hereunder, or, within a reasonable time after commencement of such action to retain counsel satisfactory to the indemnified person, the fees and expenses of counsel to such indemnified person hereunder shall be paid by the Borrower.

All amounts payable to or with respect to the Issuer under this Section shall be deemed to be fees and expenses of the Issuer for purposes of the provisions hereof dealing with the assignment of the Issuer's rights hereunder.

The provisions of this subparagraph shall survive the payment in full and termination of this Loan Agreement.

(n) Further Assurance. The Borrower shall execute and deliver to the Issuer, the Administrator, and the Bank all such documents and instruments and do all such other acts and things as may be necessary or required by the Issuer, the Administrator, and the Bank to exercise and enforce their rights under this Loan Agreement and to realize thereon, and record and file and rerecord and re-file all such documents and instruments, at such time or times, in such manner and at such place or places, all as may be necessary or required by the Issuer and the Bank to validate, preserve, and protect the position of the Issuer, the Administrator, and the Bank under this Loan Agreement.

(o) Information Reports. The Borrower covenants to provide the Issuer or the Administrator, on behalf of the Issuer, with all material information necessary to enable the Issuer to file all reports required under Section 149(e) of the Code, if any, to assure that interest paid by the Issuer on the Bond shall be excluded from gross income of the owner for federal income tax purposes.

(p) Tax Exempt Status of Bond. The Issuer and the Borrower understand that it is the intention hereof that the interest on the Bond not be included within the gross income of the owner thereof for federal income tax purposes. In furtherance thereof, the Borrower agrees that it will take all action within its control which is necessary in order for the interest on the Bond to remain excludable from gross income, as defined in Section 61 of the Code, of the owner thereof for federal income tax purposes and shall refrain from taking any action which results in such interest becoming so included.

The Borrower covenants that it will record or file or cause to be recorded or filed in such manner and in such places whatever documents as may be required by law, the Bank or the Issuer to be recorded or filed in order to protect fully the security of the owner of the Bond, and, if applicable, the tax-exempt status of such Bond, including, but not limited to, the filing of all reports as may be required from time to time pursuant to the Code.

The Borrower further covenants that it will not take any action or fail to take any action with respect to the investment of the proceeds of the Bond, with respect to the payments derived from the Bond, or with respect to the purchase of other obligations, which action or failure to act may cause the Bond to be an "arbitrage bond" within the meaning of such term as used in Section 148 of the Code.

The Borrower will file, or cause to be filed, a Form 8038-G (or successor form) with respect to the Loan in a timely manner. The Borrower has on the date hereof executed a Borrower's Tax Certificate and hereby agrees to observe all covenants contained therein.

(q) Maintenance of Existence; Merger, Consolidation, Etc. The Borrower will maintain its corporate existence, and status as a municipal corporation, as defined in the Act, except that it may dissolve or otherwise dispose of all or substantially all of its assets and may consolidate with or merge into another corporation or permit one or more corporations to consolidate with or merge into it if (i) the surviving, resulting, or transferee corporation is a municipal corporation, as defined in the Act, and, if other than the Borrower, assumes in writing all of the obligations of the Borrower hereunder; and (ii) such action does not result in any default in the performance or observance of any of the terms, covenants or agreements of the Borrower under this Loan Agreement. In addition, the Borrower will obtain (y) an opinion of Borrower's counsel that the merger or consolidation complies with this paragraph (q), and (z) a Favorable Opinion of Bond Counsel delivered to the Issuer and the Bank with respect to the merger or consolidation.

(r) Use of Proceeds. Except to the extent that the Borrower shall deliver to the Issuer, the Administrator, and the Bank a Favorable Opinion of Bond Counsel with respect to the failure of the Borrower to comply with any of the agreements on its part contained in the following paragraphs, the Borrower represents and agrees as follows with respect to the use of the Loan Amount; *provided, however*, that if the Borrower shall deliver to the Issuer, the Administrator, and the Bank a Favorable Opinion of Bond Counsel with respect to compliance with a requirement other than, different from or in addition to those set forth below, then the Borrower shall comply with such other, different or additional requirement:

(1) The Borrower will apply the Loan Amount from the Issuer solely for the financing of the Project as set forth in EXHIBIT A hereto. The Project shall be used in or in connection with the governmental purposes of the Borrower consistent with the Borrower Resolutions.

(2) None of the Loan Amount is being or will be used to refund or refinance any debt instruments, except as provided in this Loan Agreement and consistent with the terms of the Borrower Resolutions.

(3) The Borrower covenants that neither it nor any related person as contemplated by United States Treasury Regulation Section 1.148-1(b) shall, pursuant to an arrangement, formal or informal, purchase any bonds of the Issuer in an amount related to the Loan Amount delivered in connection with the transaction contemplated hereby.

(4) The Borrower will not use any of the Loan Amount in any manner that would cause the Bond to be an "arbitrage bond" within the meaning of Section 148 of the Code and will take such actions as are necessary and within its power to assure that the interest on the Bond will not be

subject to inclusion in the gross income of the owner thereof for federal income tax purposes by virtue of the Bond being an "arbitrage bond".

(5) (a) No more than five percent of the Loan Amount plus investment earnings thereon will be used, directly or indirectly, in whole or in part, in any activity carried on by any person other than a state or local governmental unit.

(b) The payment of more than five percent of the principal of or the interest on the Loan Amount will not be, directly or indirectly (i) secured by any interest in (A) property used or to be used in any activity carried on by any person other than a state or local governmental unit or (B) payments in respect of such property or (ii) on a present value basis, derived from payments (whether or not by or to the Issuer) in respect of property, or borrowed money, used or to be used in any activity carried on by any person other than a state or local governmental unit.

(c) No more than five percent of the Loan Amount and investment earnings thereon will be used, directly or indirectly, to make or finance loans to any persons.

(d) No users of the Project other than state or local governmental units will use more than five percent of the Project, in the aggregate, on any basis other than the same basis as the general public; and no person other than a state or local governmental unit will be users of more than five percent of the Project, in the aggregate, as a result of (i) ownership, (ii) actual or beneficial use pursuant to a lease or a management, service, incentive payment or output contract, or (iii) any other similar arrangement, agreement or understanding, whether written or oral.

(6) The Borrower will not permit any direct or indirect guarantees of the Loan if any person obligated on such guarantee is an "insider" as defined in Section 101 of the United States Bankruptcy Code.

(7) The Borrower will apply the Loan Amount solely for the financing of or to reimburse itself for the Cost of the Project. The Borrower shall, as quickly as reasonably possible, and with due diligence, spend the Loan Amount for the cost of acquiring, constructing, improving, or financing such Project.

ARTICLE IV

LOAN TO BORROWER; AMOUNTS PAYABLE; GENERAL AGREEMENTS

Section 4.01. The Loan. In order to provide funds for the purpose of financing the Costs of the Project and to pay costs in connection with the issuance of the Bond and the loan of the proceeds thereof to the Borrower, the Bank, upon the closing of the Loan, will commit to fund the Loan Commitment Amount, which shall be deposited from time to time in a Project Fund established by the Borrower, in amounts corresponding to each Drawing.

The Bank, as the purchaser of the Bond, shall make the Loan to the Borrower from time to time by disbursing amounts to the Borrower upon receipt of a requisition substantially in the form of EXHIBIT E hereto and meeting the requirements of Sections 4.04 and 4.06 hereof; *provided, however*, no disbursement shall be made if a Loan Default has occurred and is continuing under this Loan Agreement. The proceeds of the Loan shall be used strictly in accordance with Section 3.02(r).

Section 4.02. Sufficiency of Loan Amounts. None of the Issuer, the Administrator, or the Bank warrants or represents in any way that the Loan Amount will be sufficient to finance the entire Cost of the Project.

Section 4.03. Commencement of Loan Agreement Term. The Borrower's obligations under this Loan Agreement shall commence on the date of this Loan Agreement and shall continue until each Scheduled Put Option Date and until the payment of the principal, interest, and fees, if any, on the Loan are fully paid.

Section 4.04. Loan Closing Submissions. At the Closing for the Loan, the Borrower will provide, or cause to be provided, to the Issuer, the Administrator, and the Bank the following documentation:

(a) Resolution of the Borrower and evidence satisfactory to Bond Counsel that any provisions found in Title 9, Chapter 21, Tennessee Code Annotated, as amended, have been complied with which are necessary for the Borrower to incur indebtedness pursuant to this Loan Agreement.

(b) Resolution of the Borrower authorizing the Loan and the execution and delivery of the Loan Agreement and related documents, a copy of which is attached hereto as EXHIBIT C;

(c) An opinion of the Borrower's Counsel addressed to the Issuer, Bond Counsel, and the Bank, a copy of which is attached hereto as EXHIBIT D;

(d) A letter from the Bank or other evidence satisfactory to the Issuer and the Administrator attached hereto as EXHIBIT F to the effect that the Bank has approved the Loan;

(e) Evidence of approval attached hereto as EXHIBIT G from the Director of Local Government Finance;

(f) An opinion or opinions addressed to, and in form and substance acceptable to, the Issuer and the Bank of Bond Counsel to the effect that such financing with Loan proceeds is permitted under the Act and the Borrower Resolutions authorizing this Loan Agreement and will not cause the interest on the Bond to be included in gross income of the owner thereof for federal income tax purposes or adversely affect the validity, due authorization for or legality of the Bond;

(g) An executed Borrower's Tax Certificate attached hereto as EXHIBIT H; and,

(h) Such other certificates, documents, and information as the Issuer, the Administrator, the Bank, and Bond Counsel may require.

All opinions and certificates shall be dated the date of the Closing.

Section 4.05. Evidence of Loan. The Borrower's obligation to repay the Loan Amount together with interest thereon, and other payments required under this Loan Agreement, shall be evidenced by this Loan Agreement.

Section 4.06. Disbursement of Funds from Project Fund. The Borrower shall establish a special fund to be known as the "City of Munford Water and Sewer Loan Project Fund," or such other designation as the Mayor shall determine (the "Project Fund"). From the date of Closing for a period of thirty-six (36) months, Loan proceeds shall be disbursed to the Borrower, from time to time, upon submission to the Bank and the Administrator of requisitions by an Authorized Officer of the Borrower substantially in the form attached hereto as EXHIBIT E demonstrating that Costs of the Project have been paid by the Borrower or are due and payable by the Borrower (each a "Drawing"). The Borrower also hereby agrees that approximately one-third of the Loan Commitment Amount shall be drawn each year. The Borrower shall also provide such other certificates, documents, and information related to the Project or the Loan as the Bank, the Administrator, or the Issuer may require.

Upon completion of the Project, the Borrower shall give notice to the Administrator and the Bank in writing stating that such Project has been completed and that no additional funds will be requested from the Project Fund.

Section 4.07. Designee of Issuer for Loan Repayments. The Borrower shall make Loan Repayments, as provided herein, in lawful money of the United States of America directly to the Bank, as the Issuer's designee for receipt of such Loan payments hereunder. Each such Loan Repayment shall be made by the Borrower by wire transfer of immediately available funds directly to the Bank, as the designee of the Issuer.

Section 4.08. Loan Repayments; Term of Loan. (a) The Loan Amount shall be repaid in installments, consisting of (i) annual principal repayments payable in such amounts on the Loan Repayment Dates as set forth on the Repayment Exhibit attached hereto; and (ii) semiannual interest payments on the Outstanding Loan Amount. All rates of interest specified herein shall be computed on the basis of a three hundred sixty (360) day year composed of twelve (12) months of thirty (30) days each.

The interest portion of the Loan Repayments shall be due semiannually on each Loan Repayment Date, commencing on November 1, 2022. After the first of the month immediately preceding the Loan Repayment Date and each six months thereafter, the Bank will bill the City for the interest due during such six month period based on the Outstanding Loan Amount as of the first day of each month, plus principal, if applicable. The Bank will furnish the invoice to the Borrower and the Administrator at least fifteen (15) days prior to the payment date.

All Loan Repayments shall be due as set forth above unless the Loan is prepaid in whole or in part prior to its maturity.

Loan Repayments shall be applied as follows: (i) first, to pay the interest portion of Loan Repayments, and (ii) second, to pay the principal portion of the Loan Repayments.

The Bank, at its sole option, may (i) extend the Scheduled Put Option Date for purposes of this Loan Agreement for an additional term of ten (10) years or (ii) put the Bond to the Issuer for purchase on such Scheduled Put Option Date; provided, however, unless on or before one hundred eighty (180) days prior to

the Scheduled Put Option Date, the Bank shall have notified the Issuer, the Borrower, and the Administrator, in writing, that it intends to put the Bond to the Issuer for purchase on the next Scheduled Put Option Date, then the Bank shall be obligated to extend the Scheduled Put Option Date for an additional ten (10) year term from the then stated Scheduled Put Option Date.

If the Bank elects (or is deemed to have elected) to extend the Scheduled Put Option Date, its obligation to do so shall nevertheless be conditioned on no Loan Default hereunder existing on the Scheduled Put Option Date.

The Board of the City understands and is aware it may be required to either pay in full or refund the outstanding debt evidenced by the Loan Agreement in the event the Bank exercises its Put Option on the Scheduled Put Option Date. The Board has by its Loan Resolution found that it is aware of the risks and benefits associated with the debt evidenced by the Loan Agreement and the Put Option and that the repayment structure of the debt evidenced by the Loan Agreement (including the Put Option) is in the public interest of the City.

The Board hereby agrees that it is willing to pay additional issuance costs associated with the refunding of the Loan and related Bond in the event the Put Option is exercised by the Bank. In the event that the Put Option is exercised by the Bank, and the City is unable to pay the Loan amount in full on such date and no subsequent holder can be determined, the Board commits to refund the Loan in the following manner:

- (x) the Board shall submit a plan of refunding to the Comptroller or Comptroller's designee;**
- (y) the final maturity of the refunding debt obligation will not extend beyond the final maturity of the original Loan Agreement; and,**
- (z) the debt service structure of the refunding debt obligation will be substantially similar to or more declining than the debt structure of the original Loan Agreement.**

Further, if the Bank elects to extend the Scheduled Put Option Date, it may at its sole option, elect to change the Loan Rate on the Bond and the Loan by notice delivered to the Issuer, the Borrower, and the Administrator not less than one hundred eighty (180) days prior to the Scheduled Put Option Date, of the new Loan Rate for the remaining term of the Loan. If the Borrower agrees to the new Loan Rate, the Bank will cause to be provided to the Borrower an amended Repayment Exhibit showing the debt service schedule of Loan Repayments with the revised interest payments and Loan Rate for the remaining term of the Loan; provided, however, that the principal payments due on each principal payment date shall not be revised due to any rate adjustment.

Section 4.09. Unconditional Obligation to Pay Loan Repayments. The obligation of the Borrower to make payment of Loan Repayments or any other amounts required by this Article IV and other Sections hereof, and to perform and observe the other covenants and agreements contained herein, shall be absolute and unconditional in all events except as otherwise expressly provided in this Loan Agreement. Notwithstanding any dispute between the Borrower and the Issuer, the Bank, or any other person, the Borrower shall make all payments of Loan Repayments when due and shall not withhold any Loan Repayments pending final resolution of such dispute, nor shall the Borrower assert any right of setoff or counterclaim against its obligation to make such payments required under this Loan Agreement.

The Borrower's obligation to pay rebate liability, if any, shall survive payment of the Loan and termination of this Loan Agreement. The Issuer and the Borrower agree that the Borrower shall bear all risk of damage or destruction in whole or in part to the Project or any part thereof, including without limitation any loss, complete or partial, or interruption in the use, occupancy or operation of the Project, or any manner or thing which for any reason interferes with, prevents or renders burdensome the use or occupancy of the Project or the compliance by the Borrower with any of the terms of this Loan Agreement. Notwithstanding the foregoing, this Section 4.09 shall not limit the rights of the Borrower to recover amounts owing to it, except as specifically set forth herein.

Section 4.10. Optional Prepayment. The Loan Repayments may not be prepaid, in whole, during the first five (5) years of the Loan from the Closing Date of the Loan.

After the five year period, the Borrower may prepay the Loan Repayments, in whole, at the price of par, plus accrued interest, to the date of prepayment, by providing a thirty (30) day notice in writing to the Issuer, the Bank, and the Administrator (the "30-Day Legal Notice of Prepayment").

Additionally, a sixty (60) day notice in writing to the Administrator (the "60-Day Notice of Intent"), is required to provide the opportunity for the Administrator to make a proposal to the Borrower. The 60-day Notice of Intent may occur as early as sixty (60) days prior to the end of the five-year period; however, in no event, shall the notice be less than sixty (60) days prior to the legally binding 30-Day Legal Notice of Prepayment. If the 60-Day Notice of Intent is not given to the Administrator, then the 30-Day Legal Notice of Prepayment shall be of no force and effect.

Notwithstanding the above, the Borrower may make additional Loan Repayment, upon thirty (30) days' written notice to the Administrator and the Bank; provided, however, that such additional payments of principal must be paid from Borrower funds, not borrowed funds.

Section 4.11. Arbitrage Certification. The Borrower recognizes that the purchaser of the Bond will have accepted it on, and paid therefor a price that reflects, the understanding that interest thereon is excludable from gross income for purposes of federal income taxation under laws in force on the date of delivery of the Bond. In this connection, the Borrower agrees that it shall take no action which may cause the interest on said Bond to be included in gross income for federal income taxation. It is the reasonable expectation of the Board of the Borrower that the proceeds of the Bond will not be used in a manner which will cause the Bond to be an "arbitrage bond" within the meaning of Section 148 of the Code, and to this end the said proceeds of the Bond and other related funds established for the purposes herein set out shall be used and spent expeditiously for the purposes described herein. The Board further covenants and represents that in the event it shall be required by Section 148(f) of the Code to pay any investment proceeds of the Bond to the United States Government, it will make such payments as and when required by said Section 148(f) and will take such other actions as shall be necessary or permitted to prevent the interest on the Bond from becoming taxable. The Mayor and the City Recorder, or either of them, are authorized and directed to make such certifications in this regard in connection with the sale of the Bond as either or both shall deem appropriate, and such certifications shall constitute a representation and certification of the City.

ARTICLE V

SOURCE OF PAYMENT

Section 5.01. Source of Payment. The Loan shall be payable from any and all funds of the City legally available therefor, including, but not necessarily limited to, ad valorem taxes to be levied for such purpose on all taxable property within the City. For the punctual payment of said principal of, premium, if any, and interest on, the Loan Agreement, the full faith and credit of the City has been irrevocably pledged. The Loan is a general obligation of the City, consistent with Tennessee law.

Notwithstanding the above, it is the intention of the City that the indebtedness evidenced by the Loan Agreement shall be additionally payable from, but not secured by, the revenues to be derived from the operation of the water and sewer systems, subject to the payment of reasonable and necessary costs of operating, maintaining, repairing, and insuring such water and sewer systems, and to any pledge of such revenues in favor of other obligations of the water and sewer systems of the City.

Section 5.02. Levy of Tax. The Borrower, through its Board to the extent necessary, shall annually levy and collect a tax upon all taxable property within the City, in addition to all other taxes authorized by law, sufficient to pay principal and interest on the Loan when due.

ARTICLE VI

LOAN DEFAULTS AND REMEDIES

Section 6.01. Loan Defaults. If any of the following events occurs, it is hereby defined as and declared to be and to constitute a "Loan Default":

(a) failure by the Borrower to pay any payment obligation required to be paid hereunder when due, which failure shall continue a period of five Business Days;

(b) failure by the Borrower to observe and perform any covenant, condition or agreement on its part to be observed or performed under this Loan Agreement, other than as referred to in paragraph (a) or (c) through (f) of this Section, which failure shall continue for a period of thirty (30) calendar days after written notice, specifying such failure and requesting that it be remedied, is given to the Borrower by Issuer or the Bank, unless the Issuer and the Bank shall agree in writing to an extension of such time prior to its expiration; provided, however, that if the failure stated in such notice is correctable but cannot be corrected within the applicable period the Issuer and the Bank may not unreasonably withhold their consent to an extension of such time up to thirty (30) calendar days from the delivery of the written notice referred to above if corrective action is instituted by the Borrower in the applicable period and diligently pursued until the Loan Default is corrected;

(c) any representation made by or on behalf of the Borrower contained in this Loan Agreement, or in any instrument furnished in compliance with or with reference to this Loan Agreement or the Loan, is false or misleading in any material respect on the date on which such representation is made;

(d) a petition is filed by or against the Borrower under any federal or state bankruptcy or insolvency law or other similar law in effect on the date of this Loan Agreement or thereafter enacted, unless in the case of any such petition filed against the Borrower such petition shall be dismissed within thirty (30) calendar days after such filing and such dismissal shall be final and not subject to appeal; or the Borrower shall become insolvent or bankrupt or make an assignment for the benefit of its creditors; or a custodian (including, without limitation, a receiver, liquidator or trustee) of the Borrower or any of its property shall be appointed by court order or take possession of the Borrower or its property if such order remains in effect or such possession continues for more than thirty (30) calendar days;

(e) the Borrower shall generally fail to pay its debts as such debts become due; and,

(f) any material provision of this Loan Agreement shall at any time for any reason cease to be valid and binding on the Borrower, or shall be declared to be null and void, or the validity or enforceability of any thereof shall be contested by the Borrower or any governmental agency or authority (other than the Issuer), or if the Borrower shall deny any further liability or obligation under this Loan Agreement.

Section 6.02. Notice of Default. The Borrower shall give the Bank, the Administrator, and the Issuer prompt telephonic notice of the occurrence of any event referred to in Section 6.01 (d) or (e) hereof and of the occurrence of any other event or condition that constitutes a Default or a Loan Default at such time as any Authorized Officer of the Borrower becomes aware of the existence thereof.

Section 6.03. Remedies on Default. Whenever a Loan Default referred to in Section 6.01 shall have happened and be continuing, the Bank shall have the right to take any action permitted or required pursuant to this Loan Agreement and the Bond Purchase Agreement and to take one or more of the following remedial steps:

(a) declare all Loan Repayments and all other amounts due hereunder to be immediately due and payable, and upon notice to the Borrower the same shall become immediately due and payable by the Borrower without further notice or demand; and,

(b) take whatever other action at law or in equity may appear necessary or desirable to collect the amounts then due and thereafter to become due hereunder or to enforce the performance and observance of any obligation, agreement or covenant of the Borrower hereunder.

In addition, if a Loan Default referred to in Section 6.01(d) or (e) shall have occurred, the Issuer shall, with notice to the Administrator and with the consent of the Bank, declare all Loan Repayments and all other amounts due hereunder to be immediately due and payable, and upon notice to the Borrower the same shall become due and payable without further notice or demand.

Section 6.04. Attorney's Fees and Other Expenses. The Borrower shall on demand pay to the Issuer, the Administrator, or the Bank the reasonable fees and expenses of attorneys and other reasonable expenses including, without limitation, the reasonably allocated costs of in-house counsel and legal staff incurred by any of them in collection of Loan Repayments or any other sum due hereunder or in the enforcement of performance of any other obligations of the Borrower upon a Loan Default.

Section 6.05. Applications of Moneys. Any moneys collected by the Issuer, the Administrator, or the Bank pursuant to Section 6.03 hereof shall be applied in the same manner as Loan Repayments are applied pursuant to Section 4.08 hereof. Any moneys remaining shall be paid as owed, first to the Bank and then credited to Loan Repayments of the Borrower.

Section 6.06. No Remedy Exclusive; Waiver; Notice. No remedy herein conferred upon or reserved to the Issuer or the Bank is intended to be exclusive and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Loan Agreement or now or hereafter existing at law or in equity. No delay or omission to exercise any right, remedy or power accruing upon any Default or Loan Default shall impair any such right, remedy or power or shall be construed to be a waiver thereof, but any such right, remedy or power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Issuer or the Bank to exercise any remedy reserved to it in this Article, it shall not be necessary to give any notice, other than such notice as may be required in this Article VI.

Section 6.07. Retention of the Issuer's Rights. Notwithstanding any assignment or transfer of this Loan Agreement, or part thereof, pursuant to the provisions hereof or anything else to the contrary contained herein, the Issuer shall have the right upon the occurrence of a Loan Default to take any action, including, without limitation, bringing an action against the Borrower at law or in equity, as the Issuer may, in its discretion, deem necessary to enforce the obligations of the Borrower to the Issuer pursuant to Section 6.04 hereof.

ARTICLE VII

TITLE TO PROJECT

Title to the Project will initially be in the Borrower. Provided the Borrower shall obtain a Favorable Opinion of Bond Counsel, the Borrower shall have the right to convey the Project to any other persons, subject to the limitations, if any, contained in other provisions of this Loan Agreement and the Borrower's Tax Certificate. Upon, and as a condition to, any such conveyance not permitted hereby, the Borrower shall prepay the Outstanding Loan Amount immediately upon demand of the Issuer or the Bank.

ARTICLE VIII

DISCLAIMER OF WARRANTIES; VENDOR'S WARRANTIES; INDEMNIFICATION

Section 8.01. Disclaimer of Warranties. Neither the Issuer, the Administrator, nor the Bank makes any warranty or representation, either express or implied, as to the value, design, condition, merchantability or fitness for particular purpose or fitness of the use of the Project or any portion thereof or any warranty with respect thereto. In no event shall the Issuer or the Bank be liable for any incidental, indirect, special or consequential damage in connection with or arising out of this Loan Agreement or the existence, furnishing, functioning or the Borrower's use of the Project or any item or products or services provided in this Loan Agreement.

Section 8.02. Warranties. The Borrower's sole remedy for the breach of any warranty, right of indemnification or representation relating to the Project or any part thereof shall be against the vendors or manufacturers of the Project and not against the Issuer or the Bank nor shall such matter have any effect whatsoever on the rights and obligations of the Borrower or the Issuer with respect to this Loan Agreement. The Borrower expressly acknowledges that neither the Issuer nor the Bank makes, or has made, any representation or warranty whatsoever as to the existence or availability of any such warranties of such vendors or manufacturers.

Section 8.03. Indemnity and Hold Harmless Provisions. To the extent legally permissible, the Borrower hereby releases the Issuer, the Administrator, and the Bank and their respective members, agents, employees, attorneys, and consultants from, agrees that the Issuer, the Administrator, and the Bank and their respective members, agents, employees, attorneys, and consultants shall not be liable for, and agrees to reimburse and indemnify and hold the Issuer, the Administrator, and the Bank, and their respective members, agents, employees, attorneys, and consultants harmless from and against, any and all: (1) liability for loss to the Project (or any injury to or death of any and all Persons that may be occasioned by any cause whatsoever pertaining to Project or arising by reason of or in connection with the acquisition, installation, maintenance, checkout, or use of or failure to use the Project); (2) liability arising from, or expense incurred by the Issuer and the Bank by reason of, the Loan or this Loan Agreement and all causes of action and attorneys' fees and any other expense incurred in defending any suits or actions which may arise as a result of any of the foregoing; and, (3) all costs and expenses of the Issuer and the Bank and their respective officers, directors, employees, agents, and attorneys incurred as a result of carrying out their obligations under this Loan Agreement; provided, however, the provisions of this Section 8.03 shall survive the termination of this Loan Agreement.

Section 8.04. Reimbursement of Issuer, Administrator, and Bank. Notwithstanding that it is the intention of the parties hereto, other than herein expressly provided, that the Issuer, the Administrator, or the Bank shall not incur any pecuniary liability by reason of this Loan Agreement or the Loan, or by reason of any actions, documents, statutes, ordinances, or regulations pertaining to the foregoing, the Borrower hereby agrees to promptly pay any and all costs and expenses (including attorneys' fees), as such costs and expenses

Borrower's Tax Certificate

BORROWER'S TAX CERTIFICATE

The undersigned, being the duly elected and qualified Mayor of City of Munford, Tennessee (the "Borrower"), hereby certifies with respect to the Borrower's obligations evidenced by that certain Loan Agreement (the "Loan Agreement"), by and among the Borrower, The Public Building Authority of the City of Clarksville, Tennessee (the "Issuer"), and Security Bank and Trust Company, Paris, Tennessee (the "Bank"), dated the date hereof, in the original principal amount of \$2,000,000 (the "Loan"), as follows:

A. General.

1. I, along with other officers of the Borrower, am charged with the responsibility for issuing the Loan.

2. This certificate is made pursuant to Sections 103 and 141 through 150 of the Internal Revenue Code of 1986, as amended to the date hereof (the "Code"), and Treasury Regulations Sections 1.148-0 through 1.148-11, 1.149(b)-1, 1.149(g)-1, 1.150-1, and 1.150-2 (the "Regulations").

3. This certificate is based on the facts and estimates described herein in existence on this date, which is the date of delivery of the Loan to the Issuer and deposit of amounts to a Project Fund for the Borrower; and, on the basis of such facts and estimates, the Borrower expects that the future events described herein will occur. To the best of the knowledge and belief of the undersigned, the expectations set forth herein are reasonable.

4. A capitalized term used and not otherwise defined herein has the meaning ascribed to such term in the Loan Agreement.

B. Purpose and Size.

1. The Loan is being issued pursuant to the Loan Agreement to finance capital expenditures for the purpose of financing the costs of the extension, construction, improvement, and equipping of the water and sewer systems of the City, the acquisition of all property real and personal appurtenant thereto and connected with such work, to pay all legal, fiscal, administrative, architectural, and engineering costs incident thereto, reimbursement for expenditures related to the foregoing projects, and to pay costs incident to the issuance of the Bond and the loan of the proceeds thereof to the City, as more fully described in the Loan Agreement (the "Project"), and to pay costs of issuance and administration of the Issuer's obligations issued to finance the Loan. The amounts received from sale of the Loan, when added to amounts expected to be received from the investment of such proceeds, do not exceed the amounts which will be required to pay the costs of the Project and the costs of issuing and administering the Issuer's obligations issued to finance the Loan.

2. The Project will be owned, operated, and maintained by the Borrower, and the Borrower has not contracted in any manner with any company, firm or other person or entity to operate or maintain the Project or any part thereof, for and on behalf of the Borrower. The Borrower does not expect to enter into any contract for the operation, maintenance, or management of the Project or any part thereof.

3. There is not, and as of the date hereof the Borrower does not anticipate entering into, any lease, contract or other understanding or arrangement, such as a take-or-pay contract or output contract, with any person other than a state or local governmental unit, pursuant to which the Borrower expects that proceeds of the Loan, or the Project financed therewith or any part thereof, will be used in the trade or business of such person (including all activities of such persons who are not individuals).

4. The term of the Loan is not longer than is reasonably necessary for the governmental purposes of this Loan. The average maturity of the Loan is not more than 120% of the reasonably expected useful life of the assets financed by the Loan.

5. No receipts from the sale of the Loan or amounts received from the investment thereof will be used to pay the principal of or interest on any issue of obligations of the Borrower other than the Loan.

6. No other obligations of the Borrower payable from the same source of funds were sold or delivered within 15 days before or after the date hereof.

C. Temporary Periods and Time for Expenditures.

1. The Borrower has previously entered or, within six months from the date hereof, will enter into binding obligations for the acquisition and construction of the Project which require the Borrower to expend at least 5% of the net sale proceeds of the Loan for the Project.

2. The Borrower will pursue the Project with due diligence until completed.

3. The Borrower expects that, after paying costs of issuing the Loan, all remaining proceeds of the Loan, including all income from the investment of proceeds of the sale of the Loan, will be expended to pay costs of the Project within three years after the date hereof.

D. Payment of Loan and Rebate.

1. There shall be levied and collected in the same manner as other ad valorem taxes on all taxable property within the City, a tax sufficient to pay when due the amounts payable under the Loan Agreement, as and when they become due, and to pay any expenses of maintaining and operating the Project required to be paid by the Borrower under the terms and provisions of the Loan Agreement. For the prompt payment of the Loan Agreement, both principal and interest, as the same shall become due, the full faith and credit of the Borrower have been irrevocably pledged.

2. Except as described herein, no funds of the Borrower have been pledged to payment of the principal of or interest on the Loan or otherwise restricted so as to give reasonable assurance of the availability of such funds for such purpose.

3. The Borrower has covenanted in the Loan Agreement that it will account separately for the proceeds of the Loan, that it will calculate the earnings on all nonpurpose investments, as such term is defined in the Regulations (the "Nonpurpose Investments"), allocated to proceeds of the Loan, and that it will make payments to the United States Treasury of any "rebtable arbitrage" as a result of such investments at least every five years and at the maturity of the Loan, together with any reports as the Secretary of the Treasury shall prescribe, as may be required by Section 148(f) of the Code.

E. No Artifice or Device.

1. In connection with the issuance of the Loan, the Borrower has not
 - (a) employed any abusive arbitrage device, or
 - (b) over-burdened the market for tax-exempt obligations.

F. Loan Not Hedge Bonds.

1. The Borrower expects to expend within three years from the date hereof, in addition to the costs of issuance of the Loan, an amount of proceeds of the Loan equal to not less than 85% of the net sale proceeds of the Loan.

2. No proceeds of the Loan have been invested in investments which have a substantially guaranteed yield for four years or more.

G. Reimbursement Obligations and Reimbursement Allocation.

1. None of the proceeds of the Loan or investment earnings thereon will be used to reimburse the Borrower for any costs of the Project.
