Mayor's Report  
November 25, 2019

Aldermen:

The Tennessee Principal of the year award is given annually to a school leader for outstanding service in education and exceptional leadership that drives overall improvements in his or her school. Additionally, all nominees must have a proven track record of exceptional gains in student learning. And we have a winner again this year in Ms. Varissa Richardson (Ms. V), Principal of Munford Elementary School. She is West Tennessee Principal of the Year. Congratulations to Ms. V on this well-deserved recognition! Our schools are a shining example of why "Munford is My Kind of Town!"

Lindsey Moore, Director of the Munford Tipton County Memorial Public Library, recently graduated from the Tennessee Public Library Management Institute. She is now a Certified Public Library Manager. This is a three-year program that focuses on leadership, management, and community partnerships. Lindsey is a great example of the outstanding leaders on our staff. Congratulations Lindsey and we are proud of you!

The City of Munford was recently recognized as one of the "safest cities in Tennessee" by Security Barron using FBI Uniform Crime Reporting Data on various types of crimes. Munford ranked 22nd in the latest report. Congratulations to Chief Randal Baskin and the Munford Police Department in making our town among the safest in Tennessee.

Munford Parks and Recreation Director Griff Fisher and his staff have lined our streets with Christmas decorations and have placed a new ornament display in the downtown business district. We have received many positive comments about our festive decor. The Munford Christmas Parade will be held on December 7th at 5:00 PM and will conclude with the Christmas Tree lighting in City Park immediately following. The Munford High School Band will perform and everyone is encouraged to attend the largest parade in our area.

As Thanksgiving approaches, I am very grateful for many things: Jesus, my family, good health, and our City of Munford family. It is my honor to serve with you (Aldermen) to serve our citizens and continue to make Munford "My Kind of Town." It is my prayer that each of you, our employees and citizens enjoy God's richest blessings and give thanks to Him for all He has done for us.

Warm regards and Happy Thanksgiving,

Dwayne Cole, Mayor
